2ND SESSION, 32ND LEGISLATURE, ONTARIO
31 ELIZABETH II, 1982

**An Act respecting
the Rights of Non-Unionized Workers**

MR. HAGGERTY

EXPLANATORY NOTE

The purpose of the Bill is to provide a low cost mechanism whereby a non-unionized worker may obtain a review by the Ontario Labour Relations Board where the worker is discharged or otherwise disciplined for cause and the contract of employment is silent on matters of discipline. At the present time, a non-unionized worker who is dismissed or otherwise disciplined for cause may have no right of action against his employer notwithstanding the fact that the discipline is, having regard to all of the circumstances, unduly harsh.

The Bill provides a two stage process for reviewing complaints involving harsh discipline. Initially, a labour relations officer would be appointed to effect a settlement which would be reduced to writing and which would have to be complied with according to its terms. Then, if no settlement is reached, or where settlement is not likely, the Ontario Labour Relations Board would inquire into the matter. The Board, if satisfied that the complaint is justified, will have the power to make an order substituting such penalty as is just and reasonable in the circumstances.

BILL 42

1982

An Act respecting the Rights of Non-Unionized Workers

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. In this Act,

Interpre-
tation

(a) "Board" means the Ontario Labour Relations Board;

(b) "complaint" means a complaint filed with the Board under subsection 2 (1).

2.—(1) Where an employee who has been discharged or otherwise disciplined for cause by his employer is of the opinion that the penalty is unduly harsh and where the employee's contract of employment is not governed by a collective agreement under the *Labour Relations Act* and does not contain a specific penalty for the infraction for which the discharge or other discipline was imposed, the employee may file a complaint with the Board.

Complaint
to
O.L.R.B.

R.S.O. 1980,
c. 228

(2) Any regulations governing the practice and procedure of the Board apply, with necessary modifications, to a review under subsection 3 (2) and to a complaint.

Procedure

(3) The Board may authorize a labour relations officer to inquire into a complaint.

Inquiry
by labour
relations
officer

(4) The labour relations officer shall forthwith inquire into the complaint and endeavour to effect a settlement of the matter.

Duties

(5) The labour relations officer shall report the results of his inquiry and endeavours to the Board.

Report

(6) Where a labour relations officer is unable to effect a settlement of the complaint or where the Board in its dis-

Remedy

cretion considers it advisable to dispense with an inquiry by a labour relations officer, the Board may inquire into the complaint and where the Board is satisfied that the discharge or other discipline imposed was unduly harsh, the Board may, by order, substitute such other penalty for the discharge or other discipline as to the Board seems just and reasonable in all the circumstances.

Idem

(7) Without limiting the generality of subsection (6),

(a) where an employee has been discharged, the Board, in an order made under subsection (6) may order that the employee be reinstated in employment, with or without compensation or that the employee be compensated in lieu of reinstatement for loss of earnings or other employment benefits in an amount that may be assessed by the Board against the employer;

(b) where an employee has been suspended, the Board, in an order made under subsection (6), may order that the employee be compensated for loss of earnings or other employment benefits in an amount that may be assessed by the Board against the employer.

Effect of
settlement

3.—(1) Where a complaint has been settled whether through the endeavours of the labour relations officer or otherwise, and the terms of the settlement have been put in writing and signed by the employer or his representative and the employee, the settlement is binding upon the employer and the employee and shall be complied with according to its terms.

Review of
settlement

(2) Where either the employer or the employee alleges that the other party has breached any term of a settlement referred to in subsection (1), the employer or the employee, as the case may be, may apply to the Board for a review of the matter and the Board, after an inquiry, may order that,

(a) the employee or employer comply with the terms of the settlement; or

(b) vary the terms of the settlement and order compliance with the terms of the settlement as varied.

Enforce-
ment of
orders

4. Where either the employer or the employee has failed to comply with any of the terms of an order made under subsection 2 (6) or subsection 3 (2) the other party may, after the

expiration of fourteen days from the date of the order or the date provided in the order for compliance, whichever is later, notify the Board in writing of such failure, and thereupon the Board shall file in the office of the Registrar of the Supreme Court a copy of the order, exclusive of the reasons therefor, if any, in the prescribed form, whereupon the order shall be entered in the same way as a judgment or order of that court and is enforceable as such.

5. The rights conferred by this Act are in addition to any other rights that an employee may have at law but, where a complaint is filed, any action brought by the employee in a court of law related to the discharge or discipline of the employee may be stayed pending the disposition of the matter by the Board. ^{No derogation of rights}

6. This Act comes into force on the day it receives Royal Assent. ^{Commencement}

2ND SESSION, 32ND LEGISLATURE, ONTARIO
31 ELIZABETH II, 1982

An Act to amend the Labour Relations Act

MR. HAGGERTY

EXPLANATORY NOTE

The purpose of the Bill is to provide a mechanism whereby the Lieutenant Governor in Council can order a sixty-day suspension of a strike or lock-out and order a return to work where the strike or lock-out constitutes an immediate and serious danger to life, health or safety or seriously disrupts the economy of the province or any area of the province.

The Bill provides that the Minister of Labour must appoint a conciliation officer where an order suspending a strike or lock-out has been made and may subsequently appoint a conciliation board where the efforts of the conciliation officer to effect a collective agreement are unsuccessful.

If conciliation efforts are unsuccessful, the strike or lock-out may be resumed without a further strike vote.

An order made under the Bill would be enforceable as an order of the Supreme Court.

BILL 44

1982

1. Section 17 of the *Labour Relations Act*, being chapter 228 of the Revised Statutes of Ontario, 1980, is amended by adding thereto the following subsection: s. 17,
amended

- (a) constitutes an immediate and serious danger to life, health or safety; or

(Private Member's Bill)

2ND SESSION, 32ND LEGISLATURE, ONTARIO
31 ELIZABETH II, 1982

**An Act to protect and enhance the Quality of
Drinking Water in Ontario**

MR. CHARLTON

EXPLANATORY NOTE

The Bill is intended to protect and enhance drinking water quality in Ontario.

It provides opportunities for public involvement in the making of regulations to set maximum permissible levels for contaminants and other substances in drinking water. These regulations would apply to both public and private water systems.

The operator of a public water system is required to monitor water quality regularly and notify the users of the system as well as the Minister of the Environment of the results. Any user of a private water system may have the water tested by the Ministry of the Environment.

It is an offence for the operator of a public water system to provide water which contravenes the regulations or to fail to comply with monitoring and notice requirements. It is an offence for anyone to pollute a public or private water system.

The Bill permits water users to sue to recover damages for contraventions of the Act and gives any person standing to seek judicial review against the Minister of the Environment.

The Minister is authorized to commission research into matters related to drinking water quality and an advisory council is created to assist the Minister.

2ND SESSION, 32ND LEGISLATURE, ONTARIO
31 ELIZABETH II, 1982

An Act to amend the Education Act

THE HON. B. M. STEPHENSON
Minister of Education and Minister of Colleges and Universities

EXPLANATORY NOTES

SECTION 1.—Subsection 1. “band” and “council of the band” are defined in the Act for the first time since reference is now made to them in connection with agreements for the education of Indian pupils.

The definition of “credit” has been used for several years in regulations made under the Act and is now being included in the Act for convenience of reference.

A definition of “education authority” is required because of the use of this term in the Act.

The definition of “Indian” has been removed from subsection 11 (2) of the Act and now appears in the interpretation section.

Subsection 2. Paragraph 66 of subsection 1 (1) of the Act now reads as follows:

1.—(1) *In this Act and the regulations, except where otherwise provided in the Act or regulations,*

66. *“teacher” means a person who holds a valid certificate of qualification as a teacher in an elementary or a secondary school in Ontario.*

The amendment includes in the definition of teacher a person who holds a letter of standing. Such a person is always intended to be included when a teacher is spoken of in the Act and the regulations.

Subsection 3. The provisions of subsection 1 (3) of *The Education Act, 1974* were not included in the 1980 revision of the *Education Act*. Concern has been expressed that repeal of the provisions re-enacted by this section casts doubt upon the continuity of certain school jurisdictions, therefore the subsection is re-enacted retroactively to the coming into force of the Revised Statutes of Ontario, 1980.

SECTION 2. The amendment authorizes the Minister to delegate powers and duties to the Deputy Minister or to any officer in the Ministry of Education and provides that a contract entered into under such delegated authority is binding on the Crown.

SECTION 3.—Subsection 1. Clause 8 (1) (i) of the Act now reads as follows:

8.—(1) *The Minister may,*

(i) *grant a letter of standing to a person who is a qualified teacher in a jurisdiction outside Ontario and who holds academic and professional qualifications equivalent to those required in Ontario at the time of the issuing of the letter of standing.*

The purpose of the amendment is to permit the Minister to deem pupils of boards on co-operative education or work experience programs to be employees of Ontario to enable them to be eligible for compensation under the *Workmen's Compensation Act*.

The present clause (i) is repealed as the granting of letters of standing is dealt with by the regulations.

Subsection 2. Clause 8 (1) (m) of the Act now reads as follows:

8.—(1) *The Minister may,*

(m) suspend or cancel and reinstate any interim, temporary, permanent, special or other certificate of qualification or letter of standing.

The words being deleted by the amendment are made unnecessary by the new Ontario Teacher's Qualifications Regulation.

Subsection 3. Clause 8 (1) (p) of the Act now reads as follows:

8.—(1) *The Minister may,*

(p) provide or approve and review courses for teachers, principals and supervisory officers.

The purpose of the amendment is to authorize the Minister to provide or approve courses for attendance counsellors and native counsellors and to grant certificates to such persons.

Subsection 4. Clause 8 (1) (r) of the Act now reads as follows:

8.—(1) *The Minister may,*

(r) provide for, and prescribe the conditions of, the granting of scholarships, bursaries and awards to pupils.

The amendment authorizes the Minister to provide for and prescribe the conditions of the granting of bursaries to teachers.

Subsection 5. The amendment clarifies the authority of the Minister to issue guidelines with respect to school closings.

SECTION 4.—Subsection 1. Paragraph 11 of subsection 10 (1) of the Act now reads as follows:

10.—(1) *Subject to the approval of the Lieutenant Governor in Council, the Minister may make regulations in respect of schools or classes established under this Act, or any predecessor of this Act, and with respect to all other schools supported in whole or in part by public money,*

11. governing the granting, suspending and cancelling of permanent, temporary, interim, special and other certificates of qualification, and letters of standing.

The words being deleted by the amendment are made unnecessary by the new Ontario Teacher's Qualifications Regulation.

Subsection 2. The new paragraph 11a authorizes the making of regulations to provide for the issuing of the teacher's qualifications record cards and governing the qualifications that may be recorded thereon.

Subsection 3. Paragraph 24 of subsection 10 (1) of the Act now reads as follows:

10.—(1) *Subject to the approval of the Lieutenant Governor in Council, the Minister may make regulations in respect of schools or classes established under this Act, or any predecessor of this Act, and with respect to all other schools supported in whole or in part by public money,*

24. *prescribing the powers, duties and qualifications, and governing the appointment of, teachers, supervisors, directors, supervisory officers, heads of departments, principals, superintendents, bursars, matrons, school attendance counsellors and other officials.*

The purpose of the amendment is to update present terminology. The only bursars in the present system are employed in the Ontario Schools for the Blind and the Ontario Schools for the Deaf and these persons are now called business administrators. The persons formerly known as matrons in the same schools are now referred to as residence counsellors.

Subsection 4. Under the powers of a board to provide educational programs and activities, a board may have the power to engage in programs and activities that are, or may be, in competition with the private sector. The new paragraph 33 of subsection 10 (1) will enable regulations to be made to regulate and control or, where appropriate, to prohibit a board from engaging in such programs and activities.

Subsection 5. Clause 10 (8) (b) of the Act now reads as follows:

(8) *Subject to the approval of the Lieutenant Governor in Council, the Minister may make regulations,*

- (b) *prescribing the fee to be paid to the Ministry for duplicates of certificates of qualification and letters of standing.*

The amendment permits regulations to be made prescribing the fee to be paid for duplicates of Ontario Teacher's Qualifications Record Cards.

SECTION 5.—Subsection 1. Subsection 11 (2) of the Act now reads as follows:

- (2) *The Crown in right of Ontario, represented by the Minister, may make agreements with the Crown in right of Canada, represented by the Minister charged with the administration of the Indian Act (Canada), for the admission of pupils, other than Indians as defined in that Act, to schools for Indians operated under that Act.*

This amendment is complementary to subsection 1 (1) of the Bill.

Subsection 2. The new subsection (2a) permits Ontario to enter into an agreement with a band, council of the band or an education authority for the education of non-Indian pupils in schools operated by such band, the council of the band or education authority.

SECTION 6. Clause 12 (6) (g) of the Act now reads as follows:

(6) Subject to the approval of the Lieutenant Governor in Council, the Minister may, in addition to his powers under section 10, make regulations with respect to schools continued or established under this section,

(g) requiring a parent or guardian to deposit a sum of money with the bursar of a school for the purpose of defraying the personal incidental expenses of a pupil, and fixing the amount of the deposit.

The purpose of the amendment is to refer to the person formerly known as the bursar of an Ontario School for the Blind or an Ontario School for the Deaf as the business administrator.

SECTION 7. Subsection 25 (1) now implies that a warrant is needed to enter a dwelling place to remove therefrom a truant child. The words "without a warrant" are removed from the section as no such warrant exists.

SECTION 8. The amendment permits a judge to require a bond in addition to a fine for neglecting or refusing to cause a child to attend school. The original subsection provides that a bond can be imposed only in lieu of a fine.

SECTION 9. Subsection 30 (1) of the Act now reads as follows:

(1) Prosecutions under section 29 shall be instituted by the school attendance counsellor concerned and prosecutions under subsection 29 (1) shall be instituted in the Provincial Court (Family Division).

The amendment permits prosecutions under subsection 29 (1) to be instituted in the Unified Family Court where such a court has been established.

SECTION 10. This amendment is complementary to the amendment to section 48 of the Act. (See section 12 of the Bill).

SECTION 11. The purpose of the amendment is to ensure that where a college of applied arts and technology requires a certain course of study as a prerequisite, a student may attend another secondary school other than the one at which he is qualified to be a resident pupil in order to obtain credit for that course where the course is not offered at his own school.

SECTION 12. The new subsection (6) requires boards to charge gross fees to all pupils on student visas except participants in certain educational exchange programs and pupils who enrol prior to the 1st day of July, 1982.

SECTION 13. The amendment makes it clear that an area that is deemed a district municipality ceases to be so deemed if it becomes part of a municipality.

SECTION 14.—Subsection 1. The amendment permits the cancellation, reduction or refund of taxes on lands in territory without municipal organization in the same way as by the council of an organized municipality and makes subsection 67 (12) of the Act apply in respect of such territory.

Subsection 2. The amendment will permit the establishment of a limitation on the increase or decrease, as the case may be, in taxes in territory without municipal organization that is deemed a district municipality, or in territory without municipal organization attached to a municipality, where the increase or decrease is caused by re-assessment.

SECTION 15.—Subsection 1. Complementary to the changes set out in subsection (3) of this section of the Bill.

Subsection 2. Clause 54 (1) (c) of the Act now reads as follows:

54.—(1) *The Lieutenant Governor in Council may, by regulation,*

(c) dissolve a board of a school division or school section.

The amendment makes it clear that the dissolution of the board of a school section under this section applies only in the case where the school section is to be included in a school division. The present provisions of sections 68 and 70 of the Act apply to other dissolutions.

Subsection 3. The amendment simplifies the process for changing the name of a board.

SECTION 16.—Subsection 1. Subsection 59 (23) of the Act now reads as follows:

(23) *The number of members to be elected in a municipality shall be elected by a general vote of the public school electors or separate school electors, as the case may be, in the municipality, provided that, where it is determined under this section that the number of members to be elected to the divisional board by the public school electors in a municipality or by the separate school electors in a municipality is two or more, the council of the municipality may, by by-law, divide the municipality into two or more areas and provide for the election of one or more of such members by the public school electors or separate school electors, as the case may be, in each of such areas.*

The amendment restricts the power of a municipal council to pass a by-law that divides a municipality into areas for the purpose of electing members to a divisional board in a case where the board has so requested.

Subsection 2. The requirements in this subsection are now dealt with in subsections 36 (3) and (4) of the *Municipal Elections Act*.

SECTION 17. This amendment is consistent with the repeal of subsection 59 (34) of the Act (see section 16 of the Bill).

SECTION 18. The amendment permits the making of a regulation to detach a portion from a district school area without adding the portion detached to or forming it into another district school area.

SECTION 19. Subsection 64 (5) is re-enacted to delete the reference to a two year term of office and to relate the term of office to the time of the holding of regular elections, under the *Municipal Elections Act*.

SECTION 20.—Subsection 1. The amendment to subsection 65 (1) of the Act is necessary to clarify that a first election of a district school area board may take place as set out in subsection 65 (4).

Subsection 2. Subsection 65 (4) of the Act is amended to make it clear that subsection 65 (4) applies to first elections and subsection 64 (5) applies to subsequent elections of a district school area board.

Subsection 3. This amendment is consistent with the amendment to section 100 of the Act (see section 33 of the Bill).

SECTION 21. Subsection 66 (1) of the Act now reads as follows:

- (1) Notwithstanding section 65, before the 1st day of July in an election year, the board of a district school area may, by resolution approved at a meeting of the electors, determine that the board shall conduct the elections in the same manner as for the members of a divisional board of education, except that the members shall be elected by a general vote of the electors of the district school area and for such purposes subsection 53 (1) applies with necessary modifications to the district area board and to the officers of such board.*

The amendment corrects a reference to a district school area board referred to in subsection 62 (1) of the Act and makes it clear that the electors referred to in the subsection are public school electors.

SECTION 22. The new section 66a permits regulations to be made providing for the nomination of candidates, prescribing the manner of holding an election, the number of members to be elected and the areas each member is to represent where a district school area is formed under clause 62 (2) (b) of the Act.

SECTION 23. Subsections 68 (1), (2) and (3) of the Act now read as follows:

- (1) Where the number of public school pupils of compulsory school age residing in a district school area is fewer than ten and the board has ceased to operate a school, the Minister may declare the district school area inactive as of the 31st day of December in any year.*
- (2) When a district school area is declared to be inactive, the board shall liquidate its assets, settle its accounts and have them audited, and forward to the Ministry the audited statement of accounts, the auditor's report and the balance of the funds for deposit in the Consolidated Revenue Fund.*
- (3) If the Minister is satisfied that the board has carried out its duties under subsection (2) he shall dissolve the board and the district school area shall cease to exist as of the date that the district school area was declared inactive under subsection (1).*

The amendment to subsection 68 (1) makes it clear that it is the “board” that the Minister declares to be inactive in the circumstances described in the subsection and not the “area”. The amendments to subsections 68 (2) and (3) are complementary thereto.

SECTION 24. Clause 69 (2) (a) of the Act now reads as follows:

- (2) Where a secondary school district is established under subsection (1), the Lieutenant Governor in Council may make regulations providing for,*
- (a) the formation and composition of a secondary school board.*

The amendment provides a method for dissolving a board established under section 69 of the Act.

SECTION 25. The new subsection 74 (8) of the Act clarifies the authority of a divisional board to pay or to continue to pay an allowance to members of an advisory committee on schools for trainable retarded pupils who are not members of the board whether the board continues that committee and establishes a special education advisory committee or decides to expand the advisory committee on schools for trainable retarded pupils in the manner prescribed in subsection 182 (7). Members of a special education advisory committee will not be eligible to receive an allowance other than under subsection 74 (8).

Consistent with the amendment to subsection 167 (1) the size of the allowance is no longer regulated and is determined by the board in office from time to time.

SECTION 26. The amendment corrects a reference and moves the commencement date of a new combined separate school board forward one month to conform with the provisions of the *Municipal Elections Act*.

SECTION 27.—Subsection 1. The words deleted are redundant since the term of office of members of an urban separate school board are now set out in the *Municipal Elections Act*.

Subsection 2. The new subsection 90 (2a) of the Act provides for the term of office of trustees elected at the formation of an urban Roman Catholic separate school board under section 83 of the Act and provides that elections subsequent to those at the time of the formation are to be held under the *Municipal Elections Act*.

SECTION 28. The amendments are complementary to the amendment to subsection 90 (1) of the Act. (See section 27 of the Bill).

SECTION 29. The amendment makes the wording consistent with that of subclause 2 (a) (iv) of the *Municipal Elections Act*, thus ensuring that such Act governs the election of trustees of urban separate school boards.

SECTION 30. The clause, as amended, removes an inconsistency with the *Municipal Elections Act*.

A person who becomes eighteen years of age between the date of enumeration and polling day may now be enumerated as a separate school elector under this section as if he was eighteen years of age on enumeration day. Heretofore, such a person could be enumerated only as a public school elector or if he was a separate school supporter as a separate school elector.

SECTION 31. Subsections 97 (1) and (3) are re-enacted to remove the reference to a two year term of office and relate the term of office of the trustees to the time of the holding of regular elections under the *Municipal Elections Act*.

SECTION 32.—Subsection 1. Subclause 98 (1) (a) (ii) of the Act now reads as follows:

(a) to appoint the place of each annual school meeting of the supporters of the school, and the time and place of any special meeting for,

(ii) the selection of a new school site.

The re-enactment changes the purpose of the special meeting from the selection of a new school site to the approval of a site selected by the board for a new

school. This allows the original selection to be done by the board but retains the right of the supporters to approve or not approve such selection. It also limits such approval to the selection of the site of a new school rather than to the selection of any school site that includes a site that might be used for a residence, office, parking area, garden or other purpose.

Subsection 2. The proposed new subsection re-enacts a provision that was contained in subsection 36 (1) of *The Separate Schools Act* but was omitted in the consolidation of that Act in *The Education Act, 1974*. The inclusion of this subsection is necessary to make it clear that the approval of the supporters of the site selected for a new school is necessary before the board can proceed to acquire the site.

This amendment is complementary to section 48 of the Bill.

SECTION 33. The purpose of the amendment is to clarify the voting procedures at the election of a rural separate school board.

SECTION 34. Subsection 103 (1) is re-enacted to clarify the election procedures and the number of trustees to be elected where a new combined Roman Catholic separate school zone is formed or an existing combined Roman Catholic separate school zone is altered in either an election year or an off election year.

SECTION 35. Subsections 111 (2) and (3) of the Act now read as follows:

- (2) *A county combined separate school board that has jurisdiction in an area that includes two or more counties, or one county and a defined city is a corporation by the name of "The County Roman Catholic Separate School Board" (inserting the names of the counties, the name of the city and of the county or a name selected by the board and approved by the Minister).*
- (3) *A district combined separate school board that has jurisdiction in the territorial districts is a corporation by the name of "The Roman Catholic Separate School Board" (inserting the name of the area designated by the regulations).*

The amendment makes the wording of subsection 111 (3) of the Act consistent with the wording of subsection 111 (2) of the Act.

SECTION 36.—Subsection 1. The amendment permits the cancellation, reduction or refund of taxes on lands in territory without municipal organization in the same way as may be done by the council of an organized municipality and makes subsection 67 (12) apply in respect of such territory.

Complementary to the amendment to subsection 53 (1) of the Act (see section 14 of the Bill).

Subsection 2. The amendment will permit the establishment of a limitation on the increase or decrease, as the case may be, in taxes in territory without municipal organization that is deemed a district municipality under subsection (1), where the increase or decrease is caused by re-assessment.

SECTION 37. Subsection 113 (19) of the Act now reads as follows:

- (19) *The number of trustees of a county or district combined separate school board to be elected in a municipality shall be elected by a general vote of the separate school electors of such board in the municipality, provided that, where the number of trustees to be elected to the board by the separate school electors in the municipality is two or more, the council of the municipality may, by by-law, divide the municipality into two or*

more areas and provide for the election of one or more of such trustees by the separate school electors in each of such areas.

The amendment restricts the power of a municipal council to pass a by-law that divides a municipality into areas for the purpose of electing members to a county or district combined separate school board in a case where the board has so requested.

SECTION 38. This repeal is consistent with the repeal of subsection 59 (34) of the Act (see section 16 of the Bill).

SECTION 39. The amendment makes it clear that a board is required to carry out those duties imposed upon it by the Minister under section 8 of the Act.

SECTION 40.—Subsection 1. The amendment makes it clear that a board may appoint persons who are not members of the board to certain committees.

Subsection 2. Complementary to the amendment to subsection 8 (1) of the Act. (see subsection 3 (5) of the Bill).

SECTION 41. This amendment is complementary to the amendment to subsection 167 (1) of the Act (see section 47 of the Bill). The amount of an allowance, if any, payable to a member of an advisory committee for a vocational course is no longer related to the amount determined under subsection 167 (1) but may be determined from time to time by the board in office.

SECTION 42. The amendment ensures that when a sick leave gratuity is paid, the number of days used to calculate the amount of the gratuity are written off and not available for transfer or reinstatement under subsection 158 (2) of the Act.

SECTION 43. Section 164 of the Act now reads as follows:

164. A board may enter into an agreement with the Crown in right of Canada for such periods and under such conditions as are specified in the agreement whereby the board may provide for the education of pupils who reside on land held by the Crown in right of Canada in a school or schools operated by the board on land owned by the board or by the Crown in right of Canada.

The amendment makes it clear that the school in which instruction is provided under this section may be on an Indian reserve.

SECTION 44.—Subsection 1. Subsection 165 (1) of the Act now reads as follows:

(1) A board may enter into an agreement with the Crown in right of Canada for a period specified in the agreement to provide accommodation and tuition for the maximum number of Indian pupils agreed upon, and the fees therefor shall be calculated in accordance with the regulations.

Subsection 165 (1) is re-enacted to add permission for a board to make an agreement with a band, the council of the band or education authority where such band, the council of the band or education authority has been authorized by Canada to provide education for Indians.

The new subsection (1a) adds a new authority permitting a board to enter into an agreement to provide instruction and services on an Indian reserve.

Subsection 2. Subsection 165 (4) of the Act now reads as follows:

(4) *Where a board has entered into one or more agreements under this section, the council of the Indian band, or the councils of the Indian bands, to which the Indian pupils, or a majority of the Indian pupils, who are, pursuant to the agreement or agreements, enrolled in the schools operated by the board, belong, may, subject to subsection (5), name one person to represent on the board the interests of the Indian pupils and, where a person is so named, the board shall, subject to subsection (6), appoint the person a member of the board, and the member so appointed shall be deemed to be an elected member of the board, except that,*

(a) *where the agreement or agreements under this section are in respect of secondary school pupils only, the member so appointed is a trustee for secondary school purposes only and shall not vote on a motion or otherwise take part in any proceedings that affect public schools exclusively; and*

(b) *where the agreement or agreements under this section are in respect of elementary school pupils only, the member so appointed is a trustee for elementary school purposes only and shall not vote on a motion or otherwise take part in any proceedings that affect secondary schools exclusively.*

The deletion of the word “Indian” is consistent with the amendments in section 1 of the Bill.

Subsection 3. Subsection 165 (5) of the Act now reads as follows:

(5) *Where the number of Indian pupils enrolled in the schools under the jurisdiction of a divisional board or a county or district combined separate school board pursuant to one or more agreements made under this section exceeds 25 per cent of the average daily enrolment in the schools of the board, two persons may be named under subsection (4), and subsection (4) applies with necessary modifications in respect of such persons.*

The amendment permits a second Indian representative to be appointed to a district school area board and to a rural separate school board where the number of Indian pupils enrolled exceeds 25 per cent of the average daily enrolment of the board.

Subsection 4. The new subsection (6a) provides for the counting of Indians enrolled in schools on a reserve where a board provides the instruction, when determining Indian representation on a board.

SECTION 45. The new section 165a enables school boards to provide basic education programs for adults by agreements with colleges of applied arts and technology. Such programs may be in lieu of or in addition to those provided directly by boards.

SECTION 46.—Subsections 1 and 2. Subsection 166 (1) of the Act now reads as follows:

(1) *A board may provide for,*

(a) *a resident pupil of the board who is enrolled in a school that the board operates or in a school operated by another board to which the board pays fees in respect of such pupil;*

(b) *a pupil in respect of whom the Minister pays the cost of education under the regulations; and*

(c) *a child over two years of age who may, under the regulations, be admitted to a program for hearing-handicapped children,*

transportation to and from the school that the pupil attends and to and from an activity that is part of the program of such school.

The amendment to subsection 166 (1) and the enactment of subsection 166 (1a) has the effect of removing any doubt that a board may transport each of the pupils enrolled in its schools to and from an activity that is part of the program in the schools. It also enables a board that provides transportation of pupils to and from an activity to claim a grant in respect of the costs of such transportation regardless of the fact that some of those pupils may be enrolled in the schools of the board under an agreement with another board for their education under which fees are paid.

Subsection 3. The amendment makes provision for reimbursement of a parent for the cost of board, lodging and transportation where a pupil resides in a residence in a regional municipality, except The Regional Municipality of Sudbury, that is forty-eight kilometres or more from the school that he attends.

SECTION 47. Commencing with school boards elected in the year 1982 school board members and trustees and chairmen may receive an allowance as determined by the outgoing board. The allowances shall be determined for and be effective in the period the members of the new board are in office but may be decreased by the new board.

Where a board that is to be replaced at the regular election does not fix a new allowance, the existing allowances payable to members and chairman of the board shall continue until they are altered under the provisions of this section.

A newly formed board may determine its own first allowance.

SECTION 48.—Subsection 1. Subsection 171 (1) of the Act now reads as follows:

(1) *Subject to the provisions of Part IV as to the selection of a site by a rural separate school board, every board may acquire, by purchase or lease, or may expropriate, a school site that is within its area of jurisdiction.*

This amendment is complementary to the amendments to section 98 of the Act (see section 32 of the Bill) and clarifies the provisions to which this subsection is subject.

Subsection 2. This is consistent with the amendment to section 173 of the Act as set out in section 49 of the Bill.

SECTION 49.—Subsection 1. Subsections 173 (1) and (2) are rewritten for clarification. Lands acquired for a natural science program are a school site as defined in paragraph 53 of subsection 1 (1) of the Act. Section 171 authorizes school boards to acquire school sites without approval of the Minister where the sites are within the areas of jurisdiction of boards but requires approval of the Minister where a school site is situate outside the jurisdiction. As previously written, subsections 173 (1) and (2) appeared to be at variance with the concepts in section 171 where the land for a natural science program was situate outside the area of jurisdiction of the acquiring board.

The new subsection (1) will permit the requirements of section 171 to prevail where the school site is acquired for natural science programs under that section subject to the requirement of approval where construction of facilities is required.

The new subsection (1a) ensures that there is no interference with the constitutional rights of separate school boards.

The new subsection (1b) extends the authority provided in section 171 for boards to acquire a school site outside their area of jurisdiction where it is for the purpose of a natural science program but such authority is made subject to the approval of the Minister as to the acquisition and in respect of the construction of facilities.

Subsection (2) clarifies the previous authority of boards to share existing lands and facilities for conducting a natural science program and makes the principle of Ministerial approval apply where lands for such purpose are acquired outside the areas of jurisdiction of the boards who enter the agreement. Approval of the sharing agreement is required as is approval for construction.

Subsection 2. The amendment to subsection 173 (3) of the Act is complementary to the changes in subsections (1) (1a), (1b) and (2).

SECTION 50. This amendment is complementary to the amendment to subsection 74 (8) of the Act (see section 25 of the Bill).

SECTION 51. The subsection is revised to make clear that meetings of a board are always open to the public and that meetings of a committee, including a committee of the whole board, may be closed to the public only at such times when the subject-matter being discussed comes within one or more of the subject areas set out in the new subsection (1a).

SECTION 52. The declaration is amended to make it consistent with the declaration that is required to be given under the *Municipal Act*.

SECTION 53. The amendment makes it clear that the fact that a person is not entitled to vote at the election of a member of the board to be elected from a particular municipality or locality or combination thereof in the area of jurisdiction of the board does not disqualify the person to be elected as a member of the board in such municipality, locality or combination thereof.

SECTION 54. Clause 198 (2) (b) of the Act now reads as follows:

(2) *Subject to section 202, where, in respect of a board of education, the office of a member elected by separate school electors becomes vacant from any cause before the expiration of the term for which he was elected, and,*

(b) there are no remaining members elected by separate school electors or the remaining members elected by separate school electors are not a majority of the members elected by separate school electors, the vacancy shall be filled by appointment by the board of the separate school zone that had the highest average daily enrolment for the preceding year of pupils below the third year of the Intermediate Division who resided in the school division, as certified by the appropriate supervisory officer,

The amendment implements current policy of the Ministry in respect of terminology for designating grade levels.

SECTION 55. Under the *Municipal Elections Act* no by-election can be conducted to fill a vacancy after the 31st day of March in an election year. The new provision is similar to that in subsection 48 (2) of the *Municipal Act* and is necessary because no other provision exists under which a board could continue to operate because the number of members remaining in office is less than a quorum.

SECTION 56. Subsection 207 (1) of the Act now reads as follows:

- (1) *Every board shall appoint an auditor who shall be a person licensed by the Ministry of Intergovernmental Affairs as a municipal auditor and who shall hold office during good behaviour and be removable for cause upon the vote of two-thirds of the members of the board.*

The amendment excludes a board established on tax-exempt land from the requirement that its auditor be licensed as a municipal auditor under the *Municipal Affairs Act*.

The amendment also removes the requirement of a vote of two-thirds of the members of a board to remove an auditor, thus making the subsection consistent with the provisions of the *Municipal Act*.

SECTION 57. The purpose of the amendment is to ensure that no rateable property is exempt from school taxes.

SECTION 58. Subsection 216 (2) of the Act now reads as follows:

- (2) *The council of a municipality shall annually account for all moneys collected for school purposes, and any sum collected in excess of the amount required by a board to be raised by the municipality for such purposes shall, except where otherwise provided in the Act under which the sum is collected, be retained by the municipality and applied to reduce the amount that the municipality is required by such board to raise for such purposes in the year next following.*

The purpose of the amendment is to make it clear that subsection 167 (2) of the *Municipal Act* does not apply to any moneys collected by a municipality for school purposes that are surplus to the requirements of the school board for which it was collected.

The result of this amendment is to make subsection 216 (2) consistent with subsection 34 (3) of the *Assessment Act*, which section requires that taxes collected from assessment omitted from the roll by error and subsequently picked up, or from supplementary or new assessment that is subsequently added to the roll, are to be turned over to the board by the year end. The amendment also requires the municipality to hold for school purposes for the following year any moneys collected in excess of the amount required by the board.

SECTION 59. The amendment makes it clear that a person teaching on a letter of permission is required to perform the same duties as a qualified teacher.

SECTION 60. The amendment requires the chief executive officer of a board to submit an annual report to the board and to the Minister.

SECTION 61. The amendment gives provincial supervisory officers access to schools and board records, where the Minister so requires.

SECTION 62. Subsection 258 (2) of the Act now reads as follows:

- (2) *Where, after the first school day in September and on or before the 1st day of April next following, written evidence is presented to a board referred to in subsection (1) that a number of French-speaking pupils resident in the school section or separate school zone have elected to be taught in the French language, the board shall forthwith determine whether French-speaking pupils can be assembled for this purpose in one or more classes or groups of twenty-five or more and, where the board determines that such pupils can be so assembled, it shall provide for the use of the French language in instruction in such classes or groups commencing on the first school day of the following school year.*

The purpose of the amendment is to include the first school day in September in the time period referred to.

SECTION 63. Subsection 261 (2) of the Act now reads as follows:

- (2) *Where, after the first school day in September and on or before the 1st day of April next following, written evidence is presented to a board that a number of French-speaking pupils resident in the secondary school district have elected to be taught in the French language, the board shall forthwith determine whether French-speaking pupils can be assembled for this purpose in one or more classes or groups of twenty or more and, where the board determines that such pupils can be so assembled, it shall provide for the use of the French language in instruction in such classes or groups commencing on the first school day in the following school year.*

The purpose of the amendment is to include the first school day in September in the time period referred to.

SECTION 64.—Subsection 1. The amendment makes an elected member of a language advisory committee subject to the same disqualifications as a member of the board.

Subsection 2. Subsection 262 (4) of the Act now reads as follows:

- (4) *A member of a committee shall hold office during the term of the members of the board and until a new board is organized.*

The amendment extends the term of office of a member of a French-language advisory committee until his successor is appointed or elected.

SECTION 65. The new subsection (2) requires the new board to make its appointments to the committee by the date of the election referred to in subsection (1).

SECTION 66. The amendment provides for the orderly resignations of the elected members of a language advisory committee and ensures that the number of members of the committee shall never be less than a quorum.

SECTION 67. The subsection is re-enacted to clarify the circumstances in which members of a French-language advisory committee shall receive an allowance and removes the regulation of the amount of such allowance consistent with the principle that the allowance should be determined by the board in office from time to time.

SECTION 68. The subsection as re-enacted permits members to be appointed for a term of one, two or three years as determined by the Lieutenant Governor in Council. The purpose of the amendment is to permit flexibility and continuity in the making of appointments by staggering the terms of office of the members.

Subsection 275 (2) of the Act now reads as follows:

- (2) *Members of the Commission shall hold office for a term of three years, may be reappointed, and shall be paid such remuneration as may be determined by the Lieutenant Governor in Council.*

2ND SESSION, 32ND LEGISLATURE, ONTARIO
31 ELIZABETH II, 1982

An Act to amend the Education Act

THE HON. B. M. STEPHENSON
Minister of Education and Minister of Colleges and Universities

(Reprinted as amended by the Committee of the Whole House)

EXPLANATORY NOTES

SECTION 1.—Subsection 1. “band” and “council of the band” are defined in the Act for the first time since reference is now made to them in connection with agreements for the education of Indian pupils.

The definition of “credit” has been used for several years in regulations made under the Act and is now being included in the Act for convenience of reference.

A definition of “education authority” is required because of the use of this term in the Act.

The definition of “Indian” has been removed from subsection 11 (2) of the Act and now appears in the interpretation section.

Subsection 2. Paragraph 66 of subsection 1 (1) of the Act now reads as follows:

1.—(1) *In this Act and the regulations, except where otherwise provided in the Act or regulations,*

66. *“teacher” means a person who holds a valid certificate of qualification as a teacher in an elementary or a secondary school in Ontario.*

The amendment includes in the definition of teacher a person who holds a letter of standing. Such a person is always intended to be included when a teacher is spoken of in the Act and the regulations.

Subsection 3. The provisions of subsection 1 (3) of *The Education Act, 1974* were not included in the 1980 revision of the *Education Act*. Concern has been expressed that repeal of the provisions re-enacted by this section casts doubt upon the continuity of certain school jurisdictions, therefore the subsection is re-enacted retroactively to the coming into force of the Revised Statutes of Ontario, 1980.

SECTION 2. The amendment authorizes the Minister to delegate powers and duties to the Deputy Minister or to any officer in the Ministry of Education and provides that a contract entered into under such delegated authority is binding on the Crown.

SECTION 3.—Subsection 1. Clause 8 (1) (i) of the Act now reads as follows:

8.—(1) *The Minister may,*

(i) *grant a letter of standing to a person who is a qualified teacher in a jurisdiction outside Ontario and who holds academic and professional qualifications equivalent to those required in Ontario at the time of the issuing of the letter of standing.*

The purpose of the amendment is to permit the Minister to deem pupils of boards on co-operative education or work experience programs to be employees of Ontario to enable them to be eligible for compensation under the *Workmen's Compensation Act*.

The present clause (i) is repealed as the granting of letters of standing is dealt with by the regulations.

Subsection 2. Clause 8 (1) (m) of the Act now reads as follows:

8.—(1) *The Minister may,*

.

(m) suspend or cancel and reinstate any interim, temporary, permanent, special or other certificate of qualification or letter of standing.

The words being deleted by the amendment are made unnecessary by the new Ontario Teacher's Qualifications Regulation.

Subsection 3. Clause 8 (1) (p) of the Act now reads as follows:

8.—(1) *The Minister may,*

.

(p) provide or approve and review courses for teachers, principals and supervisory officers.

The purpose of the amendment is to authorize the Minister to provide or approve courses for attendance counsellors and native counsellors and to grant certificates to such persons.

Subsection 4. Clause 8 (1) (r) of the Act now reads as follows:

8.—(1) *The Minister may,*

.

(r) provide for, and prescribe the conditions of, the granting of scholarships, bursaries and awards to pupils.

The amendment authorizes the Minister to provide for and prescribe the conditions of the granting of bursaries to teachers.

Subsection 5. The amendment clarifies the authority of the Minister to issue guidelines with respect to school closings.

SECTION 4.—Subsection 1. Paragraph 11 of subsection 10 (1) of the Act now reads as follows:

10.—(1) *Subject to the approval of the Lieutenant Governor in Council, the Minister may make regulations in respect of schools or classes established under this Act, or any predecessor of this Act, and with respect to all other schools supported in whole or in part by public money,*

.

11. *governing the granting, suspending and cancelling of permanent, temporary, interim, special and other certificates of qualification, and letters of standing.*

The words being deleted by the amendment are made unnecessary by the new Ontario Teacher's Qualifications Regulation.

Subsection 2. The new paragraph 11a authorizes the making of regulations to provide for the issuing of the teacher's qualifications record cards and governing the qualifications that may be recorded thereon.

Subsection 3. Paragraph 24 of subsection 10 (1) of the Act now reads as follows:

10.—(1) *Subject to the approval of the Lieutenant Governor in Council, the Minister may make regulations in respect of schools or classes established under this Act, or any predecessor of this Act, and with respect to all other schools supported in whole or in part by public money,*

24. *prescribing the powers, duties and qualifications, and governing the appointment of, teachers, supervisors, directors, supervisory officers, heads of departments, principals, superintendents, bursars, matrons, school attendance counsellors and other officials.*

The purpose of the amendment is to update present terminology. The only bursars in the present system are employed in the Ontario Schools for the Blind and the Ontario Schools for the Deaf and these persons are now called business administrators. The persons formerly known as matrons in the same schools are now referred to as residence counsellors.

Subsection 4. Under the powers of a board to provide educational programs and activities, a board may have the power to engage in programs and activities that are, or may be, in competition with the private sector. The new paragraph 33 of subsection 10 (1) will enable regulations to be made to regulate and control or, where appropriate, to prohibit a board from engaging in such programs and activities.

Subsection 5. Clause 10 (8) (b) of the Act now reads as follows:

(8) *Subject to the approval of the Lieutenant Governor in Council, the Minister may make regulations,*

- (b) *prescribing the fee to be paid to the Ministry for duplicates of certificates of qualification and letters of standing.*

The amendment permits regulations to be made prescribing the fee to be paid for duplicates of Ontario Teacher's Qualifications Record Cards.

SECTION 5.—Subsection 1. Subsection 11 (2) of the Act now reads as follows:

- (2) *The Crown in right of Ontario, represented by the Minister, may make agreements with the Crown in right of Canada, represented by the Minister charged with the administration of the Indian Act (Canada), for the admission of pupils, other than Indians as defined in that Act, to schools for Indians operated under that Act.*

This amendment is complementary to subsection 1 (1) of the Bill.

Subsection 2. The new subsection (2a) permits Ontario to enter into an agreement with a band, council of the band or an education authority for the education of non-Indian pupils in schools operated by such band, the council of the band or education authority.

SECTION 6. Clause 12 (6) (g) of the Act now reads as follows:

(6) Subject to the approval of the Lieutenant Governor in Council, the Minister may, in addition to his powers under section 10, make regulations with respect to schools continued or established under this section,

(g) requiring a parent or guardian to deposit a sum of money with the bursar of a school for the purpose of defraying the personal incidental expenses of a pupil, and fixing the amount of the deposit.

The purpose of the amendment is to refer to the person formerly known as the bursar of an Ontario School for the Blind or an Ontario School for the Deaf as the business administrator.

SECTION 7. Subsection 25 (1) now implies that a warrant is needed to enter a dwelling place to remove therefrom a truant child. The words "without a warrant" are removed from the section as no such warrant exists.

SECTION 8. The amendment permits a judge to require a bond in addition to a fine for neglecting or refusing to cause a child to attend school. The original subsection provides that a bond can be imposed only in lieu of a fine.

SECTION 9. Subsection 30 (1) of the Act now reads as follows:

(1) Prosecutions under section 29 shall be instituted by the school attendance counsellor concerned and prosecutions under subsection 29 (1) shall be instituted in the Provincial Court (Family Division).

The amendment permits prosecutions under subsection 29 (1) to be instituted in the Unified Family Court where such a court has been established.

SECTION 10. This amendment is complementary to the amendment to section 48 of the Act. (See section 12 of the Bill).

SECTION 11. The purpose of the amendment is to ensure that where a college of applied arts and technology requires a certain course of study as a prerequisite, a student may attend another secondary school other than the one at which he is qualified to be a resident pupil in order to obtain credit for that course where the course is not offered at his own school.

SECTION 12. The new subsection (6) requires boards to charge gross fees to all pupils on student visas except participants in certain educational exchange programs, pupils who enrol prior to the 1st day of July, 1982 and a pupil who is in Canada while his parent or the person who has lawful custody of him is in Canada on a work visa, a diplomatic visa or a ministerial permit.

SECTION 13. The amendment makes it clear that an area that is deemed a district municipality ceases to be so deemed if it becomes part of a municipality.

SECTION 14.—Subsection 1. The amendment permits the cancellation, reduction or refund of taxes on lands in territory without municipal organization in the same way as by the council of an organized municipality and makes subsection 67 (12) of the Act apply in respect of such territory.

Subsection 2. The amendment will permit the establishment of a limitation on the increase or decrease, as the case may be, in taxes in territory without municipal organization that is deemed a district municipality, or in territory without municipal organization attached to a municipality, where the increase or decrease is caused by re-assessment.

SECTION 15.—Subsection 1. Complementary to the changes set out in subsection (3) of this section of the Bill.

Subsection 2. Clause 54 (1) (c) of the Act now reads as follows:

54.—(1) *The Lieutenant Governor in Council may, by regulation,*

(c) *dissolve a board of a school division or school section.*

The amendment makes it clear that the dissolution of the board of a school section under this section applies only in the case where the school section is to be included in a school division. The present provisions of sections 68 and 70 of the Act apply to other dissolutions.

Subsection 3. The amendment simplifies the process for changing the name of a board.

SECTION 16.—Subsection 1. Subsection 59 (23) of the Act now reads as follows:

(23) *The number of members to be elected in a municipality shall be elected by a general vote of the public school electors or separate school electors, as the case may be, in the municipality, provided that, where it is determined under this section that the number of members to be elected to the divisional board by the public school electors in a municipality or by the separate school electors in a municipality is two or more, the council of the municipality may, by by-law, divide the municipality into two or more areas and provide for the election of one or more of such members by the public school electors or separate school electors, as the case may be, in each of such areas.*

The amendment restricts the power of a municipal council to pass a by-law that divides a municipality into areas for the purpose of electing members to a divisional board in a case where the board has so requested.

Subsection 2. The requirements in this subsection are now dealt with in subsections 36 (3) and (4) of the *Municipal Elections Act*.

SECTION 17. This amendment is consistent with the repeal of subsection 59 (34) of the Act (see section 16 of the Bill).

SECTION 18. The amendment permits the making of a regulation to detach a portion from a district school area without adding the portion detached to or forming it into another district school area.

SECTION 19. Subsection 64 (5) is re-enacted to delete the reference to a two year term of office and to relate the term of office to the time of the holding of regular elections, under the *Municipal Elections Act*.

SECTION 20.—Subsection 1. The amendment to subsection 65 (1) of the Act is necessary to clarify that a first election of a district school area board may take place as set out in subsection 65 (4).

Subsection 2. Subsection 65 (4) of the Act is amended to make it clear that subsection 65 (4) applies to first elections and subsection 64 (5) applies to subsequent elections of a district school area board.

Subsection 3. This amendment is consistent with the amendment to section 100 of the Act (see section 33 of the Bill).

SECTION 21. Subsection 66 (1) of the Act now reads as follows:

- (1) *Notwithstanding section 65, before the 1st day of July in an election year, the board of a district school area may, by resolution approved at a meeting of the electors, determine that the board shall conduct the elections in the same manner as for the members of a divisional board of education, except that the members shall be elected by a general vote of the electors of the district school area and for such purposes subsection 53 (1) applies with necessary modifications to the district area board and to the officers of such board.*

The amendment corrects a reference to a district school area board referred to in subsection 62 (1) of the Act and makes it clear that the electors referred to in the subsection are public school electors.

SECTION 22. The new section 66a permits regulations to be made providing for the nomination of candidates, prescribing the manner of holding an election, the number of members to be elected and the areas each member is to represent where a district school area is formed under clause 62 (2) (b) of the Act.

SECTION 23. Subsections 68 (1), (2) and (3) of the Act now read as follows:

- (1) *Where the number of public school pupils of compulsory school age residing in a district school area is fewer than ten and the board has ceased to operate a school, the Minister may declare the district school area inactive as of the 31st day of December in any year.*
- (2) *When a district school area is declared to be inactive, the board shall liquidate its assets, settle its accounts and have them audited, and forward to the Ministry the audited statement of accounts, the auditor's report and the balance of the funds for deposit in the Consolidated Revenue Fund.*
- (3) *If the Minister is satisfied that the board has carried out its duties under subsection (2) he shall dissolve the board and the district school area shall cease to exist as of the date that the district school area was declared inactive under subsection (1).*

The amendment to subsection 68 (1) makes it clear that it is the "board" that the Minister declares to be inactive in the circumstances described in the subsection and not the "area". The amendments to subsections 68 (2) and (3) are complementary thereto.

SECTION 24. Clause 69 (2) (a) of the Act now reads as follows:

- (2) *Where a secondary school district is established under subsection (1), the Lieutenant Governor in Council may make regulations providing for,*
 - (a) *the formation and composition of a secondary school board.*

The amendment provides a method for dissolving a board established under section 69 of the Act.

SECTION 25. The new subsection 74 (8) of the Act clarifies the authority of a divisional board to pay or to continue to pay an allowance to members of an advisory committee on schools for trainable retarded pupils who are not members of the board whether the board continues that committee and establishes a special education advisory committee or decides to expand the advisory committee on schools for trainable retarded pupils in the manner prescribed in subsection 182 (7). Members of a special education advisory committee will not be eligible to receive an allowance other than under subsection 74 (8).

Consistent with the amendment to subsection 167 (1) the size of the allowance is no longer regulated and is determined by the board in office from time to time.

SECTION 26. The amendment corrects a reference and moves the commencement date of a new combined separate school board forward one month to conform with the provisions of the *Municipal Elections Act*.

SECTION 27.—Subsection 1. The words deleted are redundant since the term of office of members of an urban separate school board are now set out in the *Municipal Elections Act*.

Subsection 2. The new subsection 90 (2a) of the Act provides for the term of office of trustees elected at the formation of an urban Roman Catholic separate school board under section 83 of the Act and provides that elections subsequent to those at the time of the formation are to be held under the *Municipal Elections Act*.

SECTION 28. The amendments are complementary to the amendment to subsection 90 (1) of the Act. (See section 27 of the Bill).

SECTION 29. The amendment makes the wording consistent with that of subclause 2 (a) (iv) of the *Municipal Elections Act*, thus ensuring that such Act governs the election of trustees of urban separate school boards.

SECTION 30. The clause, as amended, removes an inconsistency with the *Municipal Elections Act*.

A person who becomes eighteen years of age between the date of enumeration and polling day may now be enumerated as a separate school elector under this section as if he was eighteen years of age on enumeration day. Heretofore, such a person could be enumerated only as a public school elector or if he was a separate school supporter as a separate school elector.

SECTION 31. Subsections 97 (1) and (3) are re-enacted to remove the reference to a two year term of office and relate the term of office of the trustees to the time of the holding of regular elections under the *Municipal Elections Act*.

SECTION 32.—Subsection 1. Subclause 98 (1) (a) (ii) of the Act now reads as follows:

(a) to appoint the place of each annual school meeting of the supporters of the school, and the time and place of any special meeting for,

(ii) the selection of a new school site.

The re-enactment changes the purpose of the special meeting from the selection of a new school site to the approval of a site selected by the board for a new

school. This allows the original selection to be done by the board but retains the right of the supporters to approve or not approve such selection. It also limits such approval to the selection of the site of a new school rather than to the selection of any school site that includes a site that might be used for a residence, office, parking area, garden or other purpose.

Subsection 2. The proposed new subsection re-enacts a provision that was contained in subsection 36 (1) of *The Separate Schools Act* but was omitted in the consolidation of that Act in *The Education Act, 1974*. The inclusion of this subsection is necessary to make it clear that the approval of the supporters of the site selected for a new school is necessary before the board can proceed to acquire the site.

This amendment is complementary to section 48 of the Bill.

SECTION 33. The purpose of the amendment is to clarify the voting procedures at the election of a rural separate school board.

SECTION 34. Subsection 103 (1) is re-enacted to clarify the election procedures and the number of trustees to be elected where a new combined Roman Catholic separate school zone is formed or an existing combined Roman Catholic separate school zone is altered in either an election year or an off election year.

SECTION 35. Subsections 111 (2) and (3) of the Act now read as follows:

(2) *A county combined separate school board that has jurisdiction in an area that includes two or more counties, or one county and a defined city is a corporation by the name of "The County Roman Catholic Separate School Board" (inserting the names of the counties, the name of the city and of the county or a name selected by the board and approved by the Minister).*

(3) *A district combined separate school board that has jurisdiction in the territorial districts is a corporation by the name of "The Roman Catholic Separate School Board" (inserting the name of the area designated by the regulations).*

The amendment makes the wording of subsection 111 (3) of the Act consistent with the wording of subsection 111 (2) of the Act.

SECTION 36.—Subsection 1. The amendment permits the cancellation, reduction or refund of taxes on lands in territory without municipal organization in the same way as may be done by the council of an organized municipality and makes subsection 67 (12) apply in respect of such territory.

Complementary to the amendment to subsection 53 (1) of the Act (see section 14 of the Bill).

Subsection 2. The amendment will permit the establishment of a limitation on the increase or decrease, as the case may be, in taxes in territory without municipal organization that is deemed a district municipality under subsection (1), where the increase or decrease is caused by re-assessment.

SECTION 37. Subsection 113 (19) of the Act now reads as follows:

(19) *The number of trustees of a county or district combined separate school board to be elected in a municipality shall be elected by a general vote of the separate school electors of such board in the municipality, provided that, where the number of trustees to be elected to the board by the separate school electors in the municipality is two or more, the council of the municipality may, by by-law, divide the municipality into two or*

more areas and provide for the election of one or more of such trustees by the separate school electors in each of such areas.

The amendment restricts the power of a municipal council to pass a by-law that divides a municipality into areas for the purpose of electing members to a county or district combined separate school board in a case where the board has so requested.

SECTION 38. This repeal is consistent with the repeal of subsection 59 (34) of the Act (see section 16 of the Bill).

SECTION 39. The amendment makes it clear that a board is required to carry out those duties imposed upon it by the Minister under section 8 of the Act.

SECTION 40.—Subsection 1. The amendment makes it clear that a board may appoint persons who are not members of the board to certain committees.

Subsection 2. Complementary to the amendment to subsection 8 (1) of the Act. (see subsection 3 (5) of the Bill).

SECTION 41. This amendment is complementary to the amendment to subsection 167 (1) of the Act (see section 47 of the Bill). The amount of an allowance, if any, payable to a member of an advisory committee for a vocational course is no longer related to the amount determined under subsection 167 (1) but may be determined from time to time by the board in office.

SECTION 42. The amendment ensures that when a sick leave gratuity is paid, the number of days used to calculate the amount of the gratuity are written off and not available for transfer or reinstatement under subsection 158 (2) of the Act.

SECTION 43. Section 164 of the Act now reads as follows:

164. A board may enter into an agreement with the Crown in right of Canada for such periods and under such conditions as are specified in the agreement whereby the board may provide for the education of pupils who reside on land held by the Crown in right of Canada in a school or schools operated by the board on land owned by the board or by the Crown in right of Canada.

The amendment makes it clear that the school in which instruction is provided under this section may be on an Indian reserve.

SECTION 44.—Subsection 1. Subsection 165 (1) of the Act now reads as follows:

(1) A board may enter into an agreement with the Crown in right of Canada for a period specified in the agreement to provide accommodation and tuition for the maximum number of Indian pupils agreed upon, and the fees therefor shall be calculated in accordance with the regulations.

Subsection 165 (1) is re-enacted to add permission for a board to make an agreement with a band, the council of the band or education authority where such band, the council of the band or education authority has been authorized by Canada to provide education for Indians.

The new subsection (1a) adds a new authority permitting a board to enter into an agreement to provide instruction and services on an Indian reserve.

Subsection 2. Subsection 165 (4) of the Act now reads as follows:

(4) *Where a board has entered into one or more agreements under this section, the council of the Indian band, or the councils of the Indian bands, to which the Indian pupils, or a majority of the Indian pupils, who are, pursuant to the agreement or agreements, enrolled in the schools operated by the board, belong, may, subject to subsection (5), name one person to represent on the board the interests of the Indian pupils and, where a person is so named, the board shall, subject to subsection (6), appoint the person a member of the board, and the member so appointed shall be deemed to be an elected member of the board, except that,*

(a) *where the agreement or agreements under this section are in respect of secondary school pupils only, the member so appointed is a trustee for secondary school purposes only and shall not vote on a motion or otherwise take part in any proceedings that affect public schools exclusively; and*

(b) *where the agreement or agreements under this section are in respect of elementary school pupils only, the member so appointed is a trustee for elementary school purposes only and shall not vote on a motion or otherwise take part in any proceedings that affect secondary schools exclusively.*

The deletion of the word "Indian" is consistent with the amendments in section 1 of the Bill.

Subsection 3. Subsection 165 (5) of the Act now reads as follows:

(5) *Where the number of Indian pupils enrolled in the schools under the jurisdiction of a divisional board or a county or district combined separate school board pursuant to one or more agreements made under this section exceeds 25 per cent of the average daily enrolment in the schools of the board, two persons may be named under subsection (4), and subsection (4) applies with necessary modifications in respect of such persons.*

The amendment permits a second Indian representative to be appointed to a district school area board and to a rural separate school board where the number of Indian pupils enrolled exceeds 25 per cent of the average daily enrolment of the board.

Subsection 4. The new subsection (6a) provides for the counting of Indians enrolled in schools on a reserve where a board provides the instruction, when determining Indian representation on a board.

SECTION 45. The new section 165a enables school boards to provide basic education programs for adults by agreements with colleges of applied arts and technology. Such programs may be in lieu of or in addition to those provided directly by boards.

SECTION 46.—Subsections 1 and 2. Subsection 166 (1) of the Act now reads as follows:

(1) *A board may provide for,*

(a) *a resident pupil of the board who is enrolled in a school that the board operates or in a school operated by another board to which the board pays fees in respect of such pupil;*

(b) *a pupil in respect of whom the Minister pays the cost of education under the regulations; and*

(c) *a child over two years of age who may, under the regulations, be admitted to a program for hearing-handicapped children,*

transportation to and from the school that the pupil attends and to and from an activity that is part of the program of such school.

The amendment to subsection 166 (1) and the enactment of subsection 166 (1a) has the effect of removing any doubt that a board may transport each of the pupils enrolled in its schools to and from an activity that is part of the program in the schools. It also enables a board that provides transportation of pupils to and from an activity to claim a grant in respect of the costs of such transportation regardless of the fact that some of those pupils may be enrolled in the schools of the board under an agreement with another board for their education under which fees are paid.

Subsection 3. The amendment makes provision for reimbursement of a parent for the cost of board, lodging and transportation where a pupil resides in a residence in a regional municipality, except The Regional Municipality of Sudbury, that is forty-eight kilometres or more from the school that he attends.

SECTION 47. Commencing with school boards elected in the year 1982 school board members and trustees and chairmen may receive an allowance as determined by the outgoing board. The allowances shall be determined for and be effective in the period the members of the new board are in office but may be decreased by the new board.

Where a board that is to be replaced at the regular election does not fix a new allowance, the existing allowances payable to members and chairman of the board shall continue until they are altered under the provisions of this section.

A newly formed board may determine its own first allowance.

SECTION 48.—Subsection 1. Subsection 171 (1) of the Act now reads as follows:

(1) *Subject to the provisions of Part IV as to the selection of a site by a rural separate school board, every board may acquire, by purchase or lease, or may expropriate, a school site that is within its area of jurisdiction.*

This amendment is complementary to the amendments to section 98 of the Act (see section 32 of the Bill) and clarifies the provisions to which this subsection is subject.

Subsection 2. This is consistent with the amendment to section 173 of the Act as set out in section 49 of the Bill.

SECTION 49.—Subsection 1. Subsections 173 (1) and (2) are rewritten for clarification. Lands acquired for a natural science program are a school site as defined in paragraph 53 of subsection 1 (1) of the Act. Section 171 authorizes school boards to acquire school sites without approval of the Minister where the sites are within the areas of jurisdiction of boards but requires approval of the Minister where a school site is situate outside the jurisdiction. As previously written, subsections 173 (1) and (2) appeared to be at variance with the concepts in section 171 where the land for a natural science program was situate outside the area of jurisdiction of the acquiring board.

The new subsection (1) will permit the requirements of section 171 to prevail where the school site is acquired for natural science programs under that section subject to the requirement of approval where construction of facilities is required.

The new subsection (1a) ensures that there is no interference with the constitutional rights of separate school boards.

The new subsection (1b) extends the authority provided in section 171 for boards to acquire a school site outside their area of jurisdiction where it is for the purpose of a natural science program but such authority is made subject to the approval of the Minister as to the acquisition and in respect of the construction of facilities.

Subsection (2) clarifies the previous authority of boards to share existing lands and facilities for conducting a natural science program and makes the principle of Ministerial approval apply where lands for such purpose are acquired outside the areas of jurisdiction of the boards who enter the agreement. Approval of the sharing agreement is required as is approval for construction.

Subsection 2. The amendment to subsection 173 (3) of the Act is complementary to the changes in subsections (1) (1a), (1b) and (2).

SECTION 50. This amendment is complementary to the amendment to subsection 74 (8) of the Act (see section 25 of the Bill).

SECTION 51. The subsection is revised to make clear that meetings of a board are always open to the public and that meetings of a committee, including a committee of the whole board, may be closed to the public only at such times when the subject-matter being discussed comes within one or more of the subject areas set out in the new subsection (1a).

SECTION 52. The declaration is amended to make it consistent with the declaration that is required to be given under the *Municipal Act*.

SECTION 53. The amendment makes it clear that the fact that a person is not entitled to vote at the election of a member of the board to be elected from a particular municipality or locality or combination thereof in the area of jurisdiction of the board does not disqualify the person to be elected as a member of the board in such municipality, locality or combination thereof.

SECTION 54. Clause 198 (2) (b) of the Act now reads as follows:

(2) *Subject to section 202, where, in respect of a board of education, the office of a member elected by separate school electors becomes vacant from any cause before the expiration of the term for which he was elected, and,*

(b) there are no remaining members elected by separate school electors or the remaining members elected by separate school electors are not a majority of the members elected by separate school electors, the vacancy shall be filled by appointment by the board of the separate school zone that had the highest average daily enrolment for the preceding year of pupils below the third year of the Intermediate Division who resided in the school division, as certified by the appropriate supervisory officer,

The amendment implements current policy of the Ministry in respect of terminology for designating grade levels.

SECTION 55. Under the *Municipal Elections Act* no by-election can be conducted to fill a vacancy after the 31st day of March in an election year. The new provision is similar to that in subsection 48 (2) of the *Municipal Act* and is necessary because no other provision exists under which a board could continue to operate because the number of members remaining in office is less than a quorum.

SECTION 56. Subsection 207 (1) of the Act now reads as follows:

- (1) *Every board shall appoint an auditor who shall be a person licensed by the Ministry of Intergovernmental Affairs as a municipal auditor and who shall hold office during good behaviour and be removable for cause upon the vote of two-thirds of the members of the board.*

The amendment excludes a board established on tax-exempt land from the requirement that its auditor be licensed as a municipal auditor under the *Municipal Affairs Act*.

The amendment also removes the requirement of a vote of two-thirds of the members of a board to remove an auditor, thus making the subsection consistent with the provisions of the *Municipal Act*.

SECTION 57. Subsection 216 (2) of the Act now reads as follows:

- (2) *The council of a municipality shall annually account for all moneys collected for school purposes, and any sum collected in excess of the amount required by a board to be raised by the municipality for such purposes shall, except where otherwise provided in the Act under which the sum is collected, be retained by the municipality and applied to reduce the amount that the municipality is required by such board to raise for such purposes in the year next following.*

The purpose of the amendment is to make it clear that subsection 167 (2) of the *Municipal Act* does not apply to any moneys collected by a municipality for school purposes that are surplus to the requirements of the school board for which it was collected.

The result of this amendment is to make subsection 216 (2) consistent with subsection 34 (3) of the *Assessment Act*, which section requires that taxes collected from assessment omitted from the roll by error and subsequently picked up, or from supplementary or new assessment that is subsequently added to the roll, are to be turned over to the board by the year end. The amendment also requires the municipality to hold for school purposes for the following year any moneys collected in excess of the amount required by the board.

SECTION 58. The amendment makes it clear that a person teaching on a letter of permission is required to perform the same duties as a qualified teacher.

SECTION 59. The amendment requires the chief executive officer of a board to submit an annual report to the board and to the Minister.

SECTION 60. The amendment gives provincial supervisory officers access to schools and board records, where the Minister so requires.

SECTION 61. Subsection 258 (2) of the Act now reads as follows:

- (2) *Where, after the first school day in September and on or before the 1st day of April next following, written evidence is presented to a board referred to in subsection (1) that a number of French-speaking pupils resident in the school section or separate school zone have elected to be taught in the French language, the board shall forthwith determine whether French-speaking pupils can be assembled for this purpose in one or more classes or groups of twenty-five or more and, where the board determines that such pupils can be so assembled, it shall provide for the use of the French language in instruction in such classes or groups commencing on the first school day of the following school year.*

The purpose of the amendment is to include the first school day in September in the time period referred to.

SECTION 62. Subsection 261 (2) of the Act now reads as follows:

- (2) *Where, after the first school day in September and on or before the 1st day of April next following, written evidence is presented to a board that a number of French-speaking pupils resident in the secondary school district have elected to be taught in the French language, the board shall forthwith determine whether French-speaking pupils can be assembled for this purpose in one or more classes or groups of twenty or more and, where the board determines that such pupils can be so assembled, it shall provide for the use of the French language in instruction in such classes or groups commencing on the first school day in the following school year.*

The purpose of the amendment is to include the first school day in September in the time period referred to.

SECTION 63.—Subsection 1. The amendment makes an elected member of a language advisory committee subject to the same disqualifications as a member of the board.

Subsection 2. Subsection 262 (4) of the Act now reads as follows:

- (4) *A member of a committee shall hold office during the term of the members of the board and until a new board is organized.*

The amendment extends the term of office of a member of a French-language advisory committee until his successor is appointed or elected.

SECTION 64. The new subsection (2) requires the new board to make its appointments to the committee by the date of the election referred to in subsection (1).

SECTION 65. The amendment provides for the orderly resignations of the elected members of a language advisory committee and ensures that the number of members of the committee shall never be less than a quorum.

SECTION 66. The subsection is re-enacted to clarify the circumstances in which members of a French-language advisory committee shall receive an allowance and removes the regulation of the amount of such allowance consistent with the principle that the allowance should be determined by the board in office from time to time.

SECTION 67. The subsection as re-enacted permits members to be appointed for a term of one, two or three years as determined by the Lieutenant Governor in Council. The purpose of the amendment is to permit flexibility and continuity in the making of appointments by staggering the terms of office of the members.

Subsection 275 (2) of the Act now reads as follows:

- (2) *Members of the Commission shall hold office for a term of three years, may be reappointed, and shall be paid such remuneration as may be determined by the Lieutenant Governor in Council.*

2ND SESSION, 32ND LEGISLATURE, ONTARIO
31 ELIZABETH II, 1982

An Act to amend the Farm Products Marketing Act

MR. RIDDELL

EXPLANATORY NOTE

The purpose of the Bill is to prohibit unfair practices in the marketing of farm products in Ontario. These unfair practices include the arrangement of price advantages in the form of rebates, discounts or allowances between some sellers of a farm product and some buyers of the farm product to the exclusion of other buyers and sellers of the same product. The effect of these practices is to work hardship upon the buyers and sellers who are excluded from these arrangements and eventually to reduce the level of competition in the market for the farm product.

Provision is made in the Bill for orders for compliance, assurances of voluntary compliance and enforcement of orders and assurances.

BILL 47

1982

An Act to amend the Farm Products Marketing Act

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. The *Farm Products Marketing Act*, being chapter 158 of the Revised Statutes of Ontario, 1980, is amended by adding thereto the following Part: Part II
(ss. 23-38),
enacted

PART II

UNFAIR FARM PRODUCT MARKETING PRACTICES

24. In this Part,

Interpre-
tation

- (a) "buyer" means a person who buys in the course of carrying on business and does not include a consumer;
- (b) "farm product" has the same meaning as in section 1 but does not include wool, tobacco and wood.

25. The purpose of this Part is to promote fair farm product marketing practices amongst persons engaged in the producing, marketing, processing or retailing of farm products. Purpose

26. No person carrying on business in Ontario shall engage in an unfair farm product marketing practice. Prohibition

27.—(1) For the purposes of this Part, the following shall be deemed to be unfair farm product marketing practices: Unfair farm
product
marketing
practices

1. The requirement by a buyer of a farm product, as a condition of doing business, that a seller of the farm product grant or offer to the buyer a marketing advantage in the nature of a discount, rebate, allowance or price concession over and above any discount, rebate, allowance or price concession made available at the

same time to other buyers who offer to purchase the farm product under substantially the same terms and conditions of sale and delivery.

2. The granting or offering by a seller of a farm product of a marketing advantage in the nature of a discount, rebate, allowance or price concession to a buyer of the farm product over and above any discount, rebate, allowance or price concession made available at the same time to other buyers who offer to purchase the same farm product under substantially the same terms and conditions of sale and delivery.
3. The requirement by a buyer of a farm product, as a condition of doing business, that a seller of the farm product grant or offer to the buyer a marketing advantage in the nature of a discount, rebate, allowance or price concession as consideration for services provided by the buyer to the seller where the cost of the services provided by the buyer does not approximately equal the value of the marketing advantage granted or offered by the seller.
4. The granting or offering by a seller of a farm product to a buyer of the farm product of a marketing advantage in the nature of a discount, rebate, allowance or price concession as consideration for services provided by the buyer to the seller where the seller has reason to believe that the cost of the services provided by the buyer to the seller do not approximately equal the value of the marketing advantage granted or offered by the seller.

Justified
price
differences

(2) For the purposes of this Part, where a seller of farm products sells or offers to sell farm products of like quality and quantity at the same time at different prices, the seller does not engage in an unfair farm product marketing practice if differences in the price of the farm product are attributable to,

- (a) differences in the cost of producing, processing or marketing the farm product;
- (b) a necessity to offer the farm product at a low price to a buyer in order to match an equally low price offered to the buyer by a competitor of the seller.

Construction

(3) This Part shall not be construed to prohibit the establishment of price differences from time to time arising in response to changed conditions affecting the market for or the marketability of a farm product including,

- (a) the actual or imminent deterioration of a perishable farm product;
- (b) the sale of a farm product by order of a court;
- (c) the sale of a farm product upon the winding up, bankruptcy or discontinuance of a business.

(4) This Part shall not be construed to prohibit a co-operative association, credit union, caisse populaire or co-operative credit society from returning to its members, suppliers or customers the whole or any part of the net surplus made in its operations in proportion to the acquisition or supply of farm products from or to such members, suppliers or customers. Idem

28. The Board shall appoint one of its officers to act as a Director for the purposes of this Part. Director

29.—(1) Where the Director believes on reasonable and probable grounds that any person is engaging or has engaged in an unfair farm product marketing practice, the Director shall order such person to comply with section 26 in respect of the unfair practice specified in the order. Order to cease unfair practice

(2) Where the Director proposes to make an order under subsection (1), he shall serve notice of his proposal on each person to be named in the order together with reasons therefor. Notice of proposal

(3) A notice under subsection (2) shall inform each person to be named in the order that he is entitled to a hearing by the Board if he mails or delivers within fifteen days after the notice under subsection (2) is served on him notice in writing to the Board that he wishes a hearing. Request for hearing

(4) Where a person upon whom a notice is served under subsection (2) does not require a hearing by the Board in accordance with subsection (3), the Director may carry out the proposal stated in the notice. Failure to request hearing

(5) Where a person requires a hearing by the Board in accordance with subsection (3), the Board shall appoint a time for and hold the hearing and, on the application of the Director at the hearing, may by order direct the Director to carry out his proposal and to take such action as the Board considers the Director ought to take in accordance with this Part and for such purposes the Board may substitute its opinion for that of the Director. Hearing

(6) The Board may attach such terms and conditions to its order as it considers proper to give effect to the purpose of this Part. Conditions

- Parties (7) The Director and the person who has required the hearing and such other persons as the Board may specify are parties to proceedings before the Board under this section.
- Stay 30. Where an appeal is taken from an order of the Board made under section 29, the order takes effect immediately but the Board may grant a stay until the disposition of the appeal.

31 ELIZABETH II, 1982

**An Act to provide for the Institution of Complaints for Certain
Assessments made in the Year 1981 in the City of Toronto**

THE HON. G. L. ASHE
Minister of Revenue

EXPLANATORY NOTE

The purpose of the Bill is to deem assessment complaints to have been lodged by owners or tenants of properties the assessment roll numbers of which are set out in the Schedule. The assessment roll numbers set out in the Schedule are for residential properties in the City of Toronto the assessed value of which (as shown in the assessment roll returned in 1981) increased over the previous assessed value. The properties indicated in this Schedule are those for which no complaint under the *Assessment Act* was made within the time provided by the Act. This Act deems complaints to have been made with respect to the assessed values of those properties without the necessity of a formal notice of complaint.

Section 2 of the Bill provides that the Minister of Revenue will give to the regional registrar of the Assessment Review Court the names and addresses of those deemed by this Act to have complained about their assessments. The regional registrar will then be able to comply with the provisions of the *Assessment Act* to give notice to the complainant of the time and place where his complaint will be heard.

Section 3 of the Bill provides that the assessment commissioner is to inform by mail each complainant to whom this Bill applies of his right to have his assessment reviewed by the Assessment Review Court.

Section 7 of the Bill provides a procedure whereby the Minister of Revenue, by regulation, may remedy the inadvertent omission from the Schedule to the Bill of any real property that should have been included in the Schedule.

BILL 60

1982

**An Act to provide for the Institution of
Complaints for Certain Assessments made in
the Year 1981 in the City of Toronto**

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

- 1.** Each owner or tenant, as the case may be, who on the 12th day of January, 1982, owned or occupied real property the assessed value of which was shown on the assessment roll for the City of Toronto returned on the 22nd day of December, 1981 under an assessment roll number set out in the Schedule hereto is deemed to have given to the proper regional registrar of the Assessment Review Court a notice in writing referred to in subsections 39 (1) and (3) of the *Assessment Act* that such owner or tenant, as the case may be, considers himself aggrieved as having been assessed too high with respect to the real property the assessment of which is shown in such assessment roll under the assessment roll number set out in the Schedule hereto.
- Complaints deemed instituted

- Minister to provide complainants' addresses
- 3.** The assessment commissioner for the City of Toronto, as soon as is reasonably practicable after the coming into force of this Act, shall inform in writing by ordinary mail each person deemed by section 1 or by a regulation made under this Act to have given notice in writing under section 1 of that person's entitlement under this Act to have his assessment (the assessment roll number of which is shown in the Schedule hereto or in a regulation made under this Act) heard and disposed of by the Assessment Review Court.

the Minister of Revenue may make regulations providing that the owner or tenant, as the case may be, of such parcels so omitted from the Schedule hereto shall be deemed to have given the notice in writing described in section 1, and the regulation shall specify the roll number of such parcel as shown in the assessment roll returned for the City of Toronto on the 22nd day of December, 1981, and upon the filing of the regulation, this Act

2ND SESSION, 32ND LEGISLATURE, ONTARIO
31 ELIZABETH II, 1982

An Act to amend the Planning Act

MR. PHILIP

EXPLANATORY NOTE

The Bill gives additional enforcement powers to municipalities that have enacted property standards by-laws. Such municipalities may add the cost of correcting violations of the by-law to the owner's property tax bill and may enact by-laws authorizing tenants to pay rent to the municipality rather than to the owner until an order to repair has been complied with. Property standards officers may have immediate repairs carried out in emergency situations.

An Act to amend the Planning Act

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1.—(1) Subsection 43 (3) of the *Planning Act*, being chapter 379 of the Revised Statutes of Ontario, 1980, is amended by adding thereto the following clause:

s. 43 (3),
amended

(f) for directing any occupant of a property named in an order that has been confirmed or modified under this section to pay his rent to the treasurer of the municipality until the order has been complied with, and for providing that such rent shall be applied by the municipality to reduce the amount of any lien against the property under subsection (21a) or (21j) and for providing that any balance held by the treasurer of the municipality shall be paid to the owner when the order has been complied with.

(2) The said section 43 is amended by adding thereto the following subsections:

s. 43 (21a-21j)
enacted

(21a) Where the municipality has exercised its right to demolish or repair under subsection (21), the municipality has a lien or charge upon the lands named in the order for the amount, as certified by the clerk of the municipality, expended by or on behalf of the municipality in connection with the demolition or repair.

Lien for
cost of
demolition
or repair

(21b) The amount of a lien or charge created under subsection (21a) may be added by the clerk of the municipality to the collector's roll and collected in the same manner as municipal taxes over a period fixed by the council and is a lien and charge upon the lands named in the order until paid.

Enforcement
of lien

(21c) Where upon inspection the officer is satisfied that a violation of the standards prescribed in the by-law poses an

Emergency
order

immediate danger to the health or safety of any person, the officer may make an order requiring the violation to be corrected immediately.

Power to
repair

(21*d*) Upon the making of an order under subsection (21*c*), before the order is served, confirmed or modified in accordance with this section, the officer may immediately take or cause to be taken any measures the officer considers necessary to correct the violation, and the municipality in addition to all other remedies,

- (a) has the right to repair the property to correct the violation and for this purpose with its servants and agents from time to time to enter in and upon the property; and
- (b) is not liable to compensate the owner, occupant or any other person having an interest in the property by reason of anything done by or on behalf of the municipality under this subsection, including anything done without notice to such persons.

Service of
order

(21*e*) As soon as possible after a violation is corrected under subsection (21*d*), the officer shall serve or cause to be served copies of the order in accordance with subsections (7), (8) and (9) and may, at the same time, provide all occupants with a copy of the order.

Contents
of order

(21*f*) An order made under subsection (21*c*) shall contain,

- (a) the municipal address or a local description of the property;
- (b) particulars of the violation and reasons why the officer believes the violation poses an immediate danger to the health or safety of any person; and
- (c) notice of the provisions of subsections (21*g*), (21*h*), (21*i*) and (21*j*),

and shall have attached thereto a statement by the officer setting out the measures taken by the municipality and the amount expended in doing so.

Application
to committee

(21*g*) Upon service of an order made under subsection (21*c*), the officer shall apply to the committee for confirmation of the order.

Committee's
decision

(21*h*) Upon an officer's application under subsection (21*g*), the committee shall,

- (a) give every person upon whom the order was served a reasonable opportunity to make representations; and
- (b) if any person upon whom the order was served so requests in writing, inspect the property in the presence of that person,

and shall confirm or refuse to confirm the order.

(21i) The municipality or the owner of the property affected by a decision of the committee under subsection (21h) may appeal the decision in the manner and within the time set out in subsection (19). Appeal

(21j) Where an order made under subsection (21c) is confirmed by the committee and not appealed, or where on appeal the order is confirmed by the judge, the municipality has a lien or charge upon the lands named in the order for the amount expended by or on behalf of the municipality, enforceable as provided in subsections (21a) and (21b). Lien if
order

2ND SESSION, 32ND LEGISLATURE, ONTARIO
31 ELIZABETH II, 1982

An Act to amend the Highway Traffic Act

THE HON. J. W. SNOW
Minister of Transportation and Communications

EXPLANATORY NOTES

The Bill revises the current system of registering vehicles and assigning number plates to vehicles.

A permit will be issued consisting of a vehicle portion that will tie number plates to a vehicle and a plate portion that will tie the same number plates to a person. Upon the vehicle being sold or otherwise transferred, the transferor will remove the plates from the vehicle and will retain the plate portion of the permit. The vehicle portion of the permit will be turned over to the transferee. The transferee will either affix his plates to the vehicle or obtain plates from the Ministry. In either case, he would surrender the vehicle portion of the permit and receive a new permit tying those plates to the vehicle and to him. Provision is made to allow a transferee six days to obtain a new permit.

Number plates, therefore, will never be transferred although any person may have several different number plates.

Permits, except for trailers, will continue to require periodic validation.

Provision is made for the issuing of various types of permits, such as, an unfit vehicle permit or a permit that is not validated, which will provide evidence of registration of the vehicle in the name of the owner but not permit the operation of the vehicle on the highway.

Provision is made for exemptions, by regulation, from provisions of the Bill and would deal with matters, such as, estate transfers and transfers by car dealers.

Provision is made in respect of vehicles that are leased for a year or more.

The Ministry will have authority to refuse to validate a permit where the applicant is in default of payment of parking fines or is indebted for vehicle-related fees or taxes.

Drivers will be required to carry the vehicle permit or a copy thereof and to surrender it to the police, on demand, for inspection.

An Act to amend the Highway Traffic Act

THE HON. J. W. SNOW
Minister of Transportation and Communications

(Reprinted as amended by the Committee of the Whole House)

EXPLANATORY NOTES

The Bill revises the current system of registering vehicles and assigning number plates to vehicles.

A permit will be issued consisting of a vehicle portion that will tie number plates to a vehicle and a plate portion that will tie the same number plates to a person. Upon the vehicle being sold or otherwise transferred, the transferor will remove the plates from the vehicle and will retain the plate portion of the permit. The vehicle portion of the permit will be turned over to the transferee. The transferee will either affix his plates to the vehicle or obtain plates from the Ministry. In either case, he would surrender the vehicle portion of the permit and receive a new permit tying those plates to the vehicle and to him. Provision is made to allow a transferee six days to obtain a new permit.

Number plates, therefore, will never be transferred although any person may have several different number plates.

Permits, except for trailers, will continue to require periodic validation.

Provision is made for the issuing of various types of permits, such as, an unfit vehicle permit or a permit that is not validated, which will provide evidence of registration of the vehicle in the name of the owner but not permit the operation of the vehicle on the highway.

Provision is made for exemptions, by regulation, from provisions of the Bill and would deal with matters, such as, estate transfers and transfers by car dealers.

Provision is made in respect of vehicles that are leased for a year or more.

The Ministry will have authority to refuse to validate a permit where the applicant is in default of payment of parking fines or is indebted for vehicle-related fees or taxes.

Drivers will be required to carry the vehicle permit or a copy thereof and to surrender it to the police, on demand, for inspection.

(Private Member's Bill)

2ND SESSION, 32ND LEGISLATURE, ONTARIO
31 ELIZABETH II, 1982

**An Act to revise the Municipal Interest and Discount
Rates Act, 1981**

THE HON. C. BENNETT
Minister of Municipal Affairs and Housing

EXPLANATORY NOTE

The Bill revises the *Municipal Interest and Discount Rates Act, 1981* which provides municipalities and local boards with a method of imposing higher charges and charging higher interest on overdue payments owed to them and of allowing greater discounts on payments made in advance to them than may be charged or allowed under such Acts as the *Municipal Act*, the *Education Act* or the *Assessment Act*. The Act applies if a municipality or local board is empowered under some other statute to impose charges and charge interest on overdue payments or to allow discounts on payments made in advance.

The principal features of the Bill are as follows:

1. Municipalities and local boards will be authorized to establish the rates of the charges, interest and discounts to be imposed or allowed in respect of taxes or other payments in December of any year if the by-law comes into force at any time between January 1st and March 31st of the next year. At present, the charges, interest and discounts that may be made applicable to any whole year must be fixed in that year.
2. At present, the maximum rate that a municipality or local board may fix in respect of charges, interest or discounts is based on the highest prime rate of a Canadian bank on the day that the municipality or local board passes its by-law fixing the rate. The Bill will allow the municipality to choose the highest prime rate of a Canadian bank either on the day the by-law fixing the rate is passed or on any other day not more than fourteen days prior to the day the by-law is passed.
3. Municipalities and local boards will be allowed not only to lower their interest rates and charges in the year for which they were fixed but to subsequently raise them back up to the rate initially fixed. At present, the rates and charges fixed for any year may only be lowered in that year.

Conversely discount rates may be increased in the year for which they were fixed and then subsequently may be decreased to the rate initially fixed. At present, such rates can only be increased in the year for which they are fixed.

4. Where a municipality, during any year, alters the charges, interest rates or discount rates imposed or allowed on taxes levied for the year, the municipality will be allowed to give notice to the taxpayers by publishing a notice of the new rates in a newspaper having general circulation in the municipality. The new rate will come into effect on the 1st day of the month next following the publishing of the notice or on such other day following the publishing of the notice as the council specifies in the by-law.

At present, notice would have to be given by mailing a printed notice to each taxpayer and the taxpayers would not be subject to the new rates until fourteen days following the mailing of the notices.

5. Municipalities will be allowed to pay interest at such rate as they wish on tax overpayments returned to a taxpayer following the successful conclusion of the taxpayers assessment appeal. At present, municipalities are not allowed to pay interest on such overpayments.

An Act to amend the Public Utilities Act

THE HON. C. BENNETT
Minister of Municipal Affairs and Housing

EXPLANATORY NOTES

SECTION 1. Subsection 30 (1) of the Act as it now reads is set out below showing underlined the words to be deleted by the proposed re-enactment:

- (1) *The amount payable to a municipal corporation or to a public utility or hydro-electric commission of a municipality or to Ontario Hydro for a period not exceeding three months by the owner or occupant of any lands for the public utility supplied to him for use thereon is a lien and charge upon the estate or interest in such land of the person by whom the amount is due, and may be collected by distress upon the goods and chattels of the person and by the sale of his estate and interest in the lands and in the case of an amount payable by the owner of lands, the amount is a lien and charge upon the lands in the same manner and to the same extent as municipal taxes upon land.*

The effect is to exclude Ontario Hydro from the application of the subsection and to remove the three-month limitation period on the amount of arrears that constitutes a lien. Ontario Hydro has a similar lien under section 73 of the *Power Corporation Act* in respect of amounts owing to it for the supply of power and the reference to it in this section of the *Public Utilities Act* is accordingly unnecessary.

SECTION 2. This section of the Bill makes the re-enacted subsection of the Act applicable to all amounts payable on the day the Act comes into force and to all amounts that become payable thereafter.

An Act to amend the Legislative Assembly Act

MR. SWART

EXPLANATORY NOTE

The purpose of the proposed section 1 is to provide that the Legislature sit part of every month during the year instead of the current policy whereby it may sit continuously for a four-month period in the spring and two months in the fall and be recessed or adjourned for the rest of the year.

The proposed section 2 declares that the designations "Member of the Legislative Assembly" and "M.L.A." are the official designations of persons who are elected to the Legislative Assembly. It provides that only members of the Legislative Assembly are entitled to use either of the official designations in association with themselves while sitting as elected members of the Assembly and during the succeeding election period. The intent is to have the designation conform more closely to designations used in other provinces and to eliminate confusion between the designations M.P.P. and M.P.

An Act to amend the Legislative Assembly Act

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. Section 4 of the *Legislative Assembly Act*, being chapter 235 of the Revised Statutes of Ontario, 1980, is repealed and the following substituted therefor: s. 4,
re-enacted

4.—(1) There shall be a session of the Legislature once at least in every year, and not more than one calendar month shall intervene between the last sitting of the Legislature in one session and its first sitting in the next. Yearly
session

(2) During session, the Legislature shall sit at least once every month so that one calendar month does not intervene between one sitting and the next. Monthly
sittings

2. The said Act is amended by adding thereto the following section: s. 17a,
enacted

17a.—(1) The designations “Member of the Legislative Assembly” and “M.L.A.” shall be the official designations of a person who is elected to the Assembly and no person shall use either of the official designations in association with himself or otherwise purport to be a member of the Assembly unless that person is an elected member of the Assembly. Official
designation
of members

(2) Nothing in subsection (1) prohibits a person who is a member of the Assembly from using the official designation “Member of the Legislative Assembly” or “M.L.A.” during the election period immediately following the dissolution of the Legislature to which the person was elected but that person is not entitled to use either of the official designations after the polling day in the election unless the person has been elected to the succeeding Legislature. 31 ELIZABETH II, 1982

**An Act respecting the Mortgage Financing of Rideau Centre
in the City of Ottawa**

THE HON. N. STERLING
Provincial Secretary for Justice

EXPLANATORY NOTE

Rideau Centre is a major real estate development in downtown Ottawa which is to consist of a convention centre, hotel, office building, retail and commercial facilities and park areas and is intended to be the focus of a significant redevelopment in downtown Ottawa planned by the National Capital Commission. Rideau Centre will be conveyed to the federal Crown in 2033 for a nominal consideration of \$1.00.

It is proposed that the owners, in order to obtain favourable financing for the development, will grant an option to the mortgage lenders to acquire a 35 per cent interest in the development. At common law, an option granted as a part of a mortgage financing transaction is considered to be a clog or fetter on the mortgagor's right to redeem the property upon payment of the moneys owing under the mortgage and for that reason is unenforceable.

It is considered desirable that, having regard to the nature of the development, the common law rule not apply to this transaction because it is too restrictive. Accordingly, the Bill provides that the common law rule does not apply.

BILL 105

1982

An Act respecting the Mortgage Financing of Rideau Centre in the City of Ottawa

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. In this Act,

Interpre-
tation

(a) “development” means,

- (i) the lands and premises described in the Schedule,
- (ii) all buildings, fixtures and improvements now or hereafter erected or located on or under the lands and premises referred to in subclause (i), and
- (iii) all rights-of-way, easements, franchises and privileges now or hereafter benefiting the lands and premises referred to in subclause (i);

(b) “Rideau Centre” means the development and all present and future right, title and interest therein and all present and future benefit and advantage to be derived therefrom, including all leases of, or agreements relating to, all or part of the development and all rentals and other moneys payable under the leases and agreements and all benefit and advantage to be derived therefrom.

2. An option to acquire a legal or beneficial interest in Rideau Centre, granted as part of a mortgage financing of Rideau Centre, is not invalid, unenforceable or void by reason only that the option is inconsistent with or repugnant to, or a fetter or clog on, the mortgagor’s legal or equitable right of redemption. - (a) to increase the rate of tax on tobacco products to 40 per cent of the taxable price per cigarette or gram of tobacco;
- (b) to increase the maximum compensation payable to wholesale dealers with respect to their collection and remittance of tax to \$2,000; and
- (c) to provide an allowance in respect of tobacco loss due to undetermined causes not greater than .1 per cent of the amount of tax collected and remitted by a designated collector.

In addition to these changes, an administrative change is proposed that will clarify the responsibility of the assignee of the book debts of a collector in respect of the tax portion of the book debts received.

SECTION 1.—Subsection 1. Subsection 2 (1) of the Act now reads as follows:

 - (b) *30 per cent of the taxable price per gram on every gram or part thereof of any tobacco, other than cigarettes or cigars, purchased by him; and*
 - (c) *45 per cent of the price at retail of every cigar that is purchased by him, provided that where the application of such rate of tax produces a fraction of a cent, the fraction shall be counted as one full cent,*

and until a taxable price per cigarette or taxable price per gram is prescribed by regulation by the Minister in accordance with this Act, every consumer shall pay to Her Majesty in right of Ontario a tax at the rate of,

- (d) *1.46 cents on every cigarette purchased by him; and*
- (e) *0.7 cents on every gram or part thereof of any tobacco, other than cigarettes or cigars, purchased by him.*

The amendment increases the rate of tax payable by consumers of tobacco products to 40 per cent of the taxable price per cigarette or 40 per cent of the taxable price per gram of tobacco, other than cigarettes or cigars, as determined from time to time by the Minister.

Subsection 2. The Subsection proposed to be added provides that a person designated as agent of the Minister to collect and remit tax may not assign the tax portion of his book debts. 2ND SESSION, 32ND LEGISLATURE, ONTARIO
31 ELIZABETH II, 1982

An Act to amend the Provincial Land Tax Act

THE HON. G. L. ASHE
Minister of Revenue

EXPLANATORY NOTES

GENERAL. The Bill implements the proposals in the Treasurer's Budget increasing the rate of provincial land tax payable on pipe lines situate in territory without municipal organization and also replaces the provincial land tax now imposed on land of a telephone or telegraph company situate in territory without municipal organization with a new annual tax of an amount equal to 5 per cent of the gross receipts of such companies from business carried on in territory without municipal organization.

The Bill also provides for various housekeeping and administrative provisions, many of which are made to parallel provisions contained in the *Assessment Act*.

SECTION 1.—Subsection 1. Amends the definition of "land" to parallel the definition of that term contained in the *Assessment Act*. The subclauses to be repealed now read as follows:

(c) "land" includes,

(vi) the interest in land of a tenant or occupant,

(vii) the interest of the holder of any licence, concession or contract under which there has been acquired from the Crown any right to be exercised in respect of, or over, or upon land.

Subsection 2. The amendment to repeal the definition of "owner" contained in clause 1 (h) of the Act is consequential on later amendments contained in the Bill which are made to parallel provisions contained in the *Assessment Act*, whereby both an owner and tenant of land receive notices of assessment but, only the owner receives a bill for tax. The definition of "owner" is replaced with a definition of "tenant" by subsection 1 (3) of the Bill.

Clause 1 (h) now reads as follows:

1. In this Act,

(h) "owner" includes a tenant or occupant and any person owning or enjoying an interest in land and the holder of any licence, concession or contract under which there had been acquired from the Crown any right to be exercised in respect of, or over, or upon land.

The amendment also repeals the definition of "pipe line" and "pipe line company" contained in clauses 1 (j) and (k) of the Act. These definitions are re-inserted in a later provision which deals specifically with the assessment of pipe lines.

Subsection 3. The amendment adds a definition of "tenant" to parallel the definition of that term contained in the *Assessment Act*. The amendment is consequential on the repeal of the definition of "owner" provided for in subsection (2) of this section. A definition of "Treasurer" is added for the purposes of the re-enacted section 27 of the Act as set out in section 14 of the Bill.

SECTION 2. The proposed amendment adds a paragraph exempting the real property of telephone and telegraph companies from provincial land tax as a result of the proposal contained in the Treasurer's Budget to impose a tax on the

gross receipts of these companies. The tax on gross receipts is provided for in section 7 of the Bill.

SECTION 3. The amendment provides that notices of assessment are to be sent to both the owner and tenant of land as is provided for in the *Assessment Act*.

Subsection 5 (2) of the Act now reads:

- (2) *The collector may at any time assess or amend the assessment of any land liable to assessment and taxation under this Act and shall forthwith notify the owner of the land of the assessment or the amendment.*

SECTION 4. The amendment is consequential on the amendment made in section 3 of the Bill which provides that both the owner and tenant of land are to receive notices of assessment.

Section 6 of the Act now reads:

6. *The collector shall keep a Provincial Land Tax Register in which shall be entered the name and address of every owner of land to which this Act applies, the amount of the assessment of the land and such other particulars as the collector deems requisite.*

SECTION 5. The amendment removes the requirement that new owners and tenants must notify the collector of their interest in the land and provides that the collector may request information by way of a form in order to determine tax liability under the Act.

Section 9 of the Act now reads:

- 9.—(1) *Every person who becomes the owner of land situate in territory without municipal organization shall, within thirty days of becoming the owner of such land, notify the collector in writing giving his name and address, the name and address of the previous owner, a description of the land acquired, the purchase price paid where the land was purchased, or the rent paid where the land is rented, or the fee paid where the land is held under a licence.*
- (2) *Upon the erection or the placing upon, in, over, under or the affixing to land situate in territory without municipal organization of any building, structure, machinery, fixture or other improvement, the owner shall forthwith notify the collector in writing thereof.*
- (3) *The collector may at any time mail a form of return in the prescribed form to any owner of land to which this Act applies, and such owner shall complete and return it within thirty days from the date of mailing by the collector.*

SECTION 6. The amendment repeals the provisions relating to the assessment and taxation of pipe lines and provides that pipe lines will now be taxed at new rates which parallel those rates paid by pipe lines in municipalities.

Section 10 of the Act now reads:

- 10.—(1) *For the purpose of the tax under this Act, a pipe line or any part thereof situate in territory without municipal organization shall be deemed to be land to which this Act applies.*
- (2) *Notwithstanding any other provision of this Act but subject to subsection (3), a pipe line shall be assessed for taxation purposes at the following rates:*

- (7) *Where a pipe line is located on, in, under, along or across a highway or any lands, other than lands held in trust for a band or body of Indians, exempt from taxation under this or any special or general Act, the pipe line is nevertheless liable to assessment and taxation in accordance with this section.*
- (8) *Where a pipe line is placed on the boundary between land situate in territory without municipal organization and land situate in territory with municipal organization, or so near thereto as to be in some places on one side and in other places on the other side of the boundary line, such pipe line shall be assessed as if half of it were situate entirely within the former and half of it were situate entirely within the latter.*
- (9) *Land that is liable to the tax under this Act shall not have a lesser or greater assessment by reason of there being a pipe line located on, in, under, along or across it, nor shall it have a lesser or greater assessment by reason of the abandonment of the pipe line.*

SECTION 7. The amendment repeals the provisions of the Act relating to the assessment and taxation of telegraph and telephone lines and equipment situate in territory without municipal organization and provides for a new annual tax of an amount equal to 5 per cent of the total gross receipts of telephone and telegraph companies resulting from business carried on in territory without municipal organization. The new provision parallels provisions relating to the assessment and taxation of telephone and telegraph companies in municipalities. Provisions are also added to allow any telegraph or telephone company taxed under this section to dispute the amount of tax imposed by bringing an application to the Supreme Court of Ontario.

Section 11 of the Act now reads:

- 11.—(1) *For the purpose of the tax under this Act, a telephone line or part thereof, or a telegraph line or part thereof, situate in territory without municipal organization shall be deemed to be land to which this Act applies.*
- (2) *Notwithstanding any other provision of this Act and subject to subsections (3) and (6), a telephone line or part thereof shall be assessed for one circuit used for carrying messages and placed or strung on poles or other structures or in conduits, including such poles, structures and conduits, and in use on the 31st day of December next preceding the year for which the tax is payable, at the rate of \$135 per mile, and for each additional circuit placed or strung on such poles or other structures or in such conduits, whether or not in use on such 31st day of December, at the rate of \$7.50 per mile.*

- (3) *Where a telephone company does not operate generally throughout Ontario and is not authorized by statute to carry on business throughout Ontario, notwithstanding any other provision of this Act but subject to subsection (6), its telephone lines shall be assessed for one circuit used for carrying messages and placed or strung on poles or other structures or in conduits, including such poles, structures and conduits, and in use by the company on the 31st day of December next preceding the year for which the tax is payable, at the rate of \$50 per mile, and for each additional circuit placed or strung on such poles or other structures or in such conduits, whether or not in use by the company on such 31st day of December, at the rate of \$7.50 per mile.*
- (4) *In computing the length of telephone circuits placed or strung on poles or other structures or in conduits,*
 - (a) *a circuit that does not exceed twenty-five miles in length that is not used as a connecting circuit between two or more central exchange switchboards shall not be included; and*
 - (b) *every circuit regardless of its length that connects two or more central exchange switchboards shall be included.*

An Act to amend the Provincial Land Tax Act

THE HON. G. L. ASHE
Minister of Revenue

(Reprinted as amended by the Committee of the Whole House)

EXPLANATORY NOTES

GENERAL. The Bill implements the proposals in the Treasurer's Budget increasing the rate of provincial land tax payable on pipe lines situate in territory without municipal organization and also replaces the provincial land tax now imposed on land of a telephone or telegraph company situate in territory without municipal organization with a new annual tax of an amount equal to 5 per cent of the gross receipts of such companies from business carried on in territory without municipal organization.

The Bill also provides for various housekeeping and administrative provisions, many of which are made to parallel provisions contained in the *Assessment Act*.

SECTION 1.—Subsection 1. Amends the definition of "land" to parallel the definition of that term contained in the *Assessment Act*. The subclauses to be repealed now read as follows:

(c) "land" includes,

(vi) the interest in land of a tenant or occupant,

(vii) the interest of the holder of any licence, concession or contract under which there has been acquired from the Crown any right to be exercised in respect of, or over, or upon land.

Subsection 2. The amendment to repeal the definition of "owner" contained in clause 1 (h) of the Act is consequential on later amendments contained in the Bill which are made to parallel provisions contained in the *Assessment Act*, whereby both an owner and tenant of land receive notices of assessment but, only the owner receives a bill for tax. The definition of "owner" is replaced with a definition of "tenant" by subsection 1 (3) of the Bill.

Clause 1 (h) now reads as follows:

1. In this Act,

(h) "owner" includes a tenant or occupant and any person owning or enjoying an interest in land and the holder of any licence, concession or contract under which there had been acquired from the Crown any right to be exercised in respect of, or over, or upon land.

The amendment also repeals the definition of "pipe line" and "pipe line company" contained in clauses 1 (j) and (k) of the Act. These definitions are re-inserted in a later provision which deals specifically with the assessment of pipe lines.

Subsection 3. The amendment adds a definition of "tenant" to parallel the definition of that term contained in the *Assessment Act*. The amendment is consequential on the repeal of the definition of "owner" provided for in subsection (2) of this section. A definition of "Treasurer" is added for the purposes of the re-enacted section 27 of the Act as set out in section 14 of the Bill.

SECTION 2. The proposed amendment adds a paragraph exempting the real property of telephone and telegraph companies from provincial land tax as a result of the proposal contained in the Treasurer's Budget to impose a tax on the

gross receipts of these companies. The tax on gross receipts is provided for in section 7 of the Bill.

SECTION 3. The amendment provides that notices of assessment are to be sent to both the owner and tenant of land as is provided for in the *Assessment Act*.

Subsection 5 (2) of the Act now reads:

- (2) *The collector may at any time assess or amend the assessment of any land liable to assessment and taxation under this Act and shall forthwith notify the owner of the land of the assessment or the amendment.*

SECTION 4. The amendment is consequential on the amendment made in section 3 of the Bill which provides that both the owner and tenant of land are to receive notices of assessment.

Section 6 of the Act now reads:

6. *The collector shall keep a Provincial Land Tax Register in which shall be entered the name and address of every owner of land to which this Act applies, the amount of the assessment of the land and such other particulars as the collector deems requisite.*

SECTION 5. The amendment removes the requirement that new owners and tenants must notify the collector of their interest in the land and provides that the collector may request information by way of a form in order to determine tax liability under the Act.

Section 9 of the Act now reads:

- 9.—(1) *Every person who becomes the owner of land situate in territory without municipal organization shall, within thirty days of becoming the owner of such land, notify the collector in writing giving his name and address, the name and address of the previous owner, a description of the land acquired, the purchase price paid where the land was purchased, or the rent paid where the land is rented, or the fee paid where the land is held under a licence.*
- (2) *Upon the erection or the placing upon, in, over, under or the affixing to land situate in territory without municipal organization of any building, structure, machinery, fixture or other improvement, the owner shall forthwith notify the collector in writing thereof.*
- (3) *The collector may at any time mail a form of return in the prescribed form to any owner of land to which this Act applies, and such owner shall complete and return it within thirty days from the date of mailing by the collector.*

SECTION 6. The amendment repeals the provisions relating to the assessment and taxation of pipe lines and provides that pipe lines will now be taxed at new rates which parallel those rates paid by pipe lines in municipalities.

Section 10 of the Act now reads:

- 10.—(1) *For the purpose of the tax under this Act, a pipe line or any part thereof situate in territory without municipal organization shall be deemed to be land to which this Act applies.*
- (2) *Notwithstanding any other provision of this Act but subject to subsection (3), a pipe line shall be assessed for taxation purposes at the following rates:*

- (8) *Where a pipe line is placed on the boundary between land situate in territory without municipal organization and land situate in territory with municipal organization, or so near thereto as to be in some places on one side and in other places on the other side of the boundary line, such pipe line shall be assessed as if half of it were situate entirely within the former and half of it were situate entirely within the latter.*
- (9) *Land that is liable to the tax under this Act shall not have a lesser or greater assessment by reason of there being a pipe line located on, in, under, along or across it, nor shall it have a lesser or greater assessment by reason of the abandonment of the pipe line.*

SECTION 7. The amendment repeals the provisions of the Act relating to the assessment and taxation of telegraph and telephone lines and equipment situate in territory without municipal organization and provides for a new annual tax of an amount equal to 5 per cent of the total gross receipts of telephone and telegraph companies resulting from business carried on in territory without municipal organization. The new provision parallels provisions relating to the assessment and taxation of telephone and telegraph companies in municipalities. Provisions are also added to allow any telegraph or telephone company taxed under this section to dispute the amount of tax imposed by bringing an application to the Supreme Court of Ontario.

Section 11 of the Act now reads:

- 11.—(1) *For the purpose of the tax under this Act, a telephone line or part thereof, or a telegraph line or part thereof, situate in territory without municipal organization shall be deemed to be land to which this Act applies.*
- (2) *Notwithstanding any other provision of this Act and subject to subsections (3) and (6), a telephone line or part thereof shall be assessed for one circuit used for carrying messages and placed or strung on poles or other structures or in conduits, including such poles, structures and conduits, and in use on the 31st day of December next preceding the year for which the tax is payable, at the rate of \$135 per mile, and for each additional circuit placed or strung on such poles or other structures or in such conduits, whether or not in use on such 31st day of December, at the rate of \$7.50 per mile.*

- (4) *In computing the length of telephone circuits placed or strung on poles or other structures or in conduits,*

 - (b) *every circuit regardless of its length that connects two or more central exchange switchboards shall be included.*
- (5) *Notwithstanding any other provision of this Act but subject to subsection (6), a telegraph line or part thereof shall be assessed a sum equal to \$40 for every mile of length of one wire placed or strung on the poles or other structures or in conduits in use on the 31st day of December next preceding the year for which the tax is payable, and a sum equal to \$5 per mile for each additional wire so placed or strung on such 31st day of December.*

- (10) *Every telegraph and telephone company doing business in Ontario shall, in respect of its wires and circuits in territory without municipal organization, on or before the 1st day of March in each year, transmit to the collector a statement in writing showing,*
 - (a) *the length in miles of one wire or of one circuit, as the case may be, placed or strung on poles or other structures or in conduits (including half on the boundaries of townships without municipal organization that adjoin townships with municipal organiza-*

Subsection 21 (1) of the Act now reads:

- (1) *The tax under section 3 is payable annually at the appropriate prescribed rate upon the assessed value of the land.*

SECTION 9.—Subsection 1. The amendment incorporates a provision of the *Assessment Act* which defines “tenant” of Crown land.

Clause 22 (2) (c) of the Act now reads:

- (c) *“tenant” includes any person who uses land belonging to the Crown, as or for the purposes of, or in connection with, his residence, irrespective of the relationship between him and the Crown with respect to such use.*

SECTION 10. The first amendment clarifies that the tax bill mailed under section 23 of the Act is applicable to only the land tax imposed under section 3 of the Act. The second amendment is consequential on the repeal of the definition of “owner” by section 1 of the Bill.

Subsection 23 (1) of the Act now reads:

- (1) *Except as otherwise provided in this Act, the tax imposed by this Act shall be for the calendar year and becomes due and is payable on the 15th day of March in the year for which it is imposed, and a tax bill shall be mailed by the collector to every owner of land subject to taxation at his latest known address on or before the 15th day of February in the year for which the tax is payable.*

Section 24 of the Act now reads:

24. *Except as otherwise provided in this Act, where any tax under this Act remains unpaid on the 1st day of April in the year for which it is payable, a penalty of 5 per cent shall be added thereto and in addition such tax and penalty shall bear interest at the rate of 6 per cent per annum from such 1st day of April until the tax and penalty are paid, which interest shall be compounded annually on the 1st day of April of the year next following the date on which the tax was payable and on each 1st day of April thereafter that the tax or any part thereof remains unpaid, and for all purposes the amount of such tax, penalty and interest shall be deemed to be tax due and payable under this Act.*

- (2) *The owner or any person entered in the register as the owner of any land is personally liable for all tax, interest and penalties imposed by this Act in respect of such land, and the collector may bring an action in his name of office for the recovery thereof in any court of competent jurisdiction.*

SECTION 14. The amendment repeals section 27 of the Act which is redundant and enables the collector to collect unpaid tax by way of garnishment procedures.

The section to be repealed now reads:

27. *In addition to the collection of arrears of tax by action as hereinbefore provided, the collector may distrain for the same and has the like powers in that regard as a collector of taxes for a municipal corporation.*

SECTION 15. The amendment is consequential on amendments made in section 1 of the Bill.

Section 29 of the Act now reads:

29. *A tax bill shall be deemed to be delivered to an owner of land to which this Act applies or to his agent or representative where it is mailed post paid to the latest known address of such owner, agent or representative.*

SECTION 16. The amendment adds a provision enabling the collector to refund or pay taxes to a municipality where any part of the tax imposed on gross receipts of a telephone or telegraph company relate to telephones or other equipment situate on land that became part of a municipality in a year.

SECTION 17.—Subsection 1. The amendment clarifies that the remedy of forfeiture contained in the Act applies only where the land tax imposed by section 3 of the Act has been imposed and does not apply where a tax on gross receipts has been imposed.

Subsection 33 (1) of the Act now reads:

- (1) *Where any part of the tax imposed under this Act remains unpaid for a period of two years or more, the collector may cause to be filed on or before the 30th day of November in any year in the proper land registry office a caution in the prescribed form, and thereupon he shall cause to be sent by registered mail a notice to the person appearing from search or inquiry at the proper land registry office to be the owner of the land in respect of which the default has been made and to every person appearing from such search or inquiry to have an interest therein, stating that, unless the total amount of tax, interest, penalties and costs due and payable under this Act is paid on or before the 30th day of November in the year next following, the land and every interest therein will be liable to be forfeited to and to be vested in the Crown on the 1st day of December in the last-mentioned year by a certificate under the hand of the Minister or the Deputy Minister, and to the amount so due and payable there shall in every case be added and paid as costs the prescribed sum.*

Subsection 2. The amendment is consequential on the amendments made in section 1 of the Bill to the definitions of “owner” and “tenant”.

Subsection 33 (2) of the Act now reads:

- (2) *Where no letters patent from the Crown have issued granting land in respect of which tax remains unpaid for a period of two years or more, the collector may send by registered mail a notice mentioned in subsection (1) to the person entered in the register as the owner of the land, and the sending of such notice shall be deemed to be compliance with the provisions of subsection (1).*

Subsection 3. The amendment reflects amendments made to the *Registry Act* and the *Land Titles Act* which no longer require entries to be made in red ink.

SECTION 18. The amendment is consequential on the provision contained in section 1 of the Bill which repeals the definition of “owner”.

SECTION 19.—Subsections 1 and 2. The amendments make various housekeeping amendments and empower the Lieutenant Governor in Council to pass regulations defining any term under the Act, providing for the rate and payment of interest and exempting from the tax imposed on the gross receipts of the telephone and telegraph companies, those receipts resulting from business carried on on designated lands.

Subsection 3. The new subsection 38 (2) of the Act empowers the Minister to pass regulations prescribing any forms required under the Act. The new subsection 38 (3) of the Act provides that any regulation passed under the Act may be made retroactive.

An Act to amend the Corporations Tax Act

EXPLANATORY NOTES

SECTION 1. This section re-enacts subsection 12 (6) relating to the 5/14ths inclusion in income of a rent, royalty or similar payment made to a related non-resident. The words "and that has included that amount in computing its taxable income earned in Canada" have been added at the end of subsection (6) to make it clear that the payer corporation will not be exempt from including 5/14ths of the payment in its income unless the non-resident corporation has in fact been taxed on that amount under the Ontario Act.

Subsection 12 (6a) is enacted to make it clear that a payment to a non-resident person which would otherwise be subject to the 5/14ths inclusion in income under subsection 12 (6) will still be subject to such inclusion if made to a person resident in Canada outside of Ontario, where such person is related to a non-resident person that controls the payer.

BILL 114

1982

An Act to amend the Corporations Tax Act

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. Subsection 12 (6) of the *Corporations Tax Act*, being chapter 97 of the Revised Statutes of Ontario, 1980, is repealed and the following substituted therefor:

s. 33,
amended

(3) Section 33 of the said Act is amended by adding thereto the following subsections:

Definition,
tax exempt
year

(2a) For the purpose of clause (1) (b), a “tax exempt year” of a corporation is a taxation year ending after the 13th day of May, 1982 and before the 14th day of May, 1984, but in no case shall a corporation have more than two tax exempt years.

Interpre-
tation,
non-arm's
length
transactions

(2b) For the purpose of subsection (2a), where at any time after the 13th day of May, 1982, property of a corporation (hereinafter referred to as the “vendor”) is acquired, by purchase or otherwise (including an acquisition as a result of an amalgamation described in section 87 of the *Income Tax Act* (Canada)), by another corporation (hereinafter referred to as the “purchaser”) not dealing at arm's length with the vendor, and the property constitutes all or substantially all of the property of the vendor or the purchaser, as the case may be, any tax exempt year

SECTION 2. This section makes several amendments to section 33 of the Act relating to the small business incentives. Subsection 2 (1) adds clause (b) to subsection 33 (1) in order to provide that for small businesses eligible for the deduction from tax under subsection 125 (1) of the *Income Tax Act* (Canada), the small business incentive deduction under section 33 of this Act will be 14 per cent for the tax exempt years of such corporations, being any two taxation years ending after May 13, 1982 and before May 14, 1984.

Subsection (2) of this section amends clauses 33 (2) (a) and (b) to increase the limit for the amounts eligible for the small business incentive deduction to \$200,000 from \$150,000, in line with the proposed increase of the annual business limit of a corporation under section 125 of the *Income Tax Act* (Canada).

Subsection (3) of this section enacts new subsections 33 (2a) and (2b). Subsection 33 (2a) defines the tax exempt year of a corporation and is any taxation year ending after May 13, 1982 and before May 14, 1984, but there shall not be more than two tax exempt years. Subsection 33 (2b) clarifies the definition of tax exempt year to prevent additional claims for the exemption in the case of certain types of non-arm's length transfers and reorganizations.

SECTION 3. This section makes several amendments to section 53 of the Act relating to the calculation of paid-up capital for banks and loan and trust corporations. The new subsection (2) amends the terminology for banks to bring it in line with the new terminology in the *Bank Act* (Canada). There is no change in policy involved in this amendment.

Subsection 53 (5) is enacted to make it clear that where a bank has included in its "retained earnings" its share of the earnings of a subsidiary or controlled corporation, such amount will not be required to be included in its retained earnings for purposes of calculating its paid-up capital under section 53. This will avoid the double taxation of the amount excluded by the amendment since the subsidiary or controlled corporation may be required to include that amount in its paid-up capital.

Subsection 53 (6) is enacted to make the same amendment for loan and trust corporations as is being made for banks under the new subsection 53 (5).

Subsection 53 (7) is enacted to make it clear that the indebtedness of a corporation which is to be included in paid-up capital pursuant to clause 53 (1) (e) includes, in the case of a corporation that is the beneficiary of a trust, a portion of the indebtedness to which the property of the trust is subject equal to the corporation's beneficial interest in the trust. This does not represent a change in policy.

SECTION 4. This section adds two new subsections to section 54 of the Act. Subsection 54 (2a) clarifies the meaning of "total assets" for the purpose of calculating the investment allowance under clause 54 (1) (c). The amendment makes it clear that where the corporation is a partner of a partnership, the corporation's "total assets" will include the same proportion of the total assets of the partnership as the corporation's share of the profits of the partnership. This does not represent a change of policy.

of the vendor for which the vendor has made a deduction under clause (1) (b), ending in or before the taxation year of the purchaser in which the property was acquired, shall be deemed to be a tax exempt year of the purchaser for which the purchaser has made a deduction under clause (1) (b).

3.—(1) Subsection 53 (2) of the said Act is repealed and the following substituted therefor: s. 53 (2),
re-enacted

(2) Notwithstanding subsection (1), the taxable paid-up capital of a bank for a taxation year is its taxable paid-up capital as it stood at the close of the taxation year, and includes, Taxable
paid-up
capital
of banks

(a) its paid-up capital stock;

(b) its contributed surplus, its general reserve, and all of its other reserves, whether created from income or otherwise, except any reserve the creation of which is allowed as a charge against income under the provisions of Part II; and

(c) its retained earnings, its capital surplus, and any other surplus not included by virtue of clause (b).

(2) Section 53 of the said Act, as amended by the Statutes of Ontario, 1981, chapter 37, section 10, is further amended by adding thereto the following subsections: s. 53,
amended

(5) For the purpose of subsection (2), in computing the taxable paid-up capital of a bank there shall be excluded any amount that represents its share of the accumulated earnings or losses of another corporation, and there shall be included the amount of any dividends received from that other corporation. Interpre-
tation, banks

(6) For the purpose of subsection (3), in computing the taxable paid-up capital of a corporation registered under the *Loan and Trust Corporations Act* there shall be excluded any amount that represents its share of the accumulated earnings or losses of another corporation, and there shall be included the amount of any dividends received from that other corporation. Interpre-
tation, loan
and trust
corporations
R.S.O. 1980,
c. 249

(7) For the purpose of clause (1) (e), the indebtedness of a corporation that is the beneficiary of a trust shall include the same proportion of the indebtedness of the trust secured by the assets of the trust as its beneficial interest in the trust. Interpre-
tation, trusts

4. Section 54 of the said Act, as amended by the Statutes of Ontario, 1981, chapter 37, section 11, is further amended by adding thereto the following subsections: s. 54,
amended

Interpre-
tation,
"total assets"

(2a) For the purpose of clause (1) (c), "total assets" of a corporation includes the same proportion of the total assets of a partnership of which the corporation is a partner as the share of the profits of the partnership to which the corporation is entitled under the partnership agreement, but does not include the amount invested by the corporation in the partnership.

Interpre-
tation, "any
other surplus"

(2b) For the purpose of this Part, "any other surplus" includes, in addition to any amount included therein by virtue of subsection (3), any amount required to be included in income for the purpose of Part II, other than,

(a) an amount referred to in subsections 12 (6) and (6a); and

(b) an amount referred to in paragraph 12 (1) (o), subsections 15 (1) and (2), 17 (1) and subsection 37.1 (3) of the *Income Tax Act* (Canada) as made applicable by virtue of subsection 12 (1) of this Act,

R.S.C. 1952,
c. 148

to the extent that such amount is not included in the corporation's income as shown in its financial statements.

s. 70 (2) (a),
re-enacted

5.—(1) Clause 70 (2) (a) of the said Act, as re-enacted by the Statutes of Ontario, 1981, chapter 37, section 14, is repealed and the following substituted therefor:

(a) on or before,

(i) the last day of each month of the taxation year in respect of which the tax is payable, an instalment equal to one-twelfth of,

(A) the tax payable as estimated by it for the taxation year, or

(B) its first instalment base for the taxation year, or

(ii) the last day of each of the first two months of the taxation year in respect of which the tax is payable an instalment equal to one-twelfth of its second instalment base for the taxation year, and on or before the last day of each of the following ten months of the taxation year an instalment equal to one-tenth of the amount remaining after deducting the amount computed pursuant to this subclause in respect of the first two months of the taxation year from,

Subsection 54 (2b) is enacted to make it clear that in calculating paid-up capital, "any other surplus" will include any amount that is required to be included in income for purposes of Part II but is not included in its retained earnings for book purposes. Exception is provided with respect to certain amounts.

SECTION 5. This section amends clause 70 (2) (a) regarding the methods for paying tax by instalments. Subclause (i) is amended to make it clear that the first two options of the corporation are to pay either 1/12th of the tax payable as estimated by it for the year or 1/12th of its first instalment base. Subclause (ii) is amended to give the corporation a fourth option. The existing third option is retained, namely, the option of basing its first two payments on its second instalment base and the remaining ten instalments on its first instalment base; the additional option is to base the remaining ten instalments on its tax payable as estimated by it for the current year.

Subsection (2) of this section enacts subsections 70 (8) and (9). Subsection 70 (8) provides that where the taxation year of a corporation does not end on the last day of a month, then the instalments will be required on the day of a month corresponding to the day on which the taxation year ends.

Subsection 70 (9) is complementary to the amendment made by section 2 of the Bill and provides that for a corporation which is entitled to the deduction under clause 33 (1) (b), the instalments required for a taxation year ending after a tax exempt year will be calculated as if it had not been entitled to the deduction under clause 33 (1) (b) but was only entitled to the deduction under clause 33 (1) (a). Since the instalments for a taxation year may be based on the tax payable for a previous taxation year, this provision was necessary to ensure payment of the proper amount of instalments for a taxation year ending after a tax exempt year of the corporation.

SECTION 6. This section enacts a new subsection 75 (1a) to provide that where a corporation eligible for the deduction under clause 33 (1) (b) has paid instalments for its first taxation year ending after May 13, 1982, the corporation may apply for a refund of any overpayment of instalments resulting from the deduction under clause 33 (1) (b). This amendment is complementary to the amendment made by section 2 of the Bill.

SECTION 7. This section amends subsection 76 (2) and is complementary to the amendments made by sections 2 and 6 of the Bill. This amendment provides that no interest will be payable on any refunds made pursuant to the new subsection 75 (1a).

(A) the tax payable as estimated by it for the taxation year under subclause (i), or

(B) its first instalment base for the taxation year.

(2) Section 70 of the said Act, as amended by the Statutes of Ontario, 1981, chapter 37, section 14, is further amended by adding thereto the following subsections: ^{s. 70, amended}

(8) For the purpose of subsection (2), where the taxation year of a corporation does not end on the last day of a calendar month, any reference in the said subsection (2) to the last day of a month shall be deemed, in respect of that corporation, to be a reference to the day of that month corresponding to the day on which the previous taxation year ended, except that where the previous taxation year ends on the 29th, 30th or 31st day of a month, the said reference to the last day of a month shall, with respect to the month of February, be deemed to be a reference to the last day of that month. ^{Idem}

(9) For the purpose of calculating, for a corporation to which clause 33 (1) (b) applied in a previous taxation year, the instalments required under clause (2) (a) for a taxation year other than a tax exempt year as defined in subsection 33 (2a), and for the purpose of calculating its first instalment base and second instalment base for that taxation year, the corporation shall be deemed to have made a deduction from tax under clause 33 (1) (a) and not 33 (1) (b). ^{Idem}

6. Section 75 of the said Act is amended by adding thereto the following subsection: ^{s. 75, amended}

(1a) Where a corporation is eligible for the deduction from tax under clause 33 (1) (b) in respect of its first taxation year ending after the 13th day of May, 1982, and it has paid instalments of tax in accordance with clause 70 (2) (a) in respect of that taxation year, the Minister may make a refund of such instalments if application therefor has been made in writing by the corporation prior to the date of assessment under section 73. ^{Idem}

7. Subsection 76 (2) of the said Act is repealed and the following substituted therefor: ^{s. 76 (2), re-enacted}

(2) Subsection (1) does not apply with respect to any refund or amount to which subsection 75 (1a) or (5) applies. ^{Application}

8.—(1) Subsection 5 (1) and subsection 70 (8) of the said Act, as enacted by subsection 5 (2) of this Act, shall be deemed to have ^{Commencement and application}

come into force on the 1st day of January, 1981 and apply to corporations in respect of all taxation years ending after 1980.

- Idem (2) Section 1 shall be deemed to have come into force on the 14th day of May, 1982 and applies to payments made after the 13th day of May, 1982.
- Idem (3) Subsections 2 (1) and (3), sections 3 and 4, subsection 70 (9) of the said Act, as enacted by subsection 5 (2) of this Act, and sections 6 and 7 shall be deemed to have come into force on the 14th day of May, 1982 and apply to corporations in respect of all taxation years ending after the 13th day of May, 1982.
- Idem (4) Subsection 2 (2) shall be deemed to have come into force on the 1st day of January, 1982 and applies to corporations in respect of all taxation years ending after 1981.

An Act to amend the Retail Sales Tax Act

THE HON. G. L. ASHE
Minister of Revenue

EXPLANATORY NOTES

GENERAL. The Bill implements the following proposals in the Treasurer's Budget:

- (a) The rate of tax on transient accommodation is decreased from 7 per cent to 5 per cent;
- (b) The tax of 7 per cent on taxable services is extended to the labour required to install, adjust, repair or maintain goods;
- (c) Candies, confections and soft drinks which were previously exempt when purchased for less than 50 cents, will no longer be exempt from tax. Snack foods, such as potato chips and salted nuts, previously exempt, will no longer be so;
- (d) The exemption from tax for prepared meals under \$6.00 is removed and tax becomes exigible on the purchase of all food products sold through eating establishments including restaurants, lunch counters or snack bars whether the food products are consumed on the premises, taken out or delivered. The rate of tax on prepared meals is reduced from 10 per cent to 7 per cent;
- (e) Existing exemptions from the 7 per cent rate of tax are revised as follows:
 - (i) magazines will be exempt only when purchased by subscription,
 - (ii) the exemption for vehicles fueled exclusively by fuels other than gasoline or diesel oil is expanded to include vehicles that are fueled by both fossil and alternate fuels,
 - (iii) trees, shrubs, bushes, seeds and plants will be exempt only when purchased by persons engaged in the business of farming,
 - (iv) there will no longer be any exemption from tax for personal hygiene and household products, materials for thermal insulation, street flushers, street sweepers, classroom or student supplies, buses for public transportation, pets, patterns, textiles, smoke alarms, restaurant and hotel furnishings, materials used to provide transient accommodation and materials purchased for the construction of hospitals, nurses' residences, schools, universities and capital works of a municipality.

In addition to these changes, other administrative changes are proposed that will clarify the application of the Act and provide that purchasers who refuse to pay the retail sales tax owing at the time of a sale, will no longer be entitled to complete the sale. Penalty provisions are introduced for such purchasers and for vendors who wilfully complete a sale without collecting the tax.

SECTION 1.—Subsection 1. The amendment provides that where there is a deemed sale of tangible personal property under the Act from a corporation to its shareholders as a result of winding up or dissolution of the corporation, retail sales tax will be payable on the fair market value of the tangible personal property which is transferred.

Subsection 2. Provides for a deemed sale of tangible personal property from a corporation to its shareholders at the time of the winding up of the corporation except where the corporation has already paid retail sales tax with respect to its use or consumption of the property or where the tangible personal property is otherwise exempt from tax under the Act or is acquired by the shareholder for the purpose of resale.

Subsection 3. The amendment removes from the definition of "tangible personal property" those chattels for which rent is paid after they are attached to realty and become fixtures. The result of the amendment is that retail sales tax will become payable on the purchase price of the chattel when it is purchased for installation or attachment to the realty rather than on the rental payments subsequently charged for the chattel.

Paragraph 19 of section 1 of the Act now reads as follows:

1. *In this Act,*

19. *"tangible personal property" means personal property that can be seen, weighed, measured, felt or touched, or that is in any way perceptible to the senses, and includes natural gas, manufactured gas, and any chattel that is a fixture and for the use, possession or enjoyment of which a fee, charge or rent is paid that is not included in any fee, charge or rent paid for possession or occupation of the real property to which the chattel is affixed.*

Subsection 4. The amendment expands the definition of "taxable service" to include the labour provided to install, adjust, repair or maintain goods.

Paragraph 21 of section 1 now reads as follows:

1. *In this Act,*

21. *"taxable service" means,*

(a) *telecommunication services of all kinds, including without restricting the generality of the foregoing, telephone and telegraph services, community antenna television and cable television, transmissions by microwave relay stations or by satellite, and pay television, but not including public broadcasting services that are broadcast through the air for direct reception by the public without charge, or*

(b) *transient accommodation.*

Subsection 5. The amendment expands the definition of "transient accommodation" to include prepared food products furnished on the American plan or modified American plan.

Paragraph 24 of section 1 now reads as follows:

24. *"transient accommodation" means the provision of lodging in hotels, motels, hostels, apartment houses, lodging houses, boarding houses, clubs and other similar accommodation, whether or not a membership is required for the lodging, but does not include lodging let for a continuous period of one month or more or lodging in a lodging house, rooming house, or boarding house, if such house has accommodation for fewer than four tenants.*

Subsection 2. The amendment provides exemptions from the tax on labour provided to install, adjust, repair or maintain goods with respect to the installation of fixtures and repair of realty, reconditioning for resale, provision of the taxable service for own use and repair where no tax is exigible on repair parts. The exemption from tax for prepared meals under \$6.00 is removed.

Paragraph 2 of subsection 5 (1) now reads as follows:

2. *any prepared meal the price of which neither exceeds \$6.00 nor is included in the sale price of two or more prepared meals that are sold to one purchaser for a total sale price that exceeds \$6.00.*

 - (d) not appliances or a class or kind of appliance prescribed by the Minister to be excluded from the exemption conferred by this paragraph;*
82. *building materials, as defined by the Minister, that are purchased before the 1st day of July, 1981 and are delivered to the purchaser thereof on or after the 14th day of November, 1980 and before the 1st day of July, 1981.*

SECTION 4.—Subsection 1. The amendment provides that the form of Disallowance of a Rebate or Refund of tax will no longer be required to be prescribed by the Minister.

Subsection 17 (2) now reads as follows:

- (2) *Where a person has, in accordance with this Act and the regulations, applied for a refund or rebate under this Act or the regulations, and his claim is in whole or in part refused, the Minister shall cause to be served on such person a statement of disallowance in such form as the Minister shall prescribe, and the statement shall specify the amount of the disallowance and the reasons therefor.*

Subsection 2. The proposed amendment provides that the Minister may assess a penalty against a vendor who has failed to collect the tax that he is responsible to collect under the Act. The maximum is an amount equal to the tax that the vendor failed to collect.

Subsection 17 (3) now reads as follows:

- (3) *Every vendor who has failed to collect tax that he is responsible to collect under this Act or the regulations and who has not complied with section 19 with respect to his failure to collect such tax shall, when assessed therefor, pay a penalty equal to the amount of tax that he failed to collect, but where the tax that should have been collected from a particular purchaser is \$50 or more and the vendor supplies to the Minister particulars of the transaction giving rise to such amount of tax and the name and address in Ontario of the purchaser liable for the tax, the Minister may, unless he is satisfied that the vendor wilfully neglected to collect such tax from such purchaser, assess such purchaser for such tax, in which case such tax shall not be included in an assessment made under this subsection.*

Subsection 3. The amendment adds two subsections which allow the Minister to assess a penalty against a vendor who has wilfully failed to collect or remit to the Treasurer tax exigible under the Act and against a purchaser who has wilfully refused to pay tax that is payable under this Act.

SECTION 5. The proposed amendment removes the provision which entitles a vendor to complete a sale without collecting the tax exigible, notify the Minister of the particulars of the sale and the name of the purchaser.

Section 19 now reads as follows:

19. *The purchaser is liable for the tax imposed by this Act until it is collected, and, where the purchaser refuses to pay the tax at the time it is collectable under section 10, the vendor shall within twenty days thereafter, notify the Minister thereof.*

SECTION 6. The amendment adds a subsection which clarifies that the assignee of the accounts receivable of a person who is a vendor under the Act must collect the tax exigible with respect to the account receivable so assigned and remit the tax to the Treasurer.

SECTION 7. The amendment removes the provisions which entitle the Minister to require a taxpayer to pay moneys into court as security for costs in an appeal commenced under the Act.

Subsections 23 (5) and (6) of the Act now read as follows:

- (5) *An appeal under this section and all proceedings thereunder are, upon the expiration of sixty days from the day the appeal is instituted, void unless security for the costs of the appeal has been, within the same period, paid into court in such sum, not exceeding \$400, as the Minister requires and, upon an appeal becoming void by virtue of this subsection, no other appeal or proceeding shall be instituted in respect of the same decision.*
- (6) *When security has been given under subsection (5), notice thereof shall be served on the Minister specifying the fact and the purpose of the payment.*

SECTION 8. The amendment is consequential on the amendment made in section 7 of the Bill.

Section 24 of the Act now reads as follows:

24. *The Minister shall with all due dispatch serve on the person appealing and file in the court a reply to the notice of appeal admitting or denying the facts alleged and containing a statement of such further allegations of fact and all statutory provisions and reasons as he intends to rely on,*

and where the Minister has failed to serve the reply within 180 days from the date of service upon him of the notice under subsection 23 (6), the appellant may, upon twenty-one days notice to the Minister, apply to a judge of the Supreme Court for an order requiring the reply to be served within such time as the judge shall order, and the judge may, if he considers it proper in the circumstances, also order that, upon failure by the Minister to serve the reply in the time specified in the order, the assessment with respect to which the appeal is taken shall be vacated and any tax paid pursuant to such assessment shall be repaid to the appellant, but nothing in this section revives an appeal that is void or affects a statement or assessment that has become valid and binding under subsection 16 (8) or subsection 17 (7).

SECTION 9. The subsection to be added empowers the Minister to authorize vendors to advertise or quote a price that includes the retail sales tax payable provided that the vendors who are authorized meet all conditions required by the Minister with respect to the advertisement.

SECTION 10.—Subsection 1. The amendment permits the Minister to make regulations providing that no tax is exigible with respect to the consumption by certain persons or classes of persons of prepared food products where no specific charge is made for the prepared food product.

Clause 45 (3) (d) of the Act now reads as follows:

- (d) *providing for the rebate of all or part of the tax paid on the purchase of a motor vehicle that is or will be adapted for the transportation of persons who have a permanent physical handicap that renders it impractical for them to use the usual forms of public transportation, if available, provided that such purchasers do not operate or permit the use of such vehicles for profit or as part of any undertaking carried on for gain, and the Minister may determine the conditions on which such rebate may be made and the extent of the adaption necessary to entitle any person to such rebate.*

Subsection 2. The amendment provides for the repeal of two regulation-making powers of the Minister. The repeal of clauses 45 (3) (f) and (h) is consequential on the repeal of the exemption for the purchase of thermal insulation materials contained in section 3 of the Bill.

Clauses 45 (3) (f) and (h) of the Act now read as follows:

- (f) *providing for the refund of tax paid on the purchase of thermal insulation materials, as defined for the purposes of paragraph 29 of subsection 5 (1), used after the 6th day of April, 1976 to insulate a building the construction of which has been completed, that is occupied permanently or seasonally for residential purposes, and that is not a building to which the exemption conferred by paragraph 29 of subsection 5 (1) does not apply;*
- (h) *providing for the rebate of not more than \$700 of tax paid on the purchase of parts and materials incorporated into the construction of a solar heating system for residential premises, and prescribing the meaning of the expression "solar heating system", the conditions upon which and the class of persons to whom such rebate may be made, and the type of residential premises in which the installation of such solar heating system may qualify for the rebate.*

**An Act to provide for the Publication of Remuneration paid to
Officers and Employees of Public Agencies and of Public
Bodies Substantially Supported by Public Funds**

THE HON. F. S. MILLER
Treasurer of Ontario and Minister of Economics

EXPLANATORY NOTE

The purpose of the Bill is to enact the proposals contained in the Budget for the annual publication of the names and salaries of those in the broadly-defined public sector of Ontario's economy who earn \$30,000 or more in a year.

In the Bill, "public agency" is defined to include the Crown and its agencies and corporations, municipalities and their agencies and commissions, school boards, colleges and universities, and hospitals. Beginning in 1983, these public agencies will be required to publish statements of those of their officers and employees who, in 1982, earned \$30,000 or more, and for the purpose of comparison, 1981 earnings will also be required to be shown. The information on remuneration paid in the preceding year is to be made available by September 30 in each year from 1983 on.

Provision is made in sections 2 and 3 of the Bill for the public availability of the annual remuneration statement of each public agency and for examination of the statements without charge by the public. Where copies of the statements are requested from a public agency, a reasonable fee may be charged to defray the cost of copying.

The Bill further provides by section 4 that, for a public agency's failure to comply with the Act, an audit and examination of the public agency's records may be authorized to obtain the information for the preparation and publication of a proper annual remuneration statement. The cost of the audit and preparation of the statement is to be borne by the public agency.

- (a) in the case of a resident elector, by mailing or causing to be delivered to the elector a notice of the location of such polling place; and*
 - (b) in the case of a non-resident elector, by mailing to the elector a notice of the location of such polling place.*

- (8) *Notwithstanding clause (7) (a), the council of a municipality having more than 5,000 electors may, by by-law passed not later than the 1st day in September of an election year, provide that the clerk shall advise each resident elector of the location of the polling place at which that elector is to vote by mailing or causing to be delivered to the address of the elector a notice of the location of such polling place, which notice shall be directed to all the electors at that address.*

It will be observed that in the proposed re-enactment of those two subsections the notice to be given is to include a reference to the date and time of polling, including advance polls, in addition to the location of the polling place.

Subsections (9), (10) and (11) are new. Subsection (9) requires the clerk of a municipality having not more than 5,000 electors to give the notice described in that subsection. Subsection (10) restrains a municipality from repealing a by-law passed by it under subsection (8) later than the 1st day of September in an election year. Subsection (11) provides for notice to be given by newspaper publication in the event of a disruption of postal service.

SECTION 10. Section 49 of the Act provides, *inter alia*, that a public school elector or a separate school elector may respectively vote on the election of a member to a school board where the members of the board are to be elected by public school electors or by separate school electors, as the case may be.

New subsection (4) proposed to be added provides that the determination of school support for these purposes is to be in accordance with the polling list of electors for each polling subdivision as prepared and certified by the clerk after all applications for revision of the preliminary list have been determined.

SECTION 11. Section 57 of the Act now reads as follows:

57. *Where an elector entitled to vote at a polling place applies for a ballot paper and it appears that another person has voted as such elector or that an entry has been made in the polling list in error that such elector has polled his vote, if such person takes an oath in the prescribed form and otherwise establishes his identity to the satisfaction of the deputy returning officer he is entitled to receive a ballot paper.*

The words proposed by the amendment to be added at the end require the D.R.O. to enter on the polling list the name and address of an elector who has voted after another person has apparently voted as that elector.

SECTION 12.—Subsection 1. The clause to be repealed refers to the placing in the ballot box by the D.R.O. of a declaration that, by reason of an earlier amendment to the Act, is no longer required to be taken.

- (b) in the case of a non-resident elector, by mailing to the elector a notice of the date and time of polling and of the location of such polling place.

(8) Notwithstanding clause (7) (a), the council of a municipal- ^{Idem}ity having more than 5,000 electors may, by by-law passed not later than the 1st day of September in an election year, provide that the clerk shall advise each resident elector of the date and time of polling, including advance polls, and of the location of the polling place at which that elector is to vote by mailing or causing to be delivered to the address of the elector a notice of the date and time of polling and of the location of such polling place, which notice shall be directed to all the electors at that address.

(9) In municipalities having not more than 5,000 electors, the ^{Idem} clerk shall post a notice in two conspicuous places within the municipality and, where there is a newspaper having general circulation in the municipality, publish a notice once in the newspaper, advising the date and time of polling including advance polls and the location of the polling places.

(10) A by-law passed under subsection (8) shall remain in ^{Repeal of} effect until repealed but shall not be repealed in an election year ^{by-law} later than the 1st day of September.

(11) Where, by reason of a disruption in mail delivery service, ^{Where postal} it is not possible to comply with subsection (7) or (8), the clerk ^{service} shall publish a notice at least once in a newspaper having general ^{disrupted} circulation in the municipality advising the date and time of polling, including advance polls, and the location of the polling place in which each elector is to vote.

2ND SESSION, 32ND LEGISLATURE, ONTARIO
31 ELIZABETH II, 1982

An Act to amend the Certification of Titles Act

THE HON. R. G. ELGIE
Minister of Consumer and Commercial Relations

EXPLANATORY NOTES

SECTION 1. It is proposed that The Certification of Titles Assurance Fund be combined with The Land Titles Assurance Fund. The amendment to the definition of "assurance fund" reflects the proposed change.

SECTION 2. The Act will be divided into three parts. The existing sections 3 to 9 which relate to certification of titles by application will form Part I of the Act.

SECTION 3. The amendment clarifies that section 9 applies only to Part I of the Act.

SECTION 4. The proposed Part II authorizes the Director of Titles to certify the title to existing plans of subdivision as of the date of registration of the plan. The Director will be authorized to issue certificates on his own initiative and without holding a hearing if he is satisfied that the person who signed the plan as owner was the owner of the lands on the day the plan was registered. A certificate issued under this Part will eliminate the need for title searchers to search behind plans when searching title.

The Director will be authorized to hold hearings if he considers it necessary. Procedures similar to those for hearings under Part I will apply to hearings under Part II.

A person wrongfully deprived of land as a result of the operation of Part II will have the same rights against the assurance fund as a person who is wrongfully deprived of land under Part I.

PRINTED BY ALAN GORDON, QUEEN'S PRINTER FOR ONTARIO

EXPLANATORY NOTE

The purpose of the Bill is to broaden the criteria used by the Workmen's Compensation Board in assessing the impairment of earning capacity resulting from an injury that causes permanent disability. The Act currently states that the impairment of earning capacity shall be estimated from the nature and degree of the injury. The Board is authorized under the Act to compile a rating schedule of percentages of impairment of earning capacity for specified injuries that may be used as a guide in determining the compensation payable in permanent disability cases. The Bill repeals the provision that authorizes the Board to compile a rating schedule and directs the Board to estimate the impairment of earning capacity in light of all the circumstances of each individual case.

- 1.—(1) Subsection 43 (1) of the *Workmen's Compensation Act*, being ^{s. 43 (1),} chapter 539 of the Revised Statutes of Ontario, 1980 is ^{re-enacted} repealed and the following substituted therefor:

(1) Where permanent disability results from the injury, the impairment of earning capacity of the employee shall be estimated in light of all the circumstances of the particular case, and the compensation shall be a weekly or other periodical payment during the lifetime of the employee, or such other period as the Board may fix, of a sum proportionate to such impairment not exceeding in any case the like proportion of 75 per cent of his average weekly earnings during the twelve months immediately preceding the accident or such lesser period as he has been employed.

(1a) In considering the circumstances of the case, the Board ^{Considerations} shall have particular regard to,

- (a) the extent of the physical disability;
- (b) the age of the employee;
- (c) the level of skills and education achieved by the employee;
- (d) the language spoken by the employee;
- (e) any emotional problems suffered by the employee as a result of the injury;
- (f) the state of the employment market, both generally and in the local community in which the employee resides;
- (g) the potential for the employee to rehabilitate himself through vocational rehabilitation;

(h) any other factor that is relevant to determining the employee's ability to earn income after the accident in comparison with the employee's ability to earn income before the accident.

2ND SESSION, 32ND LEGISLATURE, ONTARIO
31 ELIZABETH II, 1982

An Act to provide for Class Actions

MR. SWART

EXPLANATORY NOTE

The purpose of this Bill is to provide a statutory procedure whereby one or more persons may sue a defendant in the form of a class action.

The Bill is designed to achieve this purpose by permitting a person who wishes to sue on behalf of a class to apply for a court order authorizing the class action. Once the order is obtained, the action proceeds as a class action, and the final judgment binds all members of the class, except those who have been excluded, as well as the parties to the action.

An Act to provide for Class Actions

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. In this Act, "Court" means the Supreme Court of Ontario. ^{Interpretation}

2.—(1) Where a person has a cause of action involving questions of law or fact that are common to a class of persons, he may commence the action as representative party on behalf of the class. ^{Class action}

(2) An action under subsection (1) shall not be maintained as a class action unless the person or persons suing as representative party has obtained an order of the Court permitting the action to proceed as a class action. ^{Order required}

3.—(1) A representative party may apply to the Court for an order referred to in section 2, and the Court may make the order where it is satisfied that, ^{Where order to be granted}

- (a) the claims of the representative party are typical of the claims of the class;
- (b) the questions of law or fact common to the members of the class predominate over any questions affecting only individual members;
- (c) a class action is superior to other available methods for the fair and efficient adjudication of the controversy; and
- (d) the representative party is acting in good faith and it is *prima facie* in the interests of the class that the action be maintained as a class action.

(2) The Court shall not refuse to make an order under this section on the ground only that, ^{Where order not to be denied}

- (a) the relief claimed in the action includes a claim for damages;
- (b) the relief claimed in the action arises out of or relates to separate contracts or transactions made with or entered into between members of the class and the defendant; or
- (c) any damages claimed for members of the class will require individual action.

Content
of order

(3) An order under subsection (1) shall,

- (a) define the class on whose behalf the claim is brought;
- (b) describe briefly the nature of the claim made and of the relief sought;
- (c) state the questions of law or fact that are common to the class; and
- (d) specify a date before which members of the class may exclude themselves from the class.

Variation
of order

(4) An order made under this section may be varied from time to time or rescinded by the Court if it thinks it fit and just to do so before judgment in the action.

Notice of
class action

4.—(1) Where an order is made under section 3, the Court may direct that notice in manner and form satisfactory to the Court be given to the members of the class or any of them advising them of the proceedings and of the date before which members of the class may exclude themselves from the class.

Statement
of desire
for exclu-
sion from
the class

(2) Where a person has notice that he is a member of a class on behalf of which a representative party is suing he shall be excluded from the class by filing with the Court a statement of his desire to be excluded, in writing signed by him prior to the date specified in the order under section 3, and may be excluded, in the discretion of the Court, where the statement is filed subsequent to the date specified in the order and prior to judgment.

Judgment

5.—(1) The judgment in a class action constitutes a final judgment between each member of the class who was not excluded under section 4 and each person against whom the class action was taken in respect of those matters set out in the order under section 3.

(2) Notwithstanding anything in subsection (1), the Court ^{Idem} may provide in the judgment for subsequent determination of the amount of compensation for loss or damage suffered by members of the class or any other issues.

6. An action maintained as a class action shall not be discontinued, settled or dismissed for want of prosecution without the approval of the Court, and, if the Court determines that the interests of the class may be substantially affected by such discontinuance, settlement or dismissal, the Court may direct that notice in manner, form and content satisfactory to the Court shall be given. ^{Discontinuance, settlement, etc.}

7. This Act comes into force on the day it receives Royal Assent. ^{Commencement}

BILL 125

1982

An Act to amend the Children's Law Reform Act

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. The *Children's Law Reform Act*, being chapter 68 of the Revised Statutes of Ontario, 1980, is amended by adding thereto the following Part: ^{Act, amended}

PART III

CUSTODY, ACCESS AND GUARDIANSHIP

INTERPRETATION

18.—(1) In this Part,

Interpre-
tation

- (a) "court" means a provincial court (family division), the Unified Family Court, a county or district court, the Supreme Court or a surrogate court exercising jurisdiction under section 72;
- (b) "extra-provincial order" means an order, or that part of an order of an extra-provincial tribunal that grants to a person custody of or access to a child;
- (c) "extra-provincial tribunal" means a court or tribunal outside Ontario that has jurisdiction to grant to a person custody of or access to a child.

(2) A reference in this Part to a child is a reference to the child while a minor. ^{Child}

Purposes

19. The purposes of this Part are,

- (a) to ensure that applications to the courts in respect of custody of, incidents of custody of, access to and guardianship for children will be determined on the basis of the best interests of the children;
- (b) to recognize that the concurrent exercise of jurisdiction by judicial tribunals of more than one province, territory or state in respect of the custody of the same child ought to be avoided, and to make provision so that the courts of Ontario will, unless there are exceptional circumstances, refrain from exercising or decline jurisdiction in cases where it is more appropriate for the matter to be determined by a tribunal having jurisdiction in another place with which the child has a closer connection;
- (c) to discourage the abduction of children as an alternative to the determination of custody rights by due process; and
- (d) to provide for the more effective enforcement of custody and access orders and for the recognition and enforcement of custody and access orders made outside Ontario.

CUSTODY AND ACCESS

Father and
mother

SCHEDULE

CONVENTION ON THE CIVIL ASPECTS OF INTERNATIONAL CHILD ABDUCTION

The States signatory to the present Convention,

Firmly convinced that the interests of children are of paramount importance in matters relating to their custody,

Desiring to protect children internationally from the harmful effects of their wrongful removal or retention and to establish procedures to ensure their prompt return to the State of their habitual residence, as well as to secure protection for rights of access,

Have resolved to conclude a Convention to this effect and have agreed upon the following provisions:

CHAPTER I—SCOPE OF THE CONVENTION

Article 1

The objects of the present Convention are:

- (a) to secure the prompt return of children wrongfully removed to or retained in any Contracting State; and
- (b) to ensure that rights of custody and of access under the law of one Contracting State are effectively respected in the other Contracting States.

Article 2

Contracting States shall take all appropriate measures to secure within their territories the implementation of the objects of the Convention. For this purpose they shall use the most expeditious procedures available.

Article 3

The removal or the retention of a child is to be considered wrongful where:

- (a) it is in breach of rights of custody attributed to a person, an institution or any other body, either jointly or alone, under the law of the State in which the child was habitually resident immediately before the removal or retention; and

- (b) at the time of removal or retention those rights were actually exercised, either jointly or alone, or would have been so exercised but for the removal or retention.

The rights of custody mentioned in sub-paragraph (a) above, may arise in particular by operation of law or by reason of a judicial or administrative decision, or by reason of an agreement having legal effect under the law of that State.

Article 4

The Convention shall apply to any child who was habitually resident in a Contracting State immediately before any breach of custody or access rights. The Convention shall cease to apply when the child attains the age of 16 years.

Article 5

For the purposes of this Convention:

- (a) 'rights of custody' shall include rights relating to the care of the person of the child and, in particular, the right to determine the child's place of residence;
- (b) 'rights of access' shall include the right to take a child for a limited period of time to a place other than the child's habitual residence.

CHAPTER II—CENTRAL AUTHORITIES

Article 6

A Contracting State shall designate a Central Authority to discharge the duties which are imposed by the Convention upon such authorities.

Federal States, States with more than one system of law or States having autonomous territorial organizations shall be free to appoint more than one Central Authority and to specify the territorial extent of their powers. Where a State has appointed more than one Central Authority, it shall designate the Central Authority to which applications may be addressed for transmission to the appropriate Central Authority within that State.

Article 7

Central Authorities shall co-operate with each other and promote co-operation amongst the competent authorities in their respective States to secure the prompt return of children and to achieve the other objects of this Convention.

In particular, either directly or through any intermediary, they shall take all appropriate measures:

- (a) to discover the whereabouts of a child who has been wrongfully removed or retained;
- (b) to prevent further harm to the child or prejudice to interested parties by taking or causing to be taken provisional measures;
- (c) to secure the voluntary return of the child or to bring about an amicable resolution of the issues;
- (d) to exchange, where desirable, information relating to the social background of the child;

- (e) to provide information of a general character as to the law of their State in connection with the application of the Convention;
- (f) to initiate or facilitate the institution of judicial or administrative proceedings with a view to obtaining the return of the child and, in a proper case, to make arrangements for organizing or securing the effective exercise of rights of access;
- (g) where the circumstances so require, to provide or facilitate the provision of legal aid and advice, including the participation of legal counsel and advisers;
- (h) to provide such administrative arrangements as may be necessary and appropriate to secure the safe return of the child;
- (i) to keep each other informed with respect to the operation of this Convention and, as far as possible, to eliminate any obstacles to its application.

CHAPTER III—RETURN OF CHILDREN

Article 8

Any person, institution or other body claiming that a child has been removed or retained in breach of custody rights may apply either to the Central Authority of the child's habitual residence or to the Central Authority of any other Contracting State for assistance in securing the return of the child.

The application shall contain:

- (a) information concerning the identity of the applicant, of the child and of the person alleged to have removed or retained the child;
- (b) where available, the date of birth of the child;
- (c) the grounds on which the applicant's claim for return of the child is based;
- (d) all available information relating to the whereabouts of the child and the identity of the person with whom the child is presumed to be.

The application may be accompanied or supplemented by:

- (e) an authenticated copy of any relevant decision or agreement;
- (f) a certificate or an affidavit emanating from a Central Authority, or other competent authority of the State of the child's habitual residence, or from a qualified person, concerning the relevant law of that State;
- (g) any other relevant document.

Article 9

If the Central Authority which receives an application referred to in Article 8 has reason to believe that the child is in another Contracting State, it shall directly and without delay transmit the application to the Central Authority of that Contracting State and inform the requesting Central Authority, or the applicant, as the case may be.

Article 10

The Central Authority of the State where the child is shall take or cause to be taken all appropriate measures in order to obtain the voluntary return of the child.

Article 11

The judicial or administrative authorities of Contracting States shall act expeditiously in proceedings for the return of children.

If the judicial or administrative authority concerned has not reached a decision within six weeks from the date of commencement of the proceedings, the applicant or the Central Authority of the requested State, on its own initiative or if asked by the Central Authority of the requesting State, shall have the right to request a statement of the reasons for the delay. If a reply is received by the Central Authority of the requested State, that Authority shall transmit the reply to the Central Authority of the requesting State, or to the applicant, as the case may be.

Article 12

Where a child has been wrongfully removed or retained in terms of Article 3 and, at the date of the commencement of the proceedings before the judicial or administrative authority of the Contracting State where the child is, a period of less than one year has elapsed from the date of the wrongful removal or retention, the authority concerned shall order the return of the child forthwith.

The judicial or administrative authority, even where the proceedings have been commenced after the expiration of the period of one year referred to in the preceding paragraph, shall also order the return of the child, unless it is demonstrated that the child is now settled in its new environment.

Where the judicial or administrative authority in the requested State has reason to believe that the child has been taken to another State, it may stay the proceedings or dismiss the application for the return of the child.

Article 13

Notwithstanding the provisions of the preceding Article, the judicial or administrative authority of the requested State is not bound to order the return of the child if the person, institution or other body which opposes its return establishes that:

- (a) the person, institution or other body having the care of the person of the child was not actually exercising the custody rights at the time of removal or retention, or had consented to or subsequently acquiesced in the removal or retention; or
- (b) there is a grave risk that his or her return would expose the child to physical or psychological harm or otherwise place the child in an intolerable situation.

The judicial or administrative authority may also refuse to order the return of the child if it finds that the child objects to being returned and has attained an age and degree of maturity at which it is appropriate to take account of its views.

In considering the circumstances referred to in this Article, the judicial and administrative authorities shall take into account the information relating to the social background of the child provided by the Central Authority or other competent authority of the child's habitual residence.

Article 14

In ascertaining whether there has been a wrongful removal or retention within the meaning of Article 3, the judicial or administrative authorities of the requested State may take notice directly of the law of, and of judicial or administrative decisions, formally recognized or not in the State of the habitual residence of the child, without recourse to the specific procedures for the proof of that law or for the recognition of foreign decisions which would otherwise be applicable.

Article 15

The judicial or administrative authorities of a Contracting State may, prior to the making of an order for the return of the child, request that the applicant obtain from the authorities of the State of the habitual residence of the child a decision or other determination that the removal or retention was wrongful within the meaning of Article 3 of the Convention, where such a decision or determination may be obtained in that State. The Central Authorities of the Contracting States shall so far as practicable assist applicants to obtain such a decision or determination.

Article 16

After receiving notice of a wrongful removal or retention of a child in the sense of Article 3, the judicial or administrative authorities of the Contracting State to which the child has been removed or in which it has been retained shall not decide on the merits of rights of custody until it has been determined that the child is not to be returned under this Convention or unless an application under this Convention is not lodged within a reasonable time following receipt of the notice.

Article 17

The sole fact that a decision relating to custody has been given in or is entitled to recognition in the requested State shall not be a ground for refusing to return a child under this Convention, but the judicial or administrative authorities of the requested State may take account of the reasons for that decision in applying this Convention.

Article 18

The provisions of this Chapter do not limit the power of a judicial or administrative authority to order the return of the child at any time.

Article 19

A decision under this Convention concerning the return of the child shall not be taken to be a determination on the merits of any custody issue.

Article 20

The return of the child under the provisions of Article 12 may be refused if this would not be permitted by the fundamental principles of the requested State relating to the protection of human rights and fundamental freedoms.

CHAPTER IV—RIGHTS OF ACCESS

Article 21

An application to make arrangements for organizing or securing the effective exercise of rights of access may be presented to the Central Authorities of the Contracting States in the same way as an application for the return of a child.

The Central Authorities are bound by the obligations of co-operation which are set forth in Article 7 to promote the peaceful enjoyment of access rights and the fulfilment of any conditions to which the exercise of those rights may be subject. The Central Authorities shall take steps to remove, as far as possible, all obstacles to the exercise of such rights.

The Central Authorities, either directly or through intermediaries, may initiate or assist in the institution of proceedings with a view to organizing or protecting these rights and securing respect for the conditions to which the exercise of these rights may be subject.

CHAPTER V—GENERAL PROVISIONS

Article 22

No security, bond or deposit, however described, shall be required to guarantee the payment of costs and expenses in the judicial or administrative proceedings falling within the scope of this Convention.

Article 23

No legalization or similar formality may be required in the context of this Convention.

Article 24

Any application, communication or other document sent to the Central Authority of the requested State shall be in the original language, and shall be accompanied by a translation into the official language or one of the official languages of the requested State or, where that is not feasible, a translation into French or English.

However, a Contracting State may, by making a reservation in accordance with Article 42, object to the use of either French or English, but not both, in any application, communication or other document sent to its Central Authority.

Article 25

Nationals of the Contracting States and persons who are habitually resident within those States shall be entitled in matters concerned with the application of this Convention to legal aid and advice in any other Contracting State on the same conditions as if they themselves were nationals of and habitually resident in that State.

Article 26

Each Central Authority shall bear its own costs in applying this Convention.

Central Authorities and other public services of Contracting States shall not impose any charges in relation to applications submitted under this Convention. In particular, they may not require any payment from the applicant towards the costs and expenses of the proceedings or, where applicable, those arising from the participation of legal counsel or advisers. However, they may require the payment of the expenses incurred or to be incurred in implementing the return of the child.

However, a Contracting State may, by making a reservation in accordance with Article 42, declare that it shall not be bound to assume any costs referred to in the preceding paragraph resulting from the participation of legal counsel or advisers or from court proceedings, except insofar as those costs may be covered by its system of legal aid and advice.

Upon ordering the return of a child or issuing an order concerning rights of access under this Convention, the judicial or administrative authorities may, where appropriate, direct the person who removed or retained the child, or who prevented the exercise of rights of access, to pay necessary expenses incurred by or on behalf of the applicant, including travel expenses, any costs incurred or payments made for locating the child, the costs of legal representation of the applicant, and those of returning the child.

Article 27

When it is manifest that the requirements of this Convention are not fulfilled or that the application is otherwise not well founded, a Central Authority is not bound to accept the application. In that case, the Central Authority shall forthwith inform the applicant or the Central Authority through which the application was submitted, as the case may be, of its reasons.

Article 28

A Central Authority may require that the application be accompanied by a written authorization empowering it to act on behalf of the applicant, or to designate a representative so to act.

Article 29

This Convention shall not preclude any person, institution or body who claims that there has been a breach of custody or access rights within the meaning of Article 3 or 21 from applying directly to the judicial or administrative authorities of a Contracting State, whether or not under the provisions of this Convention.

Article 30

Any application submitted to the Central Authorities or directly to the judicial or administrative authorities of a Contracting State in accordance with the terms of this Convention, together with documents and any other information appended thereto or provided by a Central Authority, shall be admissible in the courts or administrative authorities of the Contracting States.

Article 31

In relation to a State which in matters of custody of children has two or more systems of law applicable in different territorial units:

- (a) any reference to habitual residence in that State shall be construed as referring to habitual residence in a territorial unit of that State;
- (b) any reference to the law of the State of habitual residence shall be construed as referring to the law of the territorial unit in that State where the child habitually resides.

Article 32

In relation to a State which in matters of custody of children has two or more systems of law applicable to different categories of persons, any reference to the law of that State shall be construed as referring to the legal system specified by the law of that State.

Article 33

A State within which different territorial units have their own rules of law in respect of custody of children shall not be bound to apply this Convention where a State with a unified system of law would not be bound to do so.

Article 34

This Convention shall take priority in matters within its scope over the *Convention of 5 October 1961 concerning the powers of authorities and the law applicable in respect of the protection of minors*, as between Parties to both Conventions. Otherwise the present Convention shall not restrict the application of an international instrument in force between the State of origin and the State addressed or other law of the State addressed for the purposes of obtaining the return of a child who has been wrongfully removed or retained or of organizing access rights.

Article 35

This Convention shall apply as between Contracting States only to wrongful removals or retentions occurring after its entry into force in those States.

Where a declaration has been made under Article 39 or 40, the reference in the preceding paragraph to a Contracting State shall be taken to refer to the territorial unit or units in relation to which this Convention applies.

Article 36

Nothing in this Convention shall prevent two or more Contracting States, in order to limit the restrictions to which the return of the child may be subject, from agreeing among themselves to derogate from any provisions of this Convention which may imply such a restriction.

CHAPTER VI—FINAL CLAUSES

Article 37

The Convention shall be open for signature by the States which were Members of the Hague Conference on Private International Law at the time of its Fourteenth Session.

It shall be ratified, accepted or approved and the instruments of ratification, acceptance or approval shall be deposited with the Ministry of Foreign Affairs of the Kingdom of the Netherlands.

Article 38

Such a declaration shall take effect at the time the Convention enters into force for that State.

Such declaration, as well as any subsequent extension, shall be notified to the Ministry of Foreign Affairs of the Kingdom of the Netherlands.

Article 40

If a Contracting State has two or more territorial units in which different systems of law are applicable in relation to matters dealt with in this Convention, it may at the time of signature, ratification, acceptance, approval or accession declare that this Convention shall extend to all its territorial units or only to one or more of them and may modify this declaration by submitting another declaration at any time.

Any such declaration shall be notified to the Ministry of Foreign Affairs of the Kingdom of the Netherlands and shall state expressly the territorial units to which the Convention applies.

Article 41

Where a Contracting State has a system of government under which executive, judicial and legislative powers are distributed between central and other authorities within that State, its signature or ratification, acceptance or approval of, or accession to this Convention, or its making of any declaration in terms of Article 40 shall carry no implication as to the internal distribution of powers within that State.

Article 42

Any State may, not later than the time of ratification, acceptance, approval or accession, or at the time of making a declaration in terms of Article 39 or 40, make one or both of the reservations provided for in Article 24 and Article 26, third paragraph. No other reservation shall be permitted.

Any State may at any time withdraw a reservation it has made. The withdrawal shall be notified to the Ministry of Foreign Affairs of the Kingdom of the Netherlands.

The reservation shall cease to have effect on the first day of the third calendar month after the notification referred to in the preceding paragraph.

Article 43

The Convention shall enter into force on the first day of the third calendar month after the deposit of the third instrument of ratification, acceptance, approval or accession referred to in Articles 37 and 38.

Thereafter the Convention shall enter into force:

1. for each State ratifying, accepting, approving or acceding to it subsequently, on the first day of the third calendar month after the deposit of its instrument of ratification, acceptance, approval or accession;
2. for any territory or territorial unit to which the Convention has been extended in conformity with Article 39 or 40, on the first day of the third calendar month after the notification referred to in that Article.

Article 44

The Convention shall remain in force for five years from the date of its entry into force in accordance with the first paragraph of Article 43 even for States which subsequently have ratified, accepted, approved it or acceded to it. If there has been no denunciation, it shall be renewed tacitly every five years.

Any denunciation shall be notified to the Ministry of Foreign Affairs of the Kingdom of the Netherlands at least six months before the expiry of the five year period. It may be limited to certain of the territories or territorial units to which the Convention applies.

The denunciation shall have effect only as regards the State which has notified it. The Convention shall remain in force for the other Contracting States.

Article 45

EXPLANATORY NOTE

BILL 125

1982

An Act to amend the Children's Law Reform Act

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. The *Children's Law Reform Act*, being chapter 68 of the Revised Statutes of Ontario, 1980, is amended by adding thereto the following Part:

PART III

CUSTODY, ACCESS AND GUARDIANSHIP

INTERPRETATION

18.—(1) In this Part,

Inter-
pretation

- (a) "court" means a provincial court (family division), the Unified Family Court, a county or district court, the Supreme Court or a surrogate court exercising jurisdiction under section 72;
- (b) "extra-provincial order" means an order, or that part of an order, of an extra-provincial tribunal that grants to a person custody of or access to a child;
- (c) "extra-provincial tribunal" means a court or tribunal outside Ontario that has jurisdiction to grant to a person custody of or access to a child;
- (d) "separation agreement" means an agreement that is a valid separation agreement under Part IV of the *Family Law Reform Act*.

R.S.O. 1980,
c. 152

(2) A reference in this Part to a child is a reference to the child while a minor.

Purposes

19. The purposes of this Part are,

- (a) to ensure that applications to the courts in respect of custody of, incidents of custody of, access to and guardianship for children will be determined on the basis of the best interests of the children;
- (b) to recognize that the concurrent exercise of jurisdiction by judicial tribunals of more than one province, territory or state in respect of the custody of the same child ought to be avoided, and to make provision so that the courts of Ontario will, unless there are exceptional circumstances, refrain from exercising or decline jurisdiction in cases where it is more appropriate for the matter to be determined by a tribunal having jurisdiction in another place with which the child has a closer connection;
- (c) to discourage the abduction of children as an alternative to the determination of custody rights by due process; and
- (d) to provide for the more effective enforcement of custody and access orders and for the recognition and enforcement of custody and access orders made outside Ontario.

CUSTODY AND ACCESS

Father and mother entitled to custody

20.—(1) Except as otherwise provided in this Part, the father and the mother of a child are equally entitled to custody of the child.

Rights and responsibilities

(2) A person entitled to custody of a child has the rights and responsibilities of a parent in respect of the person of the child and must exercise those rights and responsibilities in the best interests of the child.

Authority to act

(3) Where more than one person is entitled to custody of a child, any one of them may exercise the rights and accept the responsibilities of a parent on behalf of them in respect of the child.

Where parents separate

(4) Where the parents of a child live separate and apart and the child lives with one of them with the consent, implied consent or acquiescence of the other of them, the right of the other to exercise the entitlement to custody and the incidents of custody, but not the entitlement to access, is suspended until a separation agreement or order otherwise provides.

Access

(5) The entitlement to access to a child includes the right to visit with and be visited by the child and the same right as a parent to make inquiries and to be given information as to the health, education and welfare of the child.

(6) The entitlement to custody of or access to a child terminates on the marriage of the child. Marriage of child

(7) Any entitlement to custody or access or incidents of custody under this section is subject to alteration by an order of the court or by separation agreement. Entitlement subject to agreement or order

21. A parent of a child or any other person may apply to a court for an order respecting custody of or access to the child or determining any aspect of the incidents of custody of the child. Application for order

22.—(1) A court shall only exercise its jurisdiction to make an order for custody of or access to a child where, Jurisdiction

(a) the child is habitually resident in Ontario at the commencement of the application for the order;

(b) although the child is not habitually resident in Ontario, the court is satisfied,

(i) that the child is physically present in Ontario at the commencement of the application for the order,

(ii) that substantial evidence concerning the best interests of the child is available in Ontario,

(iii) that no application for custody of or access to the child is pending before an extra-provincial tribunal in another place where the child is habitually resident,

(iv) that no extra-provincial order in respect of custody of or access to the child has been recognized by a court in Ontario,

(v) that the child has a real and substantial connection with Ontario, and

(vi) that, on the balance of convenience, it is appropriate for jurisdiction to be exercised in Ontario.

(2) A child is habitually resident in the place where he resided, Habitual residence

(a) with both parents;

(b) where the parents are living separate and apart, with one parent under a separation agreement or with the consent, implied consent or acquiescence of the other or under a court order; or

- (c) with a person other than a parent on a permanent basis for a significant period of time,

whichever last occurred.

Abduction

(3) The removal or withholding of a child without the consent of the person having custody of the child does not alter the habitual residence of the child unless there has been acquiescence or undue delay in commencing due process by the person from whom the child is removed or withheld.

Serious harm to child

23. Notwithstanding sections 22 and 42, a court may exercise its jurisdiction to make or to vary an order in respect of the custody of or access to a child where,

- (a) the child is physically present in Ontario; and
- (b) the court is satisfied that the child would, on the balance of probabilities, suffer serious harm if,
- (i) the child remains in the custody of the person legally entitled to custody of the child,
- (ii) the child is returned to the custody of the person legally entitled to custody of the child, or
- (iii) the child is removed from Ontario.

Merits of application for custody or access

24.—(1) The merits of an application under this Part in respect of custody of or access to a child shall be determined on the basis of the best interests of the child.

Best interests of child

(2) In determining the best interests of a child for the purposes of an application under this Part in respect of custody of or access to a child, a court shall consider all the needs and circumstances of the child including,

- (a) the love, affection and emotional ties between the child and,
- (i) each person entitled to or claiming custody of or access to the child,
- (ii) other members of the child's family who reside with the child, and
- (iii) persons involved in the care and upbringing of the child;
- (b) the views and preferences of the child, where such views and preferences can reasonably be ascertained;

- (c) the length of time the child has lived in a stable home environment;
- (d) the ability and willingness of each person applying for custody of the child to provide the child with guidance and education, the necessaries of life and any special needs of the child;
- (e) any plans proposed for the care and upbringing of the child;
- (f) the permanence and stability of the family unit with which it is proposed that the child will live; and
- (g) the relationship by blood or through an adoption order between the child and each person who is a party to the application.

(3) The past conduct of a person is not relevant to a determination of an application under this Part in respect of custody of or access to a child unless the conduct is relevant to the ability of the person to act as a parent of a child. ^{Past conduct}

25. A court having jurisdiction under this Part in respect of custody or access may decline to exercise its jurisdiction where it is of the opinion that it is more appropriate for jurisdiction to be exercised outside Ontario. ^{Declining jurisdiction}

26.—(1) Where an application under this Part in respect of custody of or access to a child has not been heard within six months after the commencement of the proceedings, the clerk or registrar of the court shall list the application for the court and give notice to the parties of the date and time when and the place where the court will fix a date for the hearing of the application. ^{Delay}

(2) At a hearing of a matter listed by the clerk or registrar in accordance with subsection (1), the court by order may fix a date for the hearing of the application and may give such directions in respect of the proceedings and make such order in respect of the costs of the proceedings as the court considers appropriate. ^{Directions}

(3) Where the court fixes a date under subsection (2), the court shall fix the earliest date that, in the opinion of the court, is compatible with a just disposition of the application. ^{Early date}

27. Where an action for divorce is commenced under the *Divorce Act* (Canada), any application under this Part in respect of custody of or access to a child that has not been determined is stayed except by leave of the court. ^{Effect of divorce proceedings R.S.C. 1970, c. D-8}

(2) Where a court, upon application, is satisfied upon reasonable and probable grounds that a person entitled to access to a child proposes to remove the child from Ontario and is not likely to return the child to Ontario, the court in order to secure the prompt, safe return of the child to Ontario may make an order under subsection (3). Application to ensure return of child

Exception

(2) A court shall not make an order on an application under subsection (1) where it appears to the court that the purpose of the application is to enable the applicant to identify or to obtain particulars as to the identity of a person who has custody of a child, rather than to learn or confirm the whereabouts of the proposed respondent or the enforcement of an order for custody or access.

Compliance with order

(3) The giving of information in accordance with an order under subsection (1) shall be deemed for all purposes not to be a contravention of any Act or regulation or any common law rule of confidentiality.

- (b) that the respondent was not given an opportunity to be heard by the extra-provincial tribunal before the order was made;

Superseding

(a) the child is habitually resident in Ontario at the commencement of the application for the order; or

(b) although the child is not habitually resident in Ontario, the court is satisfied,

(i) that the child is physically present in Ontario at the commencement of the application for the order,

(ii) that the child no longer has a real and substantial connection with the place where the extra-provincial order was made,

(iii) that substantial evidence concerning the best interests of the child is available in Ontario,

(iv) that the child has a real and substantial connection with Ontario, and

(v) that, on the balance of convenience, it is appropriate for jurisdiction to be exercised in Ontario.

Declining
jurisdiction

(2) A court may decline to exercise its jurisdiction under this section where it is of the opinion that it is more appropriate for jurisdiction to be exercised outside Ontario.

44. Upon application, a court by order may supersede an extra-provincial order in respect of custody of or access to a child if the court is satisfied that the child would, on the balance of probability, suffer serious harm if,

Superseding order, serious harm

- (a) the child remains in the custody of the person legally entitled to custody of the child;
- (b) the child is returned to the custody of the person entitled to custody of the child; or
- (c) the child is removed from Ontario.

45. A copy of an extra-provincial order certified as a true copy by a judge, other presiding officer or registrar of the tribunal that made the order or by a person charged with keeping the orders of the tribunal is *prima facie* evidence of the making of the order, the content of the order and the appointment and signature of the judge, presiding officer, registrar or other person.

SCHEDULE

CONVENTION ON THE CIVIL ASPECTS OF INTERNATIONAL CHILD ABDUCTION

The States signatory to the present Convention,

Firmly convinced that the interests of children are of paramount importance in matters relating to their custody,

Desiring to protect children internationally from the harmful effects of their wrongful removal or retention and to establish procedures to ensure their prompt return to the State of their habitual residence, as well as to secure protection for rights of access,

Have resolved to conclude a Convention to this effect and have agreed upon the following provisions:

CHAPTER I—SCOPE OF THE CONVENTION

Article 1

The objects of the present Convention are:

- (a) to secure the prompt return of children wrongfully removed to or retained in any Contracting State; and
- (b) to ensure that rights of custody and of access under the law of one Contracting State are effectively respected in the other Contracting States.

Article 2

Contracting States shall take all appropriate measures to secure within their territories the implementation of the objects of the Convention. For this purpose they shall use the most expeditious procedures available.

Article 3

The removal or the retention of a child is to be considered wrongful where:

- (a) it is in breach of rights of custody attributed to a person, an institution or any other body, either jointly or alone, under the law of the State in which the child was habitually resident immediately before the removal or retention; and

- (b) at the time of removal or retention those rights were actually exercised, either jointly or alone, or would have been so exercised but for the removal or retention.

The rights of custody mentioned in sub-paragraph (a) above, may arise in particular by operation of law or by reason of a judicial or administrative decision, or by reason of an agreement having legal effect under the law of that State.

Article 4

The Convention shall apply to any child who was habitually resident in a Contracting State immediately before any breach of custody or access rights. The Convention shall cease to apply when the child attains the age of 16 years.

Article 5

For the purposes of this Convention:

- (a) 'rights of custody' shall include rights relating to the care of the person of the child and, in particular, the right to determine the child's place of residence;
- (b) 'rights of access' shall include the right to take a child for a limited period of time to a place other than the child's habitual residence.

CHAPTER II—CENTRAL AUTHORITIES

Article 6

A Contracting State shall designate a Central Authority to discharge the duties which are imposed by the Convention upon such authorities.

Federal States, States with more than one system of law or States having autonomous territorial organizations shall be free to appoint more than one Central Authority and to specify the territorial extent of their powers. Where a State has appointed more than one Central Authority, it shall designate the Central Authority to which applications may be addressed for transmission to the appropriate Central Authority within that State.

Article 7

Central Authorities shall co-operate with each other and promote co-operation amongst the competent authorities in their respective States to secure the prompt return of children and to achieve the other objects of this Convention.

In particular, either directly or through any intermediary, they shall take all appropriate measures:

- (a) to discover the whereabouts of a child who has been wrongfully removed or retained;
- (b) to prevent further harm to the child or prejudice to interested parties by taking or causing to be taken provisional measures;
- (c) to secure the voluntary return of the child or to bring about an amicable resolution of the issues;
- (d) to exchange, where desirable, information relating to the social background of the child;

- (e) to provide information of a general character as to the law of their State in connection with the application of the Convention;
- (f) to initiate or facilitate the institution of judicial or administrative proceedings with a view to obtaining the return of the child and, in a proper case, to make arrangements for organizing or securing the effective exercise of rights of access;
- (g) where the circumstances so require, to provide or facilitate the provision of legal aid and advice, including the participation of legal counsel and advisers;
- (h) to provide such administrative arrangements as may be necessary and appropriate to secure the safe return of the child;
- (i) to keep each other informed with respect to the operation of this Convention and, as far as possible, to eliminate any obstacles to its application.

CHAPTER III—RETURN OF CHILDREN

Article 8

Any person, institution or other body claiming that a child has been removed or retained in breach of custody rights may apply either to the Central Authority of the child's habitual residence or to the Central Authority of any other Contracting State for assistance in securing the return of the child.

The application shall contain:

- (a) information concerning the identity of the applicant, of the child and of the person alleged to have removed or retained the child;
- (b) where available, the date of birth of the child;
- (c) the grounds on which the applicant's claim for return of the child is based;
- (d) all available information relating to the whereabouts of the child and the identity of the person with whom the child is presumed to be.

The application may be accompanied or supplemented by:

- (e) an authenticated copy of any relevant decision or agreement;
- (f) a certificate or an affidavit emanating from a Central Authority, or other competent authority of the State of the child's habitual residence, or from a qualified person, concerning the relevant law of that State;
- (g) any other relevant document.

Article 9

If the Central Authority which receives an application referred to in Article 8 has reason to believe that the child is in another Contracting State, it shall directly and without delay transmit the application to the Central Authority of that Contracting State and inform the requesting Central Authority, or the applicant, as the case may be.

Article 10

The Central Authority of the State where the child is shall take or cause to be taken all appropriate measures in order to obtain the voluntary return of the child.

Article 11

The judicial or administrative authorities of Contracting States shall act expeditiously in proceedings for the return of children.

If the judicial or administrative authority concerned has not reached a decision within six weeks from the date of commencement of the proceedings, the applicant or the Central Authority of the requested State, on its own initiative or if asked by the Central Authority of the requesting State, shall have the right to request a statement of the reasons for the delay. If a reply is received by the Central Authority of the requested State, that Authority shall transmit the reply to the Central Authority of the requesting State, or to the applicant, as the case may be.

Article 12

Where a child has been wrongfully removed or retained in terms of Article 3 and, at the date of the commencement of the proceedings before the judicial or administrative authority of the Contracting State where the child is, a period of less than one year has elapsed from the date of the wrongful removal or retention, the authority concerned shall order the return of the child forthwith.

The judicial or administrative authority, even where the proceedings have been commenced after the expiration of the period of one year referred to in the preceding paragraph, shall also order the return of the child, unless it is demonstrated that the child is now settled in its new environment.

Where the judicial or administrative authority in the requested State has reason to believe that the child has been taken to another State, it may stay the proceedings or dismiss the application for the return of the child.

Article 13

Notwithstanding the provisions of the preceding Article, the judicial or administrative authority of the requested State is not bound to order the return of the child if the person, institution or other body which opposes its return establishes that:

- (a) the person, institution or other body having the care of the person of the child was not actually exercising the custody rights at the time of removal or retention, or had consented to or subsequently acquiesced in the removal or retention; or
- (b) there is a grave risk that his or her return would expose the child to physical or psychological harm or otherwise place the child in an intolerable situation.

The judicial or administrative authority may also refuse to order the return of the child if it finds that the child objects to being returned and has attained an age and degree of maturity at which it is appropriate to take account of its views.

In considering the circumstances referred to in this Article, the judicial and administrative authorities shall take into account the information relating to the social background of the child provided by the Central Authority or other competent authority of the child's habitual residence.

Article 14

In ascertaining whether there has been a wrongful removal or retention within the meaning of Article 3, the judicial or administrative authorities of the requested State may take notice directly of the law of, and of judicial or administrative decisions, formally recognized or not in the State of the habitual residence of the child, without recourse to the specific procedures for the proof of that law or for the recognition of foreign decisions which would otherwise be applicable.

Article 15

The judicial or administrative authorities of a Contracting State may, prior to the making of an order for the return of the child, request that the applicant obtain from the authorities of the State of the habitual residence of the child a decision or other determination that the removal or retention was wrongful within the meaning of Article 3 of the Convention, where such a decision or determination may be obtained in that State. The Central Authorities of the Contracting States shall so far as practicable assist applicants to obtain such a decision or determination.

Article 16

After receiving notice of a wrongful removal or retention of a child in the sense of Article 3, the judicial or administrative authorities of the Contracting State to which the child has been removed or in which it has been retained shall not decide on the merits of rights of custody until it has been determined that the child is not to be returned under this Convention or unless an application under this Convention is not lodged within a reasonable time following receipt of the notice.

Article 17

The sole fact that a decision relating to custody has been given in or is entitled to recognition in the requested State shall not be a ground for refusing to return a child under this Convention, but the judicial or administrative authorities of the requested State may take account of the reasons for that decision in applying this Convention.

Article 18

The provisions of this Chapter do not limit the power of a judicial or administrative authority to order the return of the child at any time.

Article 19

A decision under this Convention concerning the return of the child shall not be taken to be a determination on the merits of any custody issue.

Article 20

The return of the child under the provisions of Article 12 may be refused if this would not be permitted by the fundamental principles of the requested State relating to the protection of human rights and fundamental freedoms.

CHAPTER IV—RIGHTS OF ACCESS

Article 21

An application to make arrangements for organizing or securing the effective exercise of rights of access may be presented to the Central Authorities of the Contracting States in the same way as an application for the return of a child.

The Central Authorities are bound by the obligations of co-operation which are set forth in Article 7 to promote the peaceful enjoyment of access rights and the fulfilment of any conditions to which the exercise of those rights may be subject. The Central Authorities shall take steps to remove, as far as possible, all obstacles to the exercise of such rights.

The Central Authorities, either directly or through intermediaries, may initiate or assist in the institution of proceedings with a view to organizing or protecting these rights and securing respect for the conditions to which the exercise of these rights may be subject.

CHAPTER V—GENERAL PROVISIONS

Article 22

No security, bond or deposit, however described, shall be required to guarantee the payment of costs and expenses in the judicial or administrative proceedings falling within the scope of this Convention.

Article 23

No legalization or similar formality may be required in the context of this Convention.

Article 24

Any application, communication or other document sent to the Central Authority of the requested State shall be in the original language, and shall be accompanied by a translation into the official language or one of the official languages of the requested State or, where that is not feasible, a translation into French or English.

However, a Contracting State may, by making a reservation in accordance with Article 42, object to the use of either French or English, but not both, in any application, communication or other document sent to its Central Authority.

Article 25

Nationals of the Contracting States and persons who are habitually resident within those States shall be entitled in matters concerned with the application of this Convention to legal aid and advice in any other Contracting State on the same conditions as if they themselves were nationals of and habitually resident in that State.

Article 26

Each Central Authority shall bear its own costs in applying this Convention.

Central Authorities and other public services of Contracting States shall not impose any charges in relation to applications submitted under this Convention. In particular, they may not require any payment from the applicant towards the costs and expenses of the proceedings or, where applicable, those arising from the participation of legal counsel or advisers. However, they may require the payment of the expenses incurred or to be incurred in implementing the return of the child.

However, a Contracting State may, by making a reservation in accordance with Article 42, declare that it shall not be bound to assume any costs referred to in the preceding paragraph resulting from the participation of legal counsel or advisers or from court proceedings, except insofar as those costs may be covered by its system of legal aid and advice.

Upon ordering the return of a child or issuing an order concerning rights of access under this Convention, the judicial or administrative authorities may, where appropriate, direct the person who removed or retained the child, or who prevented the exercise of rights of access, to pay necessary expenses incurred by or on behalf of the applicant, including travel expenses, any costs incurred or payments made for locating the child, the costs of legal representation of the applicant, and those of returning the child.

Article 27

When it is manifest that the requirements of this Convention are not fulfilled or that the application is otherwise not well founded, a Central Authority is not bound to accept the application. In that case, the Central Authority shall forthwith inform the applicant or the Central Authority through which the application was submitted, as the case may be, of its reasons.

Article 28

A Central Authority may require that the application be accompanied by a written authorization empowering it to act on behalf of the applicant, or to designate a representative so to act.

Article 29

This Convention shall not preclude any person, institution or body who claims that there has been a breach of custody or access rights within the meaning of Article 3 or 21 from applying directly to the judicial or administrative authorities of a Contracting State, whether or not under the provisions of this Convention.

Article 30

Any application submitted to the Central Authorities or directly to the judicial or administrative authorities of a Contracting State in accordance with the terms of this Convention, together with documents and any other information appended thereto or provided by a Central Authority, shall be admissible in the courts or administrative authorities of the Contracting States.

Article 31

In relation to a State which in matters of custody of children has two or more systems of law applicable in different territorial units:

- (a) any reference to habitual residence in that State shall be construed as referring to habitual residence in a territorial unit of that State;
- (b) any reference to the law of the State of habitual residence shall be construed as referring to the law of the territorial unit in that State where the child habitually resides.

Article 32

In relation to a State which in matters of custody of children has two or more systems of law applicable to different categories of persons, any reference to the law of that State shall be construed as referring to the legal system specified by the law of that State.

Article 33

A State within which different territorial units have their own rules of law in respect of custody of children shall not be bound to apply this Convention where a State with a unified system of law would not be bound to do so.

Article 34

This Convention shall take priority in matters within its scope over the *Convention of 5 October 1961 concerning the powers of authorities and the law applicable in respect of the protection of minors*, as between Parties to both Conventions. Otherwise the present Convention shall not restrict the application of an international instrument in force between the State of origin and the State addressed or other law of the State addressed for the purposes of obtaining the return of a child who has been wrongfully removed or retained or of organizing access rights.

Article 35

This Convention shall apply as between Contracting States only to wrongful removals or retentions occurring after its entry into force in those States.

Where a declaration has been made under Article 39 or 40, the reference in the preceding paragraph to a Contracting State shall be taken to refer to the territorial unit or units in relation to which this Convention applies.

Article 36

Nothing in this Convention shall prevent two or more Contracting States, in order to limit the restrictions to which the return of the child may be subject, from agreeing among themselves to derogate from any provisions of this Convention which may imply such a restriction.

CHAPTER VI—FINAL CLAUSES

Article 37

The Convention shall be open for signature by the States which were Members of the Hague Conference on Private International Law at the time of its Fourteenth Session.

It shall be ratified, accepted or approved and the instruments of ratification, acceptance or approval shall be deposited with the Ministry of Foreign Affairs of the Kingdom of the Netherlands.

Article 38

Any other State may accede to the Convention.

The instrument of accession shall be deposited with the Ministry of Foreign Affairs of the Kingdom of the Netherlands.

The Convention shall enter into force for a State acceding to it on the first day of the third calendar month after the deposit of its instrument of accession.

The accession will have effect only as regards the relations between the acceding State and such Contracting States as will have declared their acceptance of the accession. Such a declaration will also have to be made by any Member State ratifying, accepting or approving the Convention after an accession. Such declaration shall be deposited at the Ministry of Foreign Affairs of the Kingdom of the Netherlands; this Ministry shall forward, through diplomatic channels, a certified copy to each of the Contracting States.

The Convention will enter into force as between the acceding State and the State that has declared its acceptance of the accession on the first day of the third calendar month after the deposit of the declaration of acceptance.

Article 39

Any State may, at the time of signature, ratification, acceptance, approval or accession, declare that the Convention shall extend to all the territories for the international relations of which it is responsible, or to one or more of them. Such a declaration shall take effect at the time the Convention enters into force for that State.

Such declaration, as well as any subsequent extension, shall be notified to the Ministry of Foreign Affairs of the Kingdom of the Netherlands.

Article 40

If a Contracting State has two or more territorial units in which different systems of law are applicable in relation to matters dealt with in this Convention, it may at the time of signature, ratification, acceptance, approval or accession declare that this Convention shall extend to all its territorial units or only to one or more of them and may modify this declaration by submitting another declaration at any time.

Any such declaration shall be notified to the Ministry of Foreign Affairs of the Kingdom of the Netherlands and shall state expressly the territorial units to which the Convention applies.

Article 41

Where a Contracting State has a system of government under which executive, judicial and legislative powers are distributed between central and other authorities within that State, its signature or ratification, acceptance or approval of, or accession to this Convention, or its making of any declaration in terms of Article 40 shall carry no implication as to the internal distribution of powers within that State.

Article 42

Any State may, not later than the time of ratification, acceptance, approval or accession, or at the time of making a declaration in terms of Article 39 or 40, make one or both of the reservations provided for in Article 24 and Article 26, third paragraph. No other reservation shall be permitted.

Any State may at any time withdraw a reservation it has made. The withdrawal shall be notified to the Ministry of Foreign Affairs of the Kingdom of the Netherlands.

The reservation shall cease to have effect on the first day of the third calendar month after the notification referred to in the preceding paragraph.

Article 43

The Convention shall enter into force on the first day of the third calendar month after the deposit of the third instrument of ratification, acceptance, approval or accession referred to in Articles 37 and 38.

Thereafter the Convention shall enter into force:

1. for each State ratifying, accepting, approving or acceding to it subsequently, on the first day of the third calendar month after the deposit of its instrument of ratification, acceptance, approval or accession;
2. for any territory or territorial unit to which the Convention has been extended in conformity with Article 39 or 40, on the first day of the third calendar month after the notification referred to in that Article.

Article 44

The Convention shall remain in force for five years from the date of its entry into force in accordance with the first paragraph of Article 43 even for States which subsequently have ratified, accepted, approved it or acceded to it. If there has been no denunciation, it shall be renewed tacitly every five years.

Any denunciation shall be notified to the Ministry of Foreign Affairs of the Kingdom of the Netherlands at least six months before the expiry of the five year period. It may be limited to certain of the territories or territorial units to which the Convention applies.

The denunciation shall have effect only as regards the State which has notified it. The Convention shall remain in force for the other Contracting States.

Article 45

The Ministry of Foreign Affairs of the Kingdom of the Netherlands shall notify the States Members of the Conference, and the States which have acceded in accordance with Article 38, of the following:

1. the signatures and ratifications, acceptances and approvals referred to in Article 37;
2. the accessions referred to in Article 38;
3. the date on which the Convention enters into force in accordance with Article 43;
4. the extensions referred to in Article 39;
5. the declarations referred to in Articles 38 and 40;
6. the reservations referred to in Article 24 and Article 26, third paragraph, and the withdrawals referred to in Article 42;
7. the denunciations referred to in Article 44.

Purposes

19. The purposes of this Part are,

- (a) to ensure that applications to the courts in respect of custody of, incidents of custody of, access to and guardianship for children will be determined on the basis of the best interests of the children;
- (b) to recognize that the concurrent exercise of jurisdiction by judicial tribunals of more than one province, territory or state in respect of the custody of the same child ought to be avoided, and to make provision so that the courts of Ontario will, unless there are exceptional circumstances, refrain from exercising or decline jurisdiction in cases where it is more appropriate for the matter to be determined by a tribunal having jurisdiction in another place with which the child has a closer connection;
- (c) to discourage the abduction of children as an alternative to the determination of custody rights by due process; and
- (d) to provide for the more effective enforcement of custody and access orders and for the recognition and enforcement of custody and access orders made outside Ontario.

CUSTODY AND ACCESS

Father and
mother

Authority
to act

(3) Where more than one person is entitled to custody of a child, any one of them may exercise the rights and accept the responsibilities of a parent on behalf of them in respect of the child.

Where

separate

(4) Where the parents of a child live separate and apart and the child lives with one of them with the consent, implied consent or acquiescence of the other of them, the right of the other to exercise the entitlement to custody and the incidents of custody, but not the entitlement to access, is suspended until a separation agreement or order otherwise provides.

whichever last occurred.

Abduction

(3) The removal or withholding of a child without the consent of the person having custody of the child does not alter the habitual residence of the child unless there has been acquiescence or undue delay in commencing due process by the person from whom the child is removed or withheld.

Serious harm to child

23. Notwithstanding sections 22 and 42, a court may exercise its jurisdiction to make or to vary an order in respect of the custody of or access to a child where,

25. A court having jurisdiction under this Part in respect of custody or access may decline to exercise its jurisdiction where it is of the opinion that it is more appropriate for jurisdiction to be exercised outside Ontario. ^{Declining jurisdiction}

Fees and expenses

(8) The court shall require the parties to pay the fees and expenses of the mediator.

Idem, proportions or amounts

(9) The court shall specify in the order the proportions or amounts of the fees and expenses that the court requires each party to pay.

Idem, serious financial hardship

(10) The court may relieve a party from responsibility for payment of any of the fees and expenses of the mediator where the court is satisfied that payment would cause serious financial hardship to the party.

Official Guardian's report

32. In an application under this Part in respect of a child, the court may require the Official Guardian to cause an investigation to be made and to report to the court upon all matters relating to the custody, support and education of the child, in which case section 1 of the *Matrimonial Causes Act* shall apply with necessary modifications and, for the purpose, the applicant shall be deemed to be the petitioner.

(b) although the child is not habitually resident in Ontario, the court is satisfied,

(i) that the child is physically present in Ontario at the commencement of the application for the order,

(iii) that substantial evidence concerning the best interests of the child is available in Ontario;

(iv) that the child has a real and substantial connection with Ontario, and

(v) that, on the balance of convenience, it is appropriate for jurisdiction to be exercised in Ontario.

Declining jurisdiction

(2) A court may decline to exercise its jurisdiction under this section where it is of the opinion that it is more appropriate for jurisdiction to be exercised outside Ontario.

44. Upon application, a court by order may supersede an extra-provincial order in respect of custody of or access to a child if the court is satisfied that the child would, on the balance of probability, suffer serious harm if,

Superseding order, serious harm

- (a) the child remains in the custody of the person legally entitled to custody of the child;
- (b) the child is returned to the custody of the person entitled to custody of the child; or
- (c) the child is removed from Ontario.

SCHEDULE

CONVENTION ON THE CIVIL ASPECTS OF INTERNATIONAL CHILD ABDUCTION

The States signatory to the present Convention,

Firmly convinced that the interests of children are of paramount importance in matters relating to their custody,

Desiring to protect children internationally from the harmful effects of their wrongful removal or retention and to establish procedures to ensure their prompt return to the State of their habitual residence, as well as to secure protection for rights of access,

Have resolved to conclude a Convention to this effect and have agreed upon the following provisions:

CHAPTER I—SCOPE OF THE CONVENTION

Article 1

The objects of the present Convention are:

- (a) to secure the prompt return of children wrongfully removed to or retained in any Contracting State; and
- (b) to ensure that rights of custody and of access under the law of one Contracting State are effectively respected in the other Contracting States.

Article 2

Contracting States shall take all appropriate measures to secure within their territories the implementation of the objects of the Convention. For this purpose they shall use the most expeditious procedures available.

Article 3

The removal or the retention of a child is to be considered wrongful where:

- (a) it is in breach of rights of custody attributed to a person, an institution or any other body, either jointly or alone, under the law of the State in which the child was habitually resident immediately before the removal or retention; and

- (b) at the time of removal or retention those rights were actually exercised, either jointly or alone, or would have been so exercised but for the removal or retention.

The rights of custody mentioned in sub-paragraph (a) above, may arise in particular by operation of law or by reason of a judicial or administrative decision, or by reason of an agreement having legal effect under the law of that State.

Article 4

The Convention shall apply to any child who was habitually resident in a Contracting State immediately before any breach of custody or access rights. The Convention shall cease to apply when the child attains the age of 16 years.

Article 5

For the purposes of this Convention:

- (a) 'rights of custody' shall include rights relating to the care of the person of the child and, in particular, the right to determine the child's place of residence;
- (b) 'rights of access' shall include the right to take a child for a limited period of time to a place other than the child's habitual residence.

CHAPTER II—CENTRAL AUTHORITIES

Article 6

A Contracting State shall designate a Central Authority to discharge the duties which are imposed by the Convention upon such authorities.

Federal States, States with more than one system of law or States having autonomous territorial organizations shall be free to appoint more than one Central Authority and to specify the territorial extent of their powers. Where a State has appointed more than one Central Authority, it shall designate the Central Authority to which applications may be addressed for transmission to the appropriate Central Authority within that State.

Article 7

Central Authorities shall co-operate with each other and promote co-operation amongst the competent authorities in their respective States to secure the prompt return of children and to achieve the other objects of this Convention.

In particular, either directly or through any intermediary, they shall take all appropriate measures:

- (a) to discover the whereabouts of a child who has been wrongfully removed or retained;
- (b) to prevent further harm to the child or prejudice to interested parties by taking or causing to be taken provisional measures;
- (c) to secure the voluntary return of the child or to bring about an amicable resolution of the issues;
- (d) to exchange, where desirable, information relating to the social background of the child;

- (e) to provide information of a general character as to the law of their State in connection with the application of the Convention;
- (f) to initiate or facilitate the institution of judicial or administrative proceedings with a view to obtaining the return of the child and, in a proper case, to make arrangements for organizing or securing the effective exercise of rights of access;
- (g) where the circumstances so require, to provide or facilitate the provision of legal aid and advice, including the participation of legal counsel and advisers;
- (h) to provide such administrative arrangements as may be necessary and appropriate to secure the safe return of the child;
- (i) to keep each other informed with respect to the operation of this Convention and, as far as possible, to eliminate any obstacles to its application.

CHAPTER III—RETURN OF CHILDREN

Article 8

Any person, institution or other body claiming that a child has been removed or retained in breach of custody rights may apply either to the Central Authority of the child's habitual residence or to the Central Authority of any other Contracting State for assistance in securing the return of the child.

The application shall contain:

- (a) information concerning the identity of the applicant, of the child and of the person alleged to have removed or retained the child;
- (b) where available, the date of birth of the child;
- (c) the grounds on which the applicant's claim for return of the child is based;
- (d) all available information relating to the whereabouts of the child and the identity of the person with whom the child is presumed to be.

The application may be accompanied or supplemented by:

- (e) an authenticated copy of any relevant decision or agreement;
- (f) a certificate or an affidavit emanating from a Central Authority, or other competent authority of the State of the child's habitual residence, or from a qualified person, concerning the relevant law of that State;
- (g) any other relevant document.

Article 9

If the Central Authority which receives an application referred to in Article 8 has reason to believe that the child is in another Contracting State, it shall directly and without delay transmit the application to the Central Authority of that Contracting State and inform the requesting Central Authority, or the applicant, as the case may be.

Article 10

The Central Authority of the State where the child is shall take or cause to be taken all appropriate measures in order to obtain the voluntary return of the child.

Article 11

The judicial or administrative authorities of Contracting States shall act expeditiously in proceedings for the return of children.

If the judicial or administrative authority concerned has not reached a decision within six weeks from the date of commencement of the proceedings, the applicant or the Central Authority of the requested State, on its own initiative or if asked by the Central Authority of the requesting State, shall have the right to request a statement of the reasons for the delay. If a reply is received by the Central Authority of the requested State, that Authority shall transmit the reply to the Central Authority of the requesting State, or to the applicant, as the case may be.

Article 12

Where a child has been wrongfully removed or retained in terms of Article 3 and, at the date of the commencement of the proceedings before the judicial or administrative authority of the Contracting State where the child is, a period of less than one year has elapsed from the date of the wrongful removal or retention, the authority concerned shall order the return of the child forthwith.

The judicial or administrative authority, even where the proceedings have been commenced after the expiration of the period of one year referred to in the preceding paragraph, shall also order the return of the child, unless it is demonstrated that the child is now settled in its new environment.

Where the judicial or administrative authority in the requested State has reason to believe that the child has been taken to another State, it may stay the proceedings or dismiss the application for the return of the child.

Article 13

Notwithstanding the provisions of the preceding Article, the judicial or administrative authority of the requested State is not bound to order the return of the child if the person, institution or other body which opposes its return establishes that:

- (a) the person, institution or other body having the care of the person of the child was not actually exercising the custody rights at the time of removal or retention, or had consented to or subsequently acquiesced in the removal or retention; or
- (b) there is a grave risk that his or her return would expose the child to physical or psychological harm or otherwise place the child in an intolerable situation.

The judicial or administrative authority may also refuse to order the return of the child if it finds that the child objects to being returned and has attained an age and degree of maturity at which it is appropriate to take account of its views.

In considering the circumstances referred to in this Article, the judicial and administrative authorities shall take into account the information relating to the social background of the child provided by the Central Authority or other competent authority of the child's habitual residence.

Article 14

In ascertaining whether there has been a wrongful removal or retention within the meaning of Article 3, the judicial or administrative authorities of the requested State may take notice directly of the law of, and of judicial or administrative decisions, formally recognized or not in the State of the habitual residence of the child, without recourse to the specific procedures for the proof of that law or for the recognition of foreign decisions which would otherwise be applicable.

Article 15

The judicial or administrative authorities of a Contracting State may, prior to the making of an order for the return of the child, request that the applicant obtain from the authorities of the State of the habitual residence of the child a decision or other determination that the removal or retention was wrongful within the meaning of Article 3 of the Convention, where such a decision or determination may be obtained in that State. The Central Authorities of the Contracting States shall so far as practicable assist applicants to obtain such a decision or determination.

Article 16

After receiving notice of a wrongful removal or retention of a child in the sense of Article 3, the judicial or administrative authorities of the Contracting State to which the child has been removed or in which it has been retained shall not decide on the merits of rights of custody until it has been determined that the child is not to be returned under this Convention or unless an application under this Convention is not lodged within a reasonable time following receipt of the notice.

Article 17

The sole fact that a decision relating to custody has been given in or is entitled to recognition in the requested State shall not be a ground for refusing to return a child under this Convention, but the judicial or administrative authorities of the requested State may take account of the reasons for that decision in applying this Convention.

Article 18

The provisions of this Chapter do not limit the power of a judicial or administrative authority to order the return of the child at any time.

Article 19

A decision under this Convention concerning the return of the child shall not be taken to be a determination on the merits of any custody issue.

Article 20

The return of the child under the provisions of Article 12 may be refused if this would not be permitted by the fundamental principles of the requested State relating to the protection of human rights and fundamental freedoms.

CHAPTER IV—RIGHTS OF ACCESS

Article 21

An application to make arrangements for organizing or securing the effective exercise of rights of access may be presented to the Central Authorities of the Contracting States in the same way as an application for the return of a child.

The Central Authorities are bound by the obligations of co-operation which are set forth in Article 7 to promote the peaceful enjoyment of access rights and the fulfilment of any conditions to which the exercise of those rights may be subject. The Central Authorities shall take steps to remove, as far as possible, all obstacles to the exercise of such rights.

The Central Authorities, either directly or through intermediaries, may initiate or assist in the institution of proceedings with a view to organizing or protecting these rights and securing respect for the conditions to which the exercise of these rights may be subject.

CHAPTER V—GENERAL PROVISIONS

Article 22

No security, bond or deposit, however described, shall be required to guarantee the payment of costs and expenses in the judicial or administrative proceedings falling within the scope of this Convention.

Article 23

No legalization or similar formality may be required in the context of this Convention.

Article 24

Any application, communication or other document sent to the Central Authority of the requested State shall be in the original language, and shall be accompanied by a translation into the official language or one of the official languages of the requested State or, where that is not feasible, a translation into French or English.

However, a Contracting State may, by making a reservation in accordance with Article 42, object to the use of either French or English, but not both, in any application, communication or other document sent to its Central Authority.

Article 25

Nationals of the Contracting States and persons who are habitually resident within those States shall be entitled in matters concerned with the application of this Convention to legal aid and advice in any other Contracting State on the same conditions as if they themselves were nationals of and habitually resident in that State.

Article 26

Each Central Authority shall bear its own costs in applying this Convention.

Central Authorities and other public services of Contracting States shall not impose any charges in relation to applications submitted under this Convention. In particular, they may not require any payment from the applicant towards the costs and expenses of the proceedings or, where applicable, those arising from the participation of legal counsel or advisers. However, they may require the payment of the expenses incurred or to be incurred in implementing the return of the child.

However, a Contracting State may, by making a reservation in accordance with Article 42, declare that it shall not be bound to assume any costs referred to in the preceding paragraph resulting from the participation of legal counsel or advisers or from court proceedings, except insofar as those costs may be covered by its system of legal aid and advice.

Upon ordering the return of a child or issuing an order concerning rights of access under this Convention, the judicial or administrative authorities may, where appropriate, direct the person who removed or retained the child, or who prevented the exercise of rights of access, to pay necessary expenses incurred by or on behalf of the applicant, including travel expenses, any costs incurred or payments made for locating the child, the costs of legal representation of the applicant, and those of returning the child.

Article 27

When it is manifest that the requirements of this Convention are not fulfilled or that the application is otherwise not well founded, a Central Authority is not bound to accept the application. In that case, the Central Authority shall forthwith inform the applicant or the Central Authority through which the application was submitted, as the case may be, of its reasons.

Article 28

A Central Authority may require that the application be accompanied by a written authorization empowering it to act on behalf of the applicant, or to designate a representative so to act.

Article 29

This Convention shall not preclude any person, institution or body who claims that there has been a breach of custody or access rights within the meaning of Article 3 or 21 from applying directly to the judicial or administrative authorities of a Contracting State, whether or not under the provisions of this Convention.

Article 30

Any application submitted to the Central Authorities or directly to the judicial or administrative authorities of a Contracting State in accordance with the terms of this Convention, together with documents and any other information appended thereto or provided by a Central Authority, shall be admissible in the courts or administrative authorities of the Contracting States.

Article 31

In relation to a State which in matters of custody of children has two or more systems of law applicable in different territorial units:

- (a) any reference to habitual residence in that State shall be construed as referring to habitual residence in a territorial unit of that State;
- (b) any reference to the law of the State of habitual residence shall be construed as referring to the law of the territorial unit in that State where the child habitually resides.

Article 32

In relation to a State which in matters of custody of children has two or more systems of law applicable to different categories of persons, any reference to the law of that State shall be construed as referring to the legal system specified by the law of that State.

Article 33

A State within which different territorial units have their own rules of law in respect of custody of children shall not be bound to apply this Convention where a State with a unified system of law would not be bound to do so.

Article 34

This Convention shall take priority in matters within its scope over the *Convention of 5 October 1961 concerning the powers of authorities and the law applicable in respect of the protection of minors*, as between Parties to both Conventions. Otherwise the present Convention shall not restrict the application of an international instrument in force between the State of origin and the State addressed or other law of the State addressed for the purposes of obtaining the return of a child who has been wrongfully removed or retained or of organizing access rights.

Article 35

This Convention shall apply as between Contracting States only to wrongful removals or retentions occurring after its entry into force in those States.

Where a declaration has been made under Article 39 or 40, the reference in the preceding paragraph to a Contracting State shall be taken to refer to the territorial unit or units in relation to which this Convention applies.

Article 36

Nothing in this Convention shall prevent two or more Contracting States, in order to limit the restrictions to which the return of the child may be subject, from agreeing among themselves to derogate from any provisions of this Convention which may imply such a restriction.

CHAPTER VI—FINAL CLAUSES

Article 37

The Convention shall be open for signature by the States which were Members of the Hague Conference on Private International Law at the time of its Fourteenth Session.

It shall be ratified, accepted or approved and the instruments of ratification, acceptance or approval shall be deposited with the Ministry of Foreign Affairs of the Kingdom of the Netherlands.

Article 38

Any other State may accede to the Convention.

The instrument of accession shall be deposited with the Ministry of Foreign Affairs of the Kingdom of the Netherlands.

The Convention shall enter into force for a State acceding to it on the first day of the third calendar month after the deposit of its instrument of accession.

The accession will have effect only as regards the relations between the acceding State and such Contracting States as will have declared their acceptance of the accession. Such a declaration will also have to be made by any Member State ratifying, accepting or approving the Convention after an accession. Such declaration shall be deposited at the Ministry of Foreign Affairs of the Kingdom of the Netherlands; this Ministry shall forward, through diplomatic channels, a certified copy to each of the Contracting States.

The Convention will enter into force as between the acceding State and the State that has declared its acceptance of the accession on the first day of the third calendar month after the deposit of the declaration of acceptance.

Article 39

Any State may, at the time of signature, ratification, acceptance, approval or accession, declare that the Convention shall extend to all the territories for the international relations of which it is responsible, or to one or more of them. Such a declaration shall take effect at the time the Convention enters into force for that State.

31 ELIZABETH II, 1982

**An Act to amend the

THE HON. B. STEPHENSON

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1.—(1) Section 116 of the *Municipality of Metropolitan Toronto Act*, s. 116,
being chapter 314 of the Revised Statutes of Ontario, 1980, is amended, ^{amended}

(a) by relettering clauses (a) and (b) as (bb) and (bc); and

(b) by adding thereto the following clauses:

(a) “boards” means the School Board and the boards of education;

(b) “boards of education” means the following:

1. The Board of Education for the Borough of East York.
2. The Board of Education for the Borough of Etobicoke.
3. The Board of Education for the City of North York.
4. The Board of Education for the Borough of Scarborough.
5. The Board of Education for the City of Toronto.
6. The Board of Education for the Borough of York;

(ba) “elementary school teacher” means a teacher who is a member of,

- (i) L’Association des Enseignants Franco-Ontariens, if the major portion of the teacher’s teaching assignment is at the elementary school level,

- (ii) The Federation of Women Teachers' Associations of Ontario, or
- (iii) The Ontario Public School Men Teachers' Federation;

(f) "secondary school teacher" means a teacher who is a member of,

- (i) L'Association des Enseignants Franco-Ontariens, if less than the major portion of the teacher's teaching assignment is at the elementary school level, or
- (ii) The Ontario Secondary School Teachers' Federation.

s. 116,
amended

(2) The said section 116 is further amended by adding thereto the following subsection:

Interpre-
tation

(2) In this Part,

R.S.O. 1980,
c. 464

(a) "agreement" (in relation to the employment of teachers), "branch affiliate" and "teacher" have the same meanings as in the *School Boards and Teachers Collective Negotiations Act*; and

R.S.O. 1980,
c. 129

(b) "elementary school" and "secondary school" have the same meanings as in the *Education Act*.

s. 118 (4),
re-enacted

2. Subsection 118 (4) of the said Act is repealed and the following substituted therefor:

Election and
term of
office

(4) The election of members of the boards of education shall be conducted by the same officers and in the same manner as elections of members of the council of a municipality.

s. 121 (3),
amended

3. Subsection 121 (3) of the said Act is amended by striking out "or otherwise participate" in the seventh line.

s. 124 (1),
re-enacted

4. Subsection 124 (1) of the said Act is repealed and the following substituted therefor:

Quorum
voting

(1) Ten members of the School Board are necessary to form a quorum when the School Board is dealing with matters that affect public schools exclusively and eleven members of the School Board are necessary to form a quorum in all other cases, and the concurring votes of a majority of the members of the

SECTION 2. Subsection 118 (4) of the Act now provides for a two-year term of office. The effect of the amendment is that the term of office will be governed by the *Municipal Elections Act*.

SECTION 3. The subsection proposed to be amended is set out below showing underlined words to be deleted:

- (3) *The Board of Education for the Borough of East York, The Board of Education for the Borough of Etobicoke and The Board of Education for the Borough of York may each appoint one of its members as an alternate member of the School Board, and such alternate member may attend the meetings of the School Board and of its committees, but shall not vote or otherwise participate in the meetings of the School Board or of its committees except in the absence of the chairman of the board of education to which such member belongs or of the member appointed in place of the chairman under subsection (6).*

The effect of the amendment will be to permit an alternate member of The Metropolitan Toronto School Board to participate in meetings of the School Board or of its committees that he attends; the prohibition against an alternate member voting is retained.

SECTION 4. The effect of the re-enactment of the subsection is to increase from eight to ten the number of members required to form a quorum when the School Board is dealing with matters affecting public schools exclusively and to increase from ten to eleven the number required to form a quorum in all other cases.

Over the years the School Board has been increased in size from 19 (16 and 3) to 20 (17 and 3) to the present 21 (18 and 3) members and it is appropriate that the quorum be increased accordingly.

SECTION 5. The subsection repealed reads as follows:

- (2) *The members of the School Board appointed by the Metropolitan Separate School Board, shall hold office for two years and until their successors are appointed.*

The new subsection more closely parallels the provisions of subsections 121 (4) and 125 (1) relative to the members of the School Board who are appointed by boards of education in the Metropolitan Area.

SECTION 6. Clause 127 (1) (f) of the Act is amended to remove the maximum amounts of allowances that may be paid to members and the chairman of the School Board. New subsections 127 (1a) to (1c) are added to permit an outgoing School Board to determine the amounts of allowances to members, alternate members and the chairman of succeeding School Boards. The School Board may decrease the amount of allowance authorized by a predecessor School Board.

New subsections 127 (3) to (7) of the Act require the Metropolitan School Board to apportion its estimates of amounts required for public elementary school purposes and secondary school purposes to the area municipalities and set out the method of calculating the apportionments.

School Board present who are entitled to vote on any matter are necessary to carry such matter.

5. Subsection 125 (2) of the said Act is repealed and the following substituted therefor: s. 125 (2),
re-enacted

(2) The appointment of members of the School Board by the Metropolitan Separate School Board shall be made at the first meeting of the Metropolitan Separate School Board in each year after the regular elections in the area municipalities have been held, and such members shall hold office until their successors take office and a new School Board is organized. EXPLANATORY NOTES

The Bill contains amendments related to education.

SECTION 1. Section 116 is the interpretation section for Part VIII. The additions are complementary to new section 130a and following of the Act, set out in the Bill.

SECTION 2.—Subsection 1. Subsection 118 (4) of the Act now provides for a two-year term of office. The effect of the amendment is that the term of office will be governed by the *Municipal Elections Act*.

Subsection 2. The subsection provides that the term of office of members elected in 1982 will be for three years.

SECTION 3. The subsection proposed to be amended is set out below showing underlined the words to be deleted:

(3) *The Board of Education for the Borough of East York, The Board of Education for the Borough of Etobicoke and The Board of Education for the Borough of York may each appoint one of its members as an alternate member of the School Board, and such alternate member may attend the meetings of the School Board and of its committees, but shall not vote or otherwise participate in the meetings of the School Board or of its committees except in the absence of the chairman of the board of education to which such member belongs or of the member appointed in place of the chairman under subsection (6).*

The effect of the amendment will be to permit an alternate member of The Metropolitan Toronto School Board to participate in meetings of the School Board or of its committees that he attends; the prohibition against an alternate member voting is retained.

SECTION 4. The effect of the re-enactment of the subsection is to increase from eight to ten the number of members required to form a quorum when the School Board is dealing with matters affecting public schools exclusively and to increase from ten to eleven the number required to form a quorum in all other cases.

Over the years the School Board has been increased in size from 19 (16 and 3) to 20 (17 and 3) to the present 21 (18 and 3) members and it is appropriate that the quorum be increased accordingly.

SECTION 5. Section 125 of the Act deals with the term of office of members of the School Board. The section is re-enacted to provide for resignations and to make the provisions related to members of the School Board appointed by the Metropolitan Separate School Board more closely parallel those related to members appointed by boards of education.

SECTION 6. Clause 127 (1) (f) of the Act is amended to remove the maximum amounts of allowances that may be paid to members and the chairman of the School Board. New subsections 127 (1a) to (1c) are added to permit an outgoing School Board to determine the amounts of allowances to members, alternate members and the chairman of succeeding School Boards. The School Board may decrease the amount of allowance authorized by a predecessor School Board.

New subsections 127 (3) to (7) of the Act require the School Board to apportion its estimates of amounts required for public elementary school purposes and secondary school purposes to the area municipalities and set out the method of calculating the apportionments.

SECTION 7. New section 130a and following of the Act relate to collective negotiations between the boards (including The Metropolitan Toronto School Board) and teachers in Metropolitan Toronto.

New section 130a requires joint negotiations and a joint agreement between the boards and the branch affiliates at the elementary school level in respect of terms and conditions of employment in relation to salaries and financial benefits of teachers and the method by which the number of teachers to be employed by a board is determined. A similar requirement applies to negotiations and agreement at the secondary school level.

New sections 130b to 130e relate to the negotiation and ratification of the agreement.

New section 130f relates to the inclusion of additional provisions in an agreement mentioned in new section 130a.

New section 130g permits a board and a branch affiliate to negotiate and enter into an agreement respecting a term or condition of employment that is not within the scope of the negotiations or the agreement mentioned in section 130a.

New section 130h relates to the relationship between the Act and the *School Boards and Teachers Collective Negotiations Act*. The section also contains transitional provisions related to the application of new sections 130a to 130i and specifies that the section is subject to the *Inflation Restraint Act, 1982* (Bill 179).

New section 130i authorizes the Ontario Labour Relations Board, on application by a board, to give directions where the Ontario Labour Relations Board is satisfied that a board is implementing a term or condition of employment that is at variance from or inconsistent with an agreement mentioned in section 130a. A direction by the Ontario Labour Relations Board will be enforceable in the same way as a judgment or order of the Supreme Court.

SECTION 8. New section 130j authorizes a board of education to employ more teachers than are provided for in an agreement under new section 130a subject to the conditions stated in subsections 130j (2) and (3).

Where the School Board increases the apportionment to an area municipality under new subsection 127 (5) to include a deficit of a board of education in a previous year and the amount of the increase exceeds a sum calculated, in the case of elementary school teachers, at one and one-half mills in the dollar and, in the case of secondary school students, at one mill in the dollar upon the total rateable property in the area municipality according to the assessment roll on which taxes were levied in 1983, new subsections 130j (4) and (5) require the termination of the employment of the additional teachers.

New subsection 130j (6) is a transitional provision that will enable the School Board to provide an initial basis for calculating the numbers of additional teachers.

SECTION 9.—Subsection 1. Subsection 133 (1) of the Act sets out the matters to be included in the annual estimates of a board of education in the Metropolitan Area. New clause 133 (1) (e) is complementary to new section 130i set out in this Bill.

Subsection 2. Subsection 133 (4) of the Act authorizes a board of education to submit to the council of the area municipality in which it has jurisdiction the estimates of the board after making allowance for the revenues to be derived from The Metropolitan Toronto School Board.

Clauses 133 (4) (a) and (b) limit the amounts that may be included for elementary school purposes and secondary school purposes in the estimates submitted by a board of education to the council of an area municipality. The amendment provides a formula for calculating the limit related to the amendments to section 127 of the Act.

SECTION 10. Subsections 219 (3) and (4) of the Act relate to the apportionment among the area municipalities of the amount levied by the Metropolitan Council for public school purposes and secondary school purposes. The subsections are re-enacted to relate to the amendments to section 127 of the Act.

SECTION 11. The amendments related to estimates and apportionments will apply to 1983 and subsequent years.
